MEDICAL ADVERTISEMENTS.

Greatest Medical Discovery of the Age.

Dr. Kennedy, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR.

From the worst scrofula down to a common pimple.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two or three bottles will cure the system of Bilis.

Two bottles are warranted to cure the worst case of Erysipelas.

Two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure cough and running ulcers.

One bottle will cure scaly corruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure the scaly rheum.

Five to eight bottles will cure the worst case of scrofula.

It benefits it always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I knew the effect of it in every case. So sure was water will extinguish fire, so sure will this cure humor.

I never sold a bottle of it but that sold another; after a trial it always speaks for itself.

There are two things about this herb that appear to me surprising; first it grows in our pastures in some places quite plentiful and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold over six thousand per day.

Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it.

There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humor—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O. what a mercy it will prove effectual in all cases of that dreadful malady—there are but few who have more of it than I have.

I know of several cases of Dropsy, all of which were cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Discharges of the Spine, and particularly in diseases of the Kidneys, &c., the discovery is one more good than any medicine ever known.

No change of diet ever necessary—eat the best you can get and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years decrease proportionally—Children from five to eight years two spoonfuls.

No directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Dimness of Sight, Dimness of Vision, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.

The fearful effects on the mind are much to be dreaded; Loss of Memory, Confusion of Ideas, Depression of Spirit, Evil Forbodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, having singular appearance about the eyes, tough and watery, and in their room in the head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.

By this great and important remedy, weakness of the organs is speedily cured and full vigor restored. Thousands of the most debilitated and nervous, who had lost all hope, have been immediately relieved. All Dependents to Marriage, or Mental Disabilities, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Doctor Johnston.

YOUNG MEN.

who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and destroys both mind and body, should apply immediately to the undersigned.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit! Such persons before contemplating

MARRIAGE.

should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed without these, the journey through life becomes a weary pilgrimage.

Thousands of hours darkness to the view of the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with their own.

OFFICE NO. 7, SOUTH FREDERICK STREET, BALTIMORE, MD.

TO STRANGERS.

The many thousands cured at this Institution within the last 16 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee to the afflicted.

N. B. There are so many ignorant and worthless persons advertising themselves as Physicians, raising the health of the afflicted. Dr. Johnston deems it necessary to say to those unacquainted with his reputation that his Diplomas always hang in his office.

TAKE NOTICE.—All letters must be post paid, and contain a postage stamp for the reply, or answer will be sent.

MEDICAL ADVERTISEMENTS.

BALTIMORE LOCK HOSPITAL.

DOCTOR JOHNSTON.

THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleet, Strictures, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affection of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which destroys both body and mind. These secret and solitary practices are more fatal to their victims than the song of the Sirens to the mariner Ulysses—blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

YOUNG MEN.

especially who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents, and brilliant intellect, who might otherwise have entranced listening senses with the thunder of eloquence, or walked to conquest the living lyre, may call with all confidence.

MARRIAGE.

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston.

He will please himself under the care of Dr. Johnston, and if necessary, will confer the honor of a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS.

immediately cured, and full vigor restored. This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequence that may ensue. Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the prudent. Besides being the cause of the pleasure of healthy offspring, the most serious and destructive symptoms to mind and body arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, impotency, heart disease, a wasting of the frame, coughed symptoms of Consumption.

Office No. 7, South Frederick Street, seven doors from Baltimore street, East side, up the steps. Be particular in observing the name and number of the building.

A Cure warranted in Two Days.

NO MERCURY OR CAUSBOUS DRUGS.

DR. JOHNSTON.

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and a general debility, which has attended sometimes with derangement of mind, were cured immediately.

CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it is too often happens that an ill-timed sense of shame, or dread of discovery, sends him to some quack, who, by his unprincipled education and respectability, can alone befriend him, delaying till the constitutional symptoms of such a horrid disease make their appearance, and the patient is reduced to a state of prostration, and grows delirious, and finally expires.

Weakness of the Back and Limbs, Dimness of Sight, Dimness of Vision, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.
