IMPORTANT DISCOVERY. And all Diseases of the Lungs and Throat, ARE POSITIVELY CURABLE BY INHALATION. Which conveys the remedies to the cavities in direct through the air passages, and coming in direct contact with the diseased, neutralizes the tubercular matter, allays the cough, causes a free and easy expectoration, heals the lungs, purifies the blood, imparts renewed vitality to the nervous system, giving that tone and energy so indispensable to the restoration of health.

It is able to state confidently that Consumption, if curable by inhalation, is to me a source of unalloyed pleasure. It is as much under the control of medicine, treatment as any other formidable disease, and nearly all of every hundred cases can be cured in the first stages, and fifty per cent. in the second; but in the third stage it is

impossible to save more than five per cent., for the Lungs are so cut up by the disease as to bid defiance to medical skill. Even, however, in the last stages, Inhalation affords extraordinary relief to the suffering attendant, and finally, and only effectual remedy in the world for Gleets, Strictures, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Palpitation of the Heart, Dropsical Swelling, Primarily Disordered Stomach, Throat, Nose or Skin, and all those various and melancholy disorders arising from the destructive habits of Youth, which destroys both body and mind. These secret and solitary practices are more fatal to their victims than the song of the Sirens, or the mariner Ulysses, might their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

Young Men, especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents, and brilliant spirits, who might otherwise have embraced listening senators with the thunders of eloquence, or waked to ecstasy the living lyre, may call with all confidence.

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston. He who places himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Organic Weakness, immediately cured, and full vigor restored. This disease is the penalty most frequently paid for intemperance, or the result of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequence that may ensue.—Now, who that understands the subject will pretend to deny that the power of Procreation is impaired, and that the system is more debilitated than by the prudent. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms to mind and body arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of Consumption.

Office No. 7, South Frederick Street, second doors from Baltimore street, East side, up to the second story, in connection with the name and number, or you will mistake the place. A Cure warranted, in Two Days. NO MERCURY OR NAUSEOUS DRUGS.

Dr. Johnston, Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the first Hospitals of Europe, Paris, Philadelphia, &c., where, has effected some of the most astonishing cures that were ever known, many troubled with rigors in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and his badness, with constant blushing attended sometimes with derangement of mind, were cured immediately.

Certain Disease. When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it is too often happens that an ill-concealed, or disreputable discovery, deters him from applying to those who are of education and respectability, can alone befriend him, delaying till the constitutional symptoms of this loathsome disease mark their appearance, such as, sore throat, diseased nose, nocturnal pains in the head, loss of appetite, or sight, deafness, nodes on the shin bones, and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose are the victims of this awful disease, which comes a horrid object of commiseration, and death puts a period to his dreadful sufferings, by sending him to "that bonnie from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy, and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this loathsome disease.

It is melancholy fact that thousands fall victims to this horrid disease owing to the unskillfulness of ignorant pretenders, who by the use of that deadly poison Mercury, ruin the constitution, and either send the unfortunate sufferer to an untimely grave, or make the residue of his life miserable.

Take Particular Notice. Dr. J. addresses all those who have injured themselves by improper indulgences. These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Loins, Irritability of the Nervous System, Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.

MEXICO.—The fearful effects on the mind are much to be dreaded; Loss of courage, confusion of ideas, Depression of Spirit, Total Excess, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Persons of all ages, can now judge what is the cause of their declining health, Losing their vigor, becoming weak, pale and emaciated, having singular appearance about the eyes, tough and symptoms of consumption.

By Johnston's Invigorating Remedy for Organic Weakness. By this great and important remedy, weakness of the system is speedily cured, and full vigor restored. Thousands of the most debilitated and nervous, who had lost all hope, have been immediately relieved. All Impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.
