

SUFFERING HUMANITY READ THIS!

The undersigned takes this method of informing the public generally that there is no medicine now offered to the public that is equal to DU VALL'S GALVANIC OIL in relieving suffering humanity.

I was an observer of its effects in a friend of mine, who suffered almost everything from a rheumatic affection, resisted the best medical treatment in Centre county. We applied freely the Galvanic Oil to the painful part, and gave some inwardly, and in 20 minutes the patient was asleep, and when awakened free from pain, and continued so. This is a positive fact which I am willing to make good at any time.

A case of PLEURISY was cured in nearly the same length of time.

Dear Sir—Mr. Wm. TERBAUGH, who has been suffering several years from rheumatism, got so ill that his friends and relatives were summoned to witness his death.

It is not only the case where the Galvanic Oil has surpassed human expectation. In every case where I have recommended the Oil, it has done what it promises to do. Send us another \$20's worth.

Yours truly, H. LEHER, Aug. 18, 1858-1y.

TOWN VS. COUNTRY.—We notice as the warm weather grows apace, the denizens of pent up cities seek the unbragous shades and sylvan scenes of the rural portions of the country; per contra the inhabitants of the country and dwellers among the enchanting scenery of nature, having a little leisure time, after gathering in the fruits of the earth, turn their attention cityward, for recreation or business purposes.

To each, perhaps no city in the Union possesses so many charms as the City of Penn., with its many objects of beauty and art. Its magnificent water-works, its Academy of Music, Academy of Natural Science, Art Unions, Picture Galleries, Parks, Cemeteries, etc., and last, though not least, that link between the present and glorious past, that revered relic of the times that tried men's souls.—Old Independence Hall. All are objects of unusual interest to the intelligent visitor, after viewing which, a few minutes might be profitably spent in the Hair Dressing Salon of George Thurgald, No. 29 South Sixth St., between Chestnut and Market, in admiring the light and beautiful "Gossamer Wig" and "Toupee" of his make, George has also a "Liquid Hair Dye" which is rapidly spreading all over in the market.

NEW ADVERTISEMENTS.

A CARD FROM

DR. JAMES M. JARRET,

OF THE NEW YORK LUNG INFIRMARY.

My connection for the past eight years with the above Institution, as Chief Physician, and a twelve years course of steady devotion to the Cure of Pulmonary Consumption and its kindred diseases, together with my unrivalled opportunities and advantage of pathological research—aided not a little by a perfect system of Medical Inhalation—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive and radical cure of all disease of the Throat, Lungs, and Air-Passages. By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, but the exclusion of general treatment, and although I consider it a useful adjunct in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both general and local treatment. The success of my treatment in the above disease, and the high character of the institution over which I have so long and laboriously presided, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, and after due consideration, I have concluded to make such arrangements as will bring the benefits of my experience and treatment within the reach of all, and not confine myself, as heretofore, to those only who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that I can now be consulted personally or by letter, on all diseases as above, and that the medicines, the same as used in the Institution, prepared to suit each individual case, including Vapors, Medical Inhalation, &c., will be forwarded by express to any part of the United States or the Canadas. Terms.—My terms of treatment by letter are as follows, viz: \$12 per month for each patient, which will include medicine sufficient for one month's use; also, Inhalation Vapor, and an Inhalation Apparatus. Payments as follows: \$5 to be paid by Express Agent on receipt of the box of Medicines, and the balance \$7, at the expiration of the month, if the patient be cured or is satisfied with the treatment. Patients by giving a full history of their cases, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely upon immediate relief, and a cure, as seldom has to treat a case over thirty days. Letters of advice promptly answered. For further particulars address

JAMES M. JARRETT, M.D., No. 820 Broadway, cor. Twelfth St., N. Y. P.S.—Physicians and others visiting the city are respectfully invited to call at the Infirmary, where the most interesting cases can be witnessed, and where our improved apparatus for the inhalation of medicated vapor can be seen and inspected.

THE SKIN—Is formed with thousands of pores in every inch of surface whose office it is to carry off the impurities of the blood—the acknowledged cause of all diseases of mankind—when the skin is dry and parched—when it is covered with eruptions—when it is cold and clammy—when there is inward fever or inflammation—it is impossible for the skin under these circumstances to perform its proper functions and to carry off the impurities from the body as designated by our Creator.

Morse's Indian Root Pills remove these obstructions, and produce free and healthy blood, remove the eruptions from the skin, and cause it to brighten with the flush of youth and beauty. Beauty so much admired and loved, Beauty without paints and cosmetics—but beauty produced by health and happiness. Dr. M.'s Indian Root Pills are sold by all Dealers in medicines.

WOOD'S HAIR RESTORATIVE.—For the year past we have been advertising the above named Hair Restorative, and month by month its sale has gradually increased, until it now commands a more ready sale than any other article of its kind, giving in almost every instance entire satisfaction. A clergyman, resident in a neighboring town, who had for years suffered with a boring sensation in the head, with an occasionally dry, itching humor, which prematurely turned the hair gray, and latterly causing it to come off rapidly, leaving the crown bare almost, seeing the advertisement of the article was induced to try it, and now, after the use of two bottles only, his hair has turned quite dark and is very soft, the scalp clean, and the recently bald spot covered with a beautiful growth of silky dark hair, the sight of which, with his commendation of the Restorative, will command an increased sale. We would state to any who may wish to know, that we are permitted privately, to give the name of the individual to whose case we refer.

SCIENTIFIC AMERICAN.

PROUDUCING HAIR RESTORATIVE, AND RESORING Grey Hair to its Natural Color.

The astonishing and unequalled preparation has never failed to produce a growth on Bald Heads, when used according to the direction, and turn hair back to its original color, after having become gray, and reinitiate it in its original health, vigor, softness and beauty, as at once all scurf, dandruff and unpleasant itching, scrofula, eruptions and feverish heat from the scalp. It also prevents the hair from becoming unhealthily and falling off, and hence acts as a perfect HAIR INVIGORATOR AND TONIC.

A gentleman of Boston writes to his friend in New Bedford thus:

"To your inquiries I would reply, that when I first commenced to use Professor Wood's Hair Restorative, I had almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose, and pulled out very freely; but I found that before I had used all the second bottle, (which was eight weeks) my hair was entirely changed to a more of severity. My hair has now become as thick as ever, and has come out all. I have proved in my case all that I could wish to ask.

July 1, 1855. Yours, etc,

(From the Boston Herald.)

SOMETHING WORTH KNOWING.—By using Professor Wood's Hair Restorative, gray hair can be permanently restored to its original color. The subject certificate from Johnson & Stone Gardiner, Maine, is but one of the many instances that are daily coming to our knowledge, of its wonderful effects.

DEAR SIR—I have used two bottles of Prof. Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was afflicted with Southern and Western money, or Postage stamps, taken on subscriptions.
