

Pencil Notes.

A chief among ye takin' notes, And faith, he'll print it.

Owing to the panic, Brigham Young has only 40 wives at present.

We have never yet known any one as good or bad as he was represented.

President Buchanan and Gov. Walker are in the attitude of two belligerent cats.

We have on file several pieces of original poetry, which shall appear in due season.

Thanksgiving day witnessed a tremendous slaughter of "ye turkey," in this neighborhood.

The young lady we noticed last week as being driven to distraction, has since walked back.

There is a time for all things. The time to leave is when a young lady asks how the walking is.

We had no less than six lady visitors during the past week. We are always pleased to see you ladies.

Bachman, late President of the Lancaster Bank, has been acquitted, but the jury said he should pay costs.

We have found out in our experience that the only way to get a woman to keep a secret, is—never tell her.

Priores and Babylon two of 'e American horses in England, were badly beaten at the New Market races.

The School Directors of Dauphin county have raised the salary of their Superintendent from \$300 to \$800.

A Printer's Toast.—Woman, the fairest work of creation. The edition being extensive let no one be without a copy.

Con.—Why was Pharaoh's daughter like unto a broker? Because she got a little prophet from the rushes on the banks.

We have received an excellent little article from our esteemed friend "Lou. L." of Missouri, which shall appear in our next.

Coming up as plenty as "loads after a storm"—disciples of Blackstone. They are getting as numerous as mosquitoes in August.

By the recent disaster to the Steamer Cataract, on the Missouri river, twenty seven persons were scalded, ten of whom have since died.

Still in Vogue.—Ye Hoops. We had thought that the cold weather would have had the effect of depressing them, slightly, but it doesn't.

Happiness.—To be the owner of a rosy-checked bulldog, a big wife, four angelic kittens, and a green eyed baby. Or something of that kind.

It is still doubtful who has been elected Governor of Wisconsin, although it is confidently asserted that the Republicans have carried the day.

We know an old lady who has made a pair of stockings last fifteen years, by knitting new feet to them every winter and new legs every other winter.

Ought to have their ears stitched.—The shoemakers of "this day and generation." They charge half a dollar for looking at your boots or shoes. Varily the sons of St. Crispin have degenerated.

Married, at Gotha, Germany, on the 27th ult., in the Court Chapel, by the Rev. Dr. Carl Schwartz, Chaplain to the Grand Duke, Mr. Bayard Taylor of New York, to Miss Marie Hansen, of Gotha.

Letters have been received from Mr. Allibone, in which he expresses a determination to return immediately home, to meet the serious accusations against him as President of the Bank of Pennsylvania.

Too nice.—Some of the "fast young men" of this age. They use perfume to an awful extent, and which to our view, shows a remarkably weak intellect. Their musks, and nostrums to our proboscis, approach nearer the balm of a thousand pees cats, than anything else.

How is it?—It is said that Gov. Walker has announced his determination of going back to Kansas and aiding the Free State men in gaining their rights and overthrowing the Border Ruffians, because President Buchanan endorses the frauds perpetrated. We shall see.

Almost everybody is talking of hard times; yet there is no doubt in our mind that there is just as much money in the hands of the people as ever, and more produce. There is a disposition on the part of some who have money to take advantage of the "hard times" and neglect the payment of debt.

In the present depressed state of affairs many Locooco journals are jubiling over the condition of the slave at the South. One exclaims: "Show us a single slave south of the Potomac who has not as much to eat as usual!" Well, admitting that, show us a single cart-horse North of the Potomac which the crisis has deprived of his fodder!

We acknowledge ye Corn.—We received on Thanksgiving day, from the hands of one of our fair laases, a "drum-stick," vulgarly termed a turkey-leg. We have no strong liking for the "bird," and particularly for the partent us, and consequently can't say whether it was good, bad, tough or indifferent. Our "imp" however, pronounced it "S. P."

To improve the Breath.—We would state for the benefit of the young friend who sat beside us during church a short time ago, that walnuts will greatly improve the breath, when one has been dining on onions. Another opinion we give is this:—You commit a greater sin in going to church smelling like a Dutchman's kitchen, to annoy your neighbors, than in "running round" all day. Just think of it. We will be enraptured over the pastor's description of Paradise, and forget everything else to roam with him through its green fields, and shady walks, almost smelling the sweet flowers that there do bloom forever, when suddenly you receive the full blast of a breath-perfumed with onions. Great Jehosaphat! how quick it brings you "from the other side of Jordan."

NOTICE.

We request those of our subscribers who receive their papers, to inform us of those in their immediate neighborhoods who are subscribers to the "Journal," and have failed to receive the same, since the stealing of our pack-box, by ruffians on the 11th of October.

New Card-Press.

Having bought a fast "CARD PRESS," we are now prepared to print in the proportion of three cards in the same time that any other press in the county can print one, consequently we can print them cheaper—if not done well we make no charge at all. We ask your patronage.
