TO THOSE WHO WANT FARMS.

A FARM

WITHIN THE REACH OF EVERY MAN.

THE RIDGWAY FARM COMPANY has made arrangements by which all who desire to settle or purchase a home can do so.

The Farms consist of the best limestone soil of the most superior quality for farming, in a rapidly improving place, into which an extensive emigration is now pouring. The property is located in Elk County, Pennsylvania, in the midst of a thriving population of some 10,000 population. The climate is perfectly healthy, and the plague of the west fever is unknown. It also has an abundance of the best quality of Coal and Iron. The price to buy it out is from $3 to $20 per acre, payable by instalments, to be located at the time of purchasing, or a share of 25 acres entitling to locate the same for $300, payable $6 per month or 12½ acres payable $4 per month. Discount for every sum of $100 and under, paid in advance, discount of 5 per cent. will be allowed, and for over $100 a discount of 10 per cent.

In considering the advantages of emigrating to this locality the following are presented:

FIRST—The soil is a rich limestone, capable of raising the heaviest crops, owing to which the settlem't has attained its present great prosperity.

SECOND—It is the centre of the great North West Coal Basin, and is destined soon to become one of the greatest business places in the State. It will supply the great Lake market, (according to population and travel in the Union.) It has five workable veins of the best Bituminous Coal, amounting in the aggregate to over 22 feet, which makes 22,000 tons of coal under each acre. This will make the land of inestimable value.

The eminent state geologist, Dr. Chas. T. Jackson, of Boston, has made a geological survey of the land and analyzed the soil, the iron ore and the limestone. This report together with maps will be furnished to inquirers.

FOURTH—Three railroads are laid out thro' this property. The Sunbury and Erie Railroad gives us a market for our coal to the lakes—it runs from Erie to Philadelphia. A large part of this road has been finished, and is now in running order. A heavy force is now working from Erie toward our land in the western direction, the means for the completion of which has been raised—it will soon be finished. The Allegheny Valley Railroad connects us with New York, Boston and Pittsburg. The Venango Road connects us with the West.

There are already good Turnpike Roads running through this property, various other roads have been opened to accommodate the emigration and settlement which has already taken place.

There is no opportunity equal to it now offered to the man who wants to provide himself a home in an easy way, and make a settlement where he can live in prosperity and independence in a climate PERFECTLY HEALTHY.

No case of the fever ever having been known to occur in this settlement. It is not like going to the backwoods of the West, among perhaps intolerant people, where there is no society, no churches, or schools, where the price of land is high, and where the emigrant, after being used to the healthiest climate in the world, has to endure sickness and pain, and perhaps ruins his health and that of his family. But here is a thriving settlement having three towns, containing churches, schools, hotels, stores, saw-mills, grist-mills, and everything desired. There is a cash market at hand. The lumber trade last year amounted to over two hundred millions feet of lumber. In a short time, owing to the Coal, it will become still more valuable as a number of iron works and manufactories will soon be started; they are at present starting them extensively at Warren. Even for those who do not wish to go there, the payments are such that they can easily buy farms to save their families from want in the future, or to gain a competence by the rise which will take place in the value of their lands. By an outlay scarcely missed, a substantial provision can be made.

Persons should make early application, apply or write to E. Jeffries, Secretary, No. 135 Walnut Street, below Fifth, Philadelphia. Letters carefully answered giving full information.

Shares or tracts of land can be bought or secured by letter enclosing the first instalment of five dollars, when the subscriber will be furnished with books, maps, &c. Warrantee deeds given. Persons can also purchase from our Agents.

Route from Philadelphia to Tyrone on the Pennsylvania Central Railroad, and thence by stage to the land. This is a delightful season to visit St. Mary's—the best hotel accommodation is afforded. Enquire for E. C. SHULTZ, Esq., the Agent for the property at St. Mary's.

PROFESSOR WOOD'S HAIR RESTORATIVE

IT HAS WORKED MIRACLES!

That all the bald and gray can be restored perfectly to original growth, and color, so far as their locks are concerned, does not admit of a doubt; besides, it will cure every possible disease of the scalp, whether developed as dandruff, itching or in the shape of cutaneous eruptions—even scald head—and in no possible case will it fail of curing as if by magic, nervous or periodical head-ache, and if used twice a week by the young regularly, it will preserve the color, and keep the hair from falling, to any imaginable age. Read and judge.

