KAY & BROTHER, LAW BOOKSELLERS, AND REPORTERS, 19 NORTH THIRD STREET, PHILADELPHIA.

PRICE ON LIMITATIONS AND LIENS.—Of the Limitation Act, and of Liens on Real Estate in Pennsylvania. By Edw. R. Pease, Esq. FROM THE PRESS, HORACE BINNEY—"The design of it is excellent, and the execution is beautiful. It must continue to bring the law on these heads into better shape, by exhibiting it in its aggregate, and thus showing the bearing of its parts upon each other. It must also promote the faith and confidence of the community, which, though vastly advanced beyond what it fifty years ago, is still incomplete."

BRIGHTLY'S UNITED STATES DIGEST. An Analytical Digest of the Laws of the United States, from the Adoption of the Constitution to the end of the XXXIV Congress, 1789-1857. By FREDERICK C. TAYLOR, Chief Justice of the UNITED STATES.—"It is a work of great value, and well executed. The heads under which the different Acts of Congress are arranged are well chosen and appropriate, and which are still more important, are followed as I have been able to examine it, is complete. The book has evidently been prepared with much care and judgment, and will, I doubt not, be very acceptable to the public."

PROFESSOR J. WOOD'S HAIR RESTORATIVE.

PRODUCING HAIR OF BALD HEADS, AND RESTORING Grey Hair to its Natural Color.

This astonishing and unequalled preparation has never failed to produce a growth of Hair, and turn hair back to its original color, after having become gray, and re-restore it all its original heat, lustre, softness and beauty. Removes at once all itching, dandruff and unpleasant feeling, scurfiness, eruptions and feverish heat from the scalp. It also prevents the hair from becoming unmanageable and falling out, and restores as a perfect Hair Invigorator and Tonic.

A gentleman of Boston writes to his friend in New Bedford thus: "To your inquiries I would reply, that when I first commenced to use Professor Wood's Hair Restorative, my hair was almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose, and pulled out very freely. But I found that before I had used the second bottle, (which was only eight weeks) my hair was entirely changed to its original color, light brown, and is now free from dandruff and quite smooth. I have had my hair cut five or six times since the change, and have never seen anything like what has taken place from the roots; and it is now as thick as it ever was, and does not come out at all. It has proved my case all that I could wish to ask. July 1, 1855. Yours, etc."

DEAR SIR—I have used two bottles of Prof. Wood's Hair Restorative, and can truly say it is the best I ever used. It gives me pleasure to say that its effect has been excellent in removing inflammation, dandruff, and a constant itching humors, which I have been troubled with since childhood, and has also restored my hair, which was becoming gray, to its original color, and has no other effect with anything like the pleasure and profit. Yours truly, J. K. BRAGG, Pastor of the Orthodox Church, Brookfield, Professor Wood.

WOOD'S HAIR DYE.—This valuable article is rapidly improving the hair. No article of a similar kind, now before the public enjoys so high a reputation as a restorative and invigorating hair tonic. Its peculiar chemical properties have a beneficial effect upon the growth and character of the hair, giving it a silky and glossy texture, to that which was formerly of a coarse and brittle nature. It has, also, we understand, a tendency to preserve the color, and to prevent the effects of age. With such recommendations in its favor, we hardly perceive how any lady or gentleman should be without so valuable an article to their wardrobe. J. WOOD & CO., Proprietors, 312 Broadway N. Y., & 144 Market St., St. Louis, Missouri. Sold in Huntingdon by JOHN REED, and H. McMANIGLE, and by Druggists every where. Feb. 10, 1858.—3m. March 25, 1857.—ly.

DR. SANFORD'S INVIGORATOR, OR LIVER REMEDY.

"THIS is one of the greatest medical discoveries ever made, and is daily working cures almost too great to believe. It cures, as it might, every the most obstinate disease, and seldom more than one bottle is required to cure any kind of Liver Complaint from the worst condition to Despondency to a common health, all of which are the result of a 1858—3m.

The Liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions.—When the stomach is in fault, the bowels are at fault, and the whole system suffers in consequence of one organ, the Liver, not being enabled to do its duty. For the diseases of that organ one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy whereby to counteract the many diseases to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

This compound has been formed by dissolving and extracting that part which is sought for the active virtues of the medicine. These gums remove all morbid or bad matter from the system, supplying in their place a food of flow of life, invigorating the stomach, causing food to digest fully, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure without any of the disagreeable effects of other, felt by using this.

To all who will follow these directions a cure is positively guaranteed. Sick Headaches can be cured by the use of two tea-spoonful taken as soon as the attack is felt.

The Invigorator never fails to cure sore stomach or the bad effects experienced after eating.

Bilious Attacks yield readily to one bottle, and Chronic Diarrhoea, if suffered with it to one, is never troublesome to those who take the Invigorator.

For Dyspepsia or Jaundice, nothing in the known world acts so fully or cures so quickly as the Invigorator. It removes all yellowness and unnatural color from the skin.

For Night Mares, take a dose before retiring, and it is warranted a sure preventative.

For Female Obstructions, it is a safe and sure remedy, as it removes the cause of the disease. Costiveness cannot exist where the Invigorator is freely taken, while Chloric yields readily to a few doses.

It must be known that all these are Liver diseases, or caused by deranged Liver, and to cure them needs a Liver medicine and one of great power. The Invigorator is such a medicine; it has medicinal powers, never before discovered, that will cure all diseases of the Liver, and restore the system to its normal condition on their form. The active medicinal virtues extracted from the gums used is such as to be astonishing to all who see their effects, for none can use the medicine without receiving benefit. It acts as a gentle Cathartic, and should always be taken in sufficient quantities to act on the bowels gently. The best way to take it is to take the medicine in the month, then take some water and swallow 10th together. In this way the medicine will be taken in the most beneficial manner. SANFORD & CO., Proprietors, 345 Broadway New York. Sold in Huntingdon by HENRY McMANIGLE, and John Reed. Feb. 10, 1858.—3m. March 25, 1857.—ly.
