IMPORTANT DISCOVERY.

CONSUMPTION

And all Diseases of the Lungs and Throat, ARE POSITIVELY CURABLE BY INHALATION.

Which conveys the remedies to the cavities in the lungs through the air passages, and coming in direct contact with the disease, neutralizes the tubercular matter, allays the cough, causes a free and easy expectoration, heats the lungs, purifies the blood, imparts renewed vitality to the nervous system, giving that tone and energy so indispensable to the restoration of health.

MEN'S UNDERSHIRTS AND DRAWERS

Lineen Shirt Breasts, Ready-made Shirts, waist and fancy shirts, and collars, very cheap.

impossible to save more than five per cent.

for the Lungs are so cut up by the disease as to bid defiance to medical skill. Even, however, in the best stages, Inhalation affords extraordinary relief to the suffering attending this fearful scourge which annually destroys ninety-five thousand persons in the United States alone, and a corresponding number elsewhere.

Truly the quiver of death has no arrow so fatal as Consumption.

In all ages it has been the great enemy of life; for it spares neither age nor sex, but creeps like the bray, the beautiful, the graceful and the gifted. By the help of that Supreme Being from whom cometh every good and perfect gift, I am enabled to offer to the afflicted a permanent and speedy cure in Consumption.

The Inhalation of ammonia will restore the system when fainting or apparently dead. The odor of many of the medicines is perceptible in the skin a few minutes after being inhaled, and may be immediately detected in the blood.

Convincing proof of the constitutional effects of this Inhalation is the fact that sickness is always produced by breathing foul air—is not this positive evidence that proper remedies, carefully prepared and judiciously administered through the lungs should produce the happiest results?

During eight years practice, many thousands of men and women afflicted with the lungs and throat, have been under my care, and I have effected many remarkable cures, even after the sufferers had been pronounced in the last stages, which fully satisfies me that consumption is no longer a fatal disease.

By treatment of consumption is original, and founded on long experience and a thorough investigation. My perfect acquaintance with the nature of tubercles, &c., enables me to distinguish readily the various forms of disease which constitute consumption, and apply the proper remedies, each, being mistaken even in a single case.

This familiarity, in connection with certain pathological and microscopic discoveries enables me to relieve the lungs from the effects of contagious matter, to enlarge the chest, purify the blood, to give renewed vitality, giving energy and tone to the entire system.

Medicines with full directions sent to any part of the United States and Canada by patients communicating their symptoms by letter. But to insure success, it is certain if the patient should pay me a visit, which would give me an opportunity to examine the lungs and enable me to prescribe with much greater certainty, and then the cure could be effected without my seeing the patient again.

MEDICAL ADVERTISEMENTS.

BALTIMORE LOCK HOSPITAL.

THE founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleet, Stricture, Gonorrhoea, Venereal Disease, Syphilis, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Disease of the head, Throat, Nose or Spleen, and all those serious and melancholic disorders arising from the destructive habits of Youth, which destroys both body and mind.

Young Men,

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave thousands of young men of the most exalted talents, and brilliant intellect, who might otherwise have entered listless and unproductive into the service of their country.

Marriage

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston.

Organic Weakness.

This disease is the penalty most frequently paid by those who have become the victim of improper indulgences. Young persons are too apt to commit excesses from the ignorance of the dreadful consequences that may ensue.

Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habits than by those who are prudent. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms to mind and body arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough symptoms, &c.

Dr. Johnston.

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of London, Paris Philadelphia, and elsewhere, has effected some of the most astonishing cures which were ever known, many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing attended sometimes with derangement of mind, were cured immediately.

Certain Disease.

When the essential and primary source of pleuritic fluids has been the seeds of this painful disease, it too often happens that an ill-defined sense of shame, or dread of discovery, detains him from applying to those who from education and respectability, can alone befriend him in his distress.

It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders who by the use of that deadly poison Mercury, ruin the constitution, and either seal the unfortunate sufferer to an untimely grave, or make the residue of his life miserable.

Take Particular Notice.

Dr. J. addresses all those who have injured themselves by improper indulgences. There are some of the sad and melancholy effects of early habits of youth, such as Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangements of the Digestive system, general Debility Symptoms of Consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded: Loss of memory, Confusion of Ideas, Depression of Spirit, Evil Follies, Aversion to Society, Self Distrust, Melancholy, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health.

Losing their vigor, becoming weak, pale and emaciated, have singular appearance about the eyes, tongue, and other symptoms of consumption.

Dr. Johnston's Invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the organs is speedily cured and full vigor restored. Thousands of the most debilitated and nervous, who had lost all hope, have been immediately relieved. All Impediments to Marriage, or other serious diseases, such as Nervous Irritability, Trembling, or exhaustion of the most fearful kind, speedily cured by Doctor Johnston.

Young Men,

who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyment of life by the consequence of deviating from the path of nature and indulging in a certain secret habit such persons before contemplating

Marriage

should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed without the aid of the young man through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

OFFICE NO. 7, SOUTH FREDERICK ST., BALTIMORE, MD.

To Strangers.

The many thousands cured at this Institution within the last 15 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee to the afflicted.

Dr. Johnston's Invigorating Remedy for Organic Weakness.

By this great and important remedy, weakness of the organs is speedily cured and full vigor restored. Thousands of the most debilitated and nervous, who had lost all hope, have been immediately relieved.
