LETTERS of Administration on the estate of John Morningstar, late of Tod township, dec'd., having been granted to the undersigned, he hereby notifies all persons indebted to said estate to make immediate payment, and all those having claims will present the same duly authenticated for settlement.

PHILIPS GARNER, } Adm'r. JOHN BEAVER, } August 18, 58. 6t.

TOWN vs. COUNTRY.—We notice as the warm weather grows apace, the denizens of pent up cities seek the unbragous shades and sylvan scenes of the rural portions of the country; per contra the inhabitants of the country and dwellers among the enchanting scenery of nature, having a little leisure time, after gathering in the fruits of the earth, turn their attention chiefly, for recreation or business purposes.

To all such, perhaps no city in the union possesses so many charms as the City of Penn., with its many objects of beauty to avert. Its magnificent water-works, its Academy of Music, Academy of Natural Science, Art Unions, Picture Galleries, Parks, Cemeteries, etc.; and last, though not least, that link between the present and glorious past, that revered relic of the times that tried men's souls,—Old Independence Hall. All are objects of unusual interest to the intelligent visitor, after viewing which, a few minutes might be profitably spent in the Hair Dressing Saloons of George Thurgald, No. 29 South Sixth St., between Chestnut and Market, in admiring the light and beautiful "Gosamer Wig" and Toupee" of his make. George has also a "Liquid Hair Dye" which is rapidly spreading all over the market.

Yours truly, H. LEHRER. July 14, '88-4t.

THE SKIN.—Is formed with thousands of pores in every inch of surface whose office it is to carry off the impurities of the blood—the acknowledged cause of all diseases of mankind—when the skin is dry and parched—when it is covered with eruptions—when it is cold and clammy—when there is inward fever or inflammation—it is impossible for the skin under these circumstances to perform its proper functions and to carry off the impurities from the body as designated by our Creator.

Morse's Indian Root Pills remove these obstructions, and produce free and healthy blood, remove the eruptions from the skin, and cause it to brighten with the flush of youth and beauty. Beauty so much admired and loved, Beauty without paints and cosmetics—but beauty produced by health and happiness. Dr. M.'s Indian Root Pills are sold by all Dealers in medicines.

WOOD'S HAIR RESTORATIVE.—For the year past we have been advertising the above named Hair Restorative, and month by month its sale has gradually increased, until it now commands a more ready sale than any other article of its kind, giving in almost every instance entire satisfaction.

A clergyman, resident in a neighboring town, who had for years suffered with a burning sensation in the head, with an occasionally dry, itching humor, which prematurely turned the hair gray, and latterly causing it to come off rapidly, leaving the crown bare almost, seeing the advertisement of the article, was induced to try it, and now, after the use of two bottles only, his hair has turned quite dark and is very soft, the scalp clean, and the recently bald spot covered with a beautiful growth of silky dark hair, the sight of which, with his commendation of the Restorative, will command an increased sale. We would state to any who may wish to know, that we are permitted privately, to give the name of the individual to whose case we refer.

A clergyman, resident in a neighboring town, who had for years suffered with a burning sensation in the head, with an occasionally dry, itching humor, which prematurely turned the hair gray, and latterly causing it to come off rapidly, leaving the crown bare almost, seeing the advertisement of the article, was induced to try it, and now, after the use of two bottles only, his hair has turned quite dark and is very soft, the scalp clean, and the recently bald spot covered with a beautiful growth of silky dark hair, the sight of which, with his commendation of the Restorative, will command an increased sale. We would state to any who may wish to know, that we are permitted privately, to give the name of the individual to whose case we refer.
