MEDICAL ADVERTISEMENTS.

BALTIMORE LOCK HOSPITAL. DOCTOR JOHNSTON. The founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleet, Stricture, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which destroy both body and mind.

Young Men, especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have occupied listening seats with the founders of eloquence, or walked to ecstasy the living lyre, may call with all confidence.

Organic Weakness. This disease is the penalty most frequently paid by those who have become the victims of the Solitary Vice. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue.

Certain Disease. When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who from education and respectability, can alone benefit him, delaying till the constitutional system of this horrid disease which their appearance, such as ulcerated sore throat, disordered nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones, and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the patient, falling prostrate, in the first stage of the disease, and the victim of this awful disease, becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to that bourne from whence no traveler returns.

Take Particular Notice. Dr. J. addresses all those who have injured themselves by improper indulgence. Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangements of the Digestive Functions, general Debility Symptoms of Consumption, &c.

Young Men, who have injured themselves by a certain practice indulged in by some, who frequently learn from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured render marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature, and indulging in a certain secret habit! Such persons before contemplating.

Marriage. should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed without these, the journey through life becomes a weary pilgrimage, and the prospect hourly darkens to the view; the mind becomes shrouded with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with their own.

TO Strangers. The many thousands cured at this Institution within the last 15 years, and the numerous reports, published, and confirmed by Dr. Johnston, witnessed by the Reports of the Medical Officers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee to the afflicted.

INDUSTRY MUST PROSPER. J. N. BALL respectfully solicits the attention of the farming community to a quality of Flourish which he is now manufacturing, and will have ready for sale in a few days, he is also prepared to make harrows, wagons, carts, wheelbarrows, &c., and to do all kinds of repairing at the shortest notice, and in the most substantial manner.