Millford, Worcester Co., Mass., Nov. 1855.

Prof. O. J. Wood—Dear Sir: I take pleasure in bearing voluntary testimony to the magic effects of your wonderful Hair Restorative. As far back as 1836, my hair commenced falling off, until the top of my scalp became as bald and smooth as glass, and it has continued to fall for a great many years, notwithstanding I have used many celebrated preparations for restoration. Seeing your advertisement, I was induced to give your article a trial, and to my utter astonishment, found, after a few applications, that my hair became firmly set, and assumed a glossy and beautiful appearance; and by the time I had used a quart bottle, my bald head was covered over with a young and vigorous growth of hair, which is now from one to two inches in length, and growing fast. Yours, truly,

HENRY GOODRICH.

Charlestown, Mass., Aug. 9, 1855.

Gents:—Nothing but a duty and sympathy that I feel to communicate to others that are afflicted as I have been, would induce me to give this public acknowledgment of the benefit I have received from Prof. Wood's Hair Restorative. When I first commenced using it, my hair was quite gray, and in spots entirely bald. I have now used the Restorative about five months, and my hair is entirely changed to its original color, brown, and the new hair is over three inches in length on the spots where it was bald. I have also been much gratified at the healthy moisture and vigor of the hair, which before was dry, and it has ceased to come out as formerly.

Respectfully yours, &c.,

Mrs. R. A. STODDARD.

From Mrs. Ingalls, a well known nurse in Boston.

Boston, Oct. 19th, 1855.

Gents:—At your request and being so highly pleased with the effects of the Restorative, I am free to state that my hair had become quite thin, and entirely white. I have for the last five years been in the habit of using dye, but hearing of the extraordinary effects of this article, I was induced to try it. My hair has been restored to its original thickness, and also to its former color, which is light brown.

Yours respectfully, MRS. INGALLS.

The following is from the Pastor of the Orthodox Church. Brookfield.

Brookfield, Mass., Jan. 12, 1855.

Prof. Wood—Dear Sir—Having made trial of your Hair Restorative, it gives me pleasure to say, that its effects have been excellent in removing inflammation, dandruff, and a constant tendency to itching, with which I have been troubled from my childhood, and has also restored the hair, which was becoming gray, to its original color. I have used no other article, with any thing like the same pleasure and profit.

Yours, truly, J. K. BRAGG.

[From the Jersey City Telegraph.]

What is it for—This Wood's Hair Restorative? —Is a question asked daily by hundreds. We answer without hesitation or fear of contradiction, that it is the only article known which will do all it promises for the human hair. It will renew its growth—it will stop its falling—it will restore its natural color! It is not a Hair Dye but a speedy and efficacious Restorative.

A MEDICINE THAT NEVER DEBILITATES!

DR. SANFORD'S INVIGORATOR, OR LIVER REMEDY

Has all the good qualities of a purgative medicine, answering the purposes of any Cathartic without the debilitating effects experienced from most purgatives. It acts slowly and gently, but surely, moving the bowels to carry off all the secreted matter, at the same time, stimulating the Liver to a proper performance of its functions.

The Invigorator cures Sick Headache. Take one or two teaspoonsful at each attack, and it will soon disappear. For an overloaded stomach, or when food rises or sours, take the Invigorator after eating, and it will not prove disagreeable or oppressive. For Heartburn, Palpitation, or Difficult Breathing, take a teaspoonful once or twice daily. For Loss of Appetite, Languor or Listlessness, the medicine is invaluable. It will restore the appetite and make the food digest well. Nightmare, take a teaspoonful on retiring, and the demons of dream-land will all be fairies. After eating a hearty dinner, take a dose of Invigorator and it will relieve all oppression or fullness. The Invigorator is a Liver Remedy of unequaled virtue, acting directly on that organ, curing Dyspepsia, Jaundice, Bilious Attacks, Dysentery, Piles, Worms, and Female Obstructions, for which it has no equal.

