SUFFERING HUMANITY READ THIS: The undersigned takes this Method of infor-ming the public generally that there is no med-deine now offered to the piblic that is equal to DU VALL'S GALVANIC OIL in relieveing

SALLY SALLY ANIC OIL in relieveing suffering humanity.

I was un observer of its effects in a from a nruralgic affection which resisted the best medical treatment in Centre county. We applied freely the Galvanic Oil to the painful part, and gave some inwardly, and in 29 minutes the patient was asleep, and when awaked was free freerom pain, and contieds so.—This is a positive fact which I am willing to make good at any time. A case of Fatlow was cured in nearly the same lought of time.

J. H. HAHN, Centre Hill.

Aug. 18 1858—1y. Centre county.

Oct.13,758

A E A B D FROM DR. JARRET, OF THE NEW YORK LUNG INFIRMARY. My connection for the past circh tyears with the above Institution, as Cheif Physician, and a twelve years' course of steady devotion to the Cure of Palmonary Consumption and its kindred diseases, together with my univalled opportunities and advanrage of pathological rest tree and advanrage of pathological rest free tree and device and successful course of Hundaltion—Has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive and radical cure of all diseases of the Phroat, Lungs, and Air Passages. By Inhilation, the vapor and curative properties of medicines are directly addessed to the diseased organs and the integrant treatment, and although I consider it a useful adjuvant in the proper management of those fear-ful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both general and local treatment. The success of my treatment in the above diseased, and the bigh character of the Institution over which I have so long had the houn to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through.

Town vs Country.—Ws notice as the warm weather grows space, the denizens of pent up cities seek the unbrageous slades and sylvan seenes of the rural portions of the country per contra the in habitants of the country and dwellers among the enchanting scenery of nature, having a little leisure time, after gathering in the fruits of the earth, turn their attention city ward, for recreation or business purposes. To all such, perhaps no city in the union possesses so many charms as the City of 'Jenn, with its many objects of beau ty andart, Its magnificent water-works, its Academy of Music, Academy of Natural Science. Art Unions, Picture Galleries, Parks, Cemeteries, etc.; and last, though not least, that link between the present and glorious past, that revered relic of the "times that tried men's souts,"—Old Independence Hall. All are objects of unu sual interest to the intelligent visitor, afte viewing which, a few minutes might be
