IS, no doubt, the most wonderful discovery of this age of progress, for it will restore, permanently, gray hair to its original color, cover the head of the bald with a most luxuriant growth of hair, and cure all dandruff and itching, cure all scrofula, and other eruptions, such as scald head, etc.

The following is from a distinguished member of the medical profession: ST. PAUL, January 1, 1855.

PROFESSOR O. J. WOOD, I send you this certificate. After being nearly bald for a long time and having tried all the hair restoratives extant, and having no faith in any, I was induced on hearing of yours to give it a trial.