We know there is nothing now before the American public, prepared with such skill by a scientific man, particularly for diseases of the Liver, as Dr. Sanford's Invigorator, or Liver Remedy. It has attained a reputation second to no other article in the world, simply because it rests on its own merit. To convince all by trial that it is all its proprietors claim it to be, if any of our readers are suffering from such diseases as are described in Dr. Sanford's advertisement, we know of no remedy that will so surely cure them as the Invigorator.

There has lately been brought to our notice a medicine that seems to possess wonderful curative and healing properties in diseases of the Liver, Stomach, and Digestive Organs. It came to us with so many testimonials in its favor that we have noted its effects in some of the worst cases of continual debility, caused by deranged liver, and in every instance the effect was to relieve or give a permanent cure. Dr. Sanford's Invigorator, or Liver Remedy is what we refer to. We always have been credulous about cures by patent medicines, but we are convinced that this medicine for family use is not overrated by the host of recommendations it has. Our advice is, for all troubled with Indigestion, Debility or Bowel Complaint, to get a bottle and try it; our word for it, relief will be experienced.

Blessings to the Invalids who use Sanford's Invigorator, for it will relieve them of their pain as soon as it is taken into their stomach. Pain and misery cannot exist where the Invigorator is used, for it will as surely drive them away, as daylight will banish darkness, of this there can be no doubt to those who try it, for it carries conviction with every dose taken. Another evidence is the thousands of certificates from those who use it or have been cured by it. Try one bottle, if it does not benefit, we are mistaken.

☞ TO INVALIDS. ☜

Dr. Hardman, Analytical Physician.

Physician for Diseases of the Lungs, Throat and Heart—Formerly Physician to the CINCINNATI MARINE HOSPITAL, also to INVALIDS RETREAT,

Author of "Letters to Invalids," IS COMING. See following Card.

July & August Appointments.

Dr. Hardman, Physician for disease of the Lungs, (formerly Physician to Cincinnati Marine Hospital,) will be in attendance at his rooms as follows:

Huntingdon, Jackson's Hotel Saturday August 1
Lewistown, National Hotel August 3.
Mifflin, Patterson House, August, 4.
Harrisburg, August 5.
Altoona July 30.
Hollidaysburg July 31.
Johnstown July 29.
Indiana July 28.
Greensburg July 27.
Pittsburgh July 24, 25 & 26.

Dr. Hardman treats Consumption, Bronchitis, Asthma, Larryngittis and all diseases of the throat and lungs, by medical Inhalation, lately used in the Brompton Hospital, London. The great point in the treatment of all human maladies is to get at the disease in the direct manner, All medicines are estimated by their action upon the organ requiring relief. This is the important fact upon which Inhalation is based. If the stomach is diseased we take medicine directly into the stomach. If the lungs are diseased, breathe or inhale medicated vapors directly into the lungs. Medicines are the antidotes to disease and should be applied to the very seat of disease. Inhalation is the application of this principle to the treatment of the lungs, for it gives us direct access to those intricate air cells and tubes which lie out of reach of every other means of administering medicines. The reason that Consumption, and other diseases of the lungs, have heretofore resisted all treatment has been because they had never been approached in a direct manner by medicine. They were intended to act upon the lungs and yet were applied to the stomach.—Their action was intended to be local, and yet, they were so administered that they should not act constitutionally, expending immediate and principal effects upon the unoffending stomach, whilst the foul ulcers within the lungs were unmolested. Inhalation brings the medicine in direct contact with the disease, without the disadvantage of any violent action. Its application is simple, that it can be employed by the youngest infant or feeblest invalid. It does not derange the stomach, or interfere in the least degree with the strength, comfort, or business of the patient.

OTHER DISEASES TREATED.—In relation to the following diseases, either when complicated with lung affections existing alone, I also invite consultation. I usually find them promptly curable.

Prolapsus and all other forms of Female complaints, Irregularities and Weakness.

Palpitation and all other forms of Heart Disease, Liver Complaints, Dyspepsia, and all other diseases of Stomach and bowels, &c.

All diseases of the eye and ear. Neuralgia, Epilepsy and all forms of nervous disease.—No charge for consultation.
