DOUGLASS & SHERWOODS' Patent Extension Skirts, for sale only by Prishing & McMurrie.

Antiphlogistic Salt.
This celebrated medicine is for sale at the Journal Office. For all inflammatory diseases it is a certain cure. Get a bex and try it, ye who are affitted.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free

pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrolidous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, fith and fifthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditery in the constitution, descending "from parents to hildren unto the third and fourth generation;" indeed, it seems to be the red of lim who says, "I will visit the iniquities of the fathers upon their children."

Its effects commerce by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, cruptions or sores. This foul corruption, which genders in the blood, depressed the energies of life, so that scrotilous constitutions not only suffer from scrofulous complaints, but they have far loss power to without the state of the consumption of the search of the consumption of the constitution of the constitution of the consumption of the

Compound Extract of Sarsaparilla,

Compound Extract of Sarsaparilla, the most effectual remedy which the medical skill of our times can devise for this everywhere promiting and fatal maindy. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the eystem from its destructive consequences, thence it should be employed for the cure of not only cerefula, but also these other affections which arise from it, such as Bentryian and Saix Dibbasars, Sr. Anthony's Ping, Rose, or Environments, Bentries, Bentries

This Institution, formerly an Academy for young gentlemen alone, has been carried on successfully for the last year as a male and emale Institute. It will in future be carried on as a school for both sexes. Those completing the regular course of study pursued in the Institution will be entitled to Diplomas.

COMMERCIAL DEPARTMENT.

The course of study in this Department is such as to give thorough instruction in Single and Double Entry Book-keeping, Mercantile Calculations, Pennanship, &c.

Students can take up this braach of study either in connection with other studies, or devote their whole time to it alone. Each student receives separate instruction.

The Principal can assure parents and guardians that they cannot send to a school where their children will be less exposed to temptation. No one will be received whose moral character is bad; immorality will be a sure cause for dismissal. For further particulars address W. H. WOODS, Shade Gar, Huntingdon county, Pa. Oct.13,58,4t.
