MEDICAL ADVERTISEMENTS.

Greatest Medical Discovery of the Age.

Dr. Kennedy, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both chunder humor). He has now in his possession over two hundred bottles of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face, and all eruptions.

Two or three bottles will cure the system of Biles. Two bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes. Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly corruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm. Two to three bottles are warranted to cure the most desperate case of rheumatism.

Two to four bottles are warranted to cure the salt rheum. Five to eight bottles will cure the worst case of scrofula.

A benefit it always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I knew the effect of it in every case. So sure was water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another, and a trial it always speaks for itself. There are two things about this herb that appear to me surprising; first it grows in our pastures in some places quite plentifully and yet its value has never been known until I discovered it in 1845—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand per day of it.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever so successful. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humor—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O what a mercy if it will prove effective in all cases of that dreadful malady, there are but few who have more of it than I have.

I know of several cases of Dropsy, all of whom aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Anemia, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best food, and enough of it. DUCROUX ROSE—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

MEDICAL ADVERTISEMENTS.

BALTIMORE LOCK HOSPITAL.

DOCTOR JOHNSTON.

THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleets, Strictures, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Nerves, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Discharge of the head, Throat, Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which destroys both body and mind, and which secret and sordid practices are more fatal to the victims than the song of the Sirens to the mariner Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Young Men, especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents, and brilliant intellect, who might otherwise have entered listening senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with all confidence.

Marriage. Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston.

Who places himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness. Immediately cured, and full vigor restored. This disease is the penalty most frequently paid by those who have become the victim of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences to which they are thereby exposed to that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habit than by the prudent. Besides being deprived of the pleasure of healthy coitus, the most serious and destructive symptoms to mind and body arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough symptoms, Consumption.

Office No. 7, South Frederick Street, seven doors from Baltimore street, East side, up the steps. Be particular in observing the name and number, or you will mistake the place.

A Cure warranted, in Two Days. NO MERCURY OR NAUSEOUS DRUGS.

Dr. Johnston. Member of the Royal College of Surgeons, London, graduated from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately.

A Certain Disease. When the neglected and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it is too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who from education and respectability, can alone befriend him in his distress. The earliest and most successful of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, neuralgic pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones, and arms, blotches on the head, face and extremities, growing and extending with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to another world, where no more of his traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy, and from his extensive practice in the first Hospitals of Europe and America, he is enabled to recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by the use of their hands, and the most obnoxious and violent medicine, and either send the unfortunate sufferer to an untimely grave, or make the residue of his life miserable.

Take Particular Notice. Dr. J. addresses all those who have injured themselves by improper indulgences, and who are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart, Dyspepsia, Nervous or exhausted, Derangements of the Digestive Functions, general Debility Symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded; Loss of memory, Confusion of ideas, Depression of Spirit, Excitability, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what will be the effect of their declining health. Losing their vigor, becoming weak, pale, and emaciated, have singular appearance about the eyes, tough and symptoms of consumption.

Dr. Johnston's Invigorating Remedy for Organic Weakness. By this great and important remedy, weakness of the organs is speedily cured and full vigor restored. Thousands of the most debilitated and nervous, who had lost all hope, have been immediately relieved. All Impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Doctor Johnston.

Young Men, who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the pride of his parents should be snatched from all prospect and enjoyment of life by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons before contemplating

Marriage, should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, matrimony through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes allied with our own.

OFFICE NO. 7, SOUTH FREDERICK ST., BALTIMORE, MD.

To Strangers. The many thousands cured at this Institution within the last 15 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee to the afflicted.

N. B.—There are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the already afflicted. Dr. Johns' deems it necessary to say to those who are ignorant of his reputation that he has always been in his office.

TAKE NOTICE.—All letters must be post paid, and contain a postage stamp for the reply, or no answer will be sent. June 18, 1856-ly.
