Truly the quiver of death has no arrow so fatal as Consumption. In all ages has been the great enemy of life, for it spares neither age nor sex, but sweeps of alike the brave, the beautiful, the noble and the gifted.

MEDICAL ADVERTISEMENTS.

BALTIMORE LOCK HOSPITAL. DOCTOR JOHNSTON. THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleets, Strictures, Seminal Weakness, Pain in the Loins, Impotence, Debility, Impure Urine, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Disease of the Head, Throat, Nose or Skin; and all those serious and melancholy disorders, which destroy both body and mind.

Young Men, especially, who have become the victims of Solitary Habits, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents, and brilliant intellect, who might otherwise have entered listening senses with the thunders of eloquence, or walked to the living lyre, may call with all confidence.

Marriage. Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston. He who places himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness. Immediately cured, and full vigor restored. This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the danger, and the proper remedies, which may be administered to them, until the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by the prudent.

Certain Disease. When the most usual and important variety of pleurisy finds he has imbibed the seeds of this painful disease, it is too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who from education and respectability, can alone befriend him, by pointing out the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the skin, bones, and arms, blotches with frightful rapidity on the face, the nose and throat, the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease beholds a horrid object of commiseration, till death puts a period to his dreadful sufferings.

Take Particular Notice. Dr. J. addresses all those who have injured themselves by improper indulgences. These are some of the signs and symptoms of this horrid disease, which are early habits of youth, viz: Weakness of the Back and Limbs, Pain in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangements of the Digestive Function, General Debility, Symptoms of Consumption, &c.

By this great and important remedy, weakness of the organs is speedily cured and full vigor restored. Thousands of the most debilitated and nervous, who had lost all hope, have been immediately relieved. All Impediments to Marriage, Physical or Mental Disqualifications, Nervous Irritability, Tremblings and Weakness, or exhaustion of the most fearful kind, speedily cured by Doctor Johnston.

Young Men, who have injured themselves by a certain practice indulged in when alone—a habit, frequently learned from evil companions, or at school—the effects of which are, night and day, even when asleep, and destroys both mind and body, should apply immediately. What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature and indulging in a certain secret habit.

Marriage. Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston. He who places himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Task Notice—All letters must be post paid, and contain a postage stamp for the reply. No answer will be sent. June 18, 1857.
