PACKER A COWARD. HE REFUSES TO MEET WILMOT ON THE STUMP.

Some time ago it was asserted by the American Republican papers throughout the State, that Judge Wilmot would challenge Mr. Packer to meet him on the stump...

We here lay before our readers the challenge itself, as it was sent to Mr. Packer, which he magnanimously refused to accept...

TOWANDA, July 14th, 1857. Hon. Wm. F. Packer: Dear Sir—I purpose to spend some time during the summer and fall in canvassing before the people of the State...

Party meetings bring out only that portion of the people to whom the call is made, and the addresses are necessarily all one side...

The Harrisburg Telegraph says that after due time having been spent in numerous consultations between the shrewd and prudent men of Packer's body guard...

This silly trifling of Gen. Packer would be disgraced to a school-boy; but what can be called in a man who aspires to the gubernatorial chair of the State...

We ask a fair and open contest, and feel confident of a verdict of the people in our favor. We boldly charge cowardice, duplicity and dishonesty on the part of Gen. Packer...

The ostensible reason given for refusing the challenge is that the policy of candidates personally stumping the State, would bar the chances of any but orators and debaters...

The State Election. The contest in Pennsylvania is narrowed down to a struggle between the friends of slavery extension and its opponents.

The contest in Pennsylvania is narrowed down to a struggle between the friends of slavery extension and its opponents. Packer represents one principle, and Wilmot the other...

Pennsylvania should array herself with the great Northern phalanx in this contest for the eradication of the heaviest curse that ever blighted the prospects of an otherwise prosperous nation...

The great party which is represented in this political contest by David Wilmot is the only opposing party to the pernicious and destructive doctrines of the misnamed Democracy...

In the meantime, the friends of free labor should not waste their time in idle discussion, but proceed with the work of thorough and effective organization in every election district in the State...

Among the most effective means to conduct a political campaign to a successful termination is the free circulation of newspapers and documents. Give the people light—spread among them sound and convincing facts...

NEW FOUNTAIN PEN.—We have now in our possession one of the admirable pens, sold by G. W. Reed, Esq., Philadelphia, who is agent in this State for the sale of the same...

Brady Township, August 1, 1857. We are requested to announce that the corner stone of the German Reformed Church will be laid in this borough, on Saturday next...

The Camp Meeting for Cassville Circuit will commence, by Divine permission, on Friday, the 28th day of August, on the old Taylor ground in Tough Creek Valley.

Persons desiring one of the coolest and most refreshing drinks extant, should call on Dr. John Reed. If you don't believe us just call, judge and you must be convinced.

The Pill Trade.—Who could dream of the magnitude such an undertaking as the manufacturing of a Purgative Pill assumes when it comes into general use.

The August No. of the "Ladies' Journal," is before us. This is a new magazine, published by Scattergood & Magee, Philadelphia, and is decidedly "the cheapest magazine in the world," being but \$1.50 per year.

The shipments of Coal from Broad Top Mines for week ending Thursday, July 30th, were 2662 tons, for the year, 46,378 tons.

Important from Kansas. The Invasion of Lawrence—City Government Organized—The August Elections—Kansas Affairs Settled on a Military Basis—Orders from Gen. Lane.

LAWRENCE, KANSAS, July 24th, 1857. The recent and last invasion of Lawrence by the United States troops, led on by Governor Walker, has and will continue to cause considerable excitement in Kansas.

The Mayor has delivered his address to the Board of aldermen which is well known in town, and must certainly have reached the ears of the Territorial Governor, and up to the present time he has done nothing to prevent the continuance of such "rebellious proceedings" only to remain in camp, reading newspapers and managing certain men in and about Lawrence.

We have all along considered ex-Governor Shannon's administration of affairs in Kansas the most contemptible, on account of his drunkenness and imbecility. His very name has become a reproach, and he has been hissed and despised by all parties.

Mr. Walden, of Quindaro, editor of the Chindowan, called upon his excellency a few days since, and informed him that it was the intention of the citizens of that town to organize a municipal government for themselves.

Be Wise in Time. How many are there who, afflicted with disease in an incipient stage, delay from time to time having recourse to some remedial agent which would effectually arrest the further progress of disease, and render the system impregnable to its insidious attacks.

The great natural ornament to the human form divine is unquestionably a fine, luxuriant, healthy growth of hair. It has been so esteemed in all ages of the world, and among all nations savage and civilized.

Who is troubled with any of those disagreeable Complaints, such as Jaundice, Dyspepsia or Liver Disease of any kind, but would like to know a remedy for these unpleasant conditions? We feel that we are doing our invalid readers an invaluable service if we can induce them to get a bottle of Dr. Searles' Invigorator and take it, for we know from personal experience that it is one of the greatest remedies for general debility, and consequent inactive bodily powers ever before used.
