THE GREAT BEAUTIFIER

So long unsuccessfully sought,
FOUND AT LAST!

It restores permanently gray hair to its
original color, cures itching and all scrofulous
eruptions, and all eruptions; makes the
hair soft, healthy, and glossy; and will preserve
it in any remarkable degree, as if by magic,
from falling out, and from the effects of
poisonous and nervous head aches. See circular
and the following.

Dover, N. H., Feb. 24, 1857.

DR. J. J. WOOD & CO.—Gentle: Within
a few days we have received no fewer
orders and orders for Dr. J. J. Wood's Hair Restor-
ative, that to-day we were compelled to send
to Boston for a quantity. (One dozen you
forwarded all being sold.) We might order a
quantity from any of the large cities, and
send you the proceeds, but for our customers,
and the approbation, and patronage it receives
from the most substantial and wealthy citizens
of our country, fully convinced that it is a
WIGLEY'S HAIR RESTORATIVE.

As a hair restorative, it is a
WIGLEY'S HAIR RESTORATIVE. It cures all
cases of dandruff, itching, and all scrofulous
eruptions, and all eruptions; makes the
hair soft, healthy, and glossy; and will preserve
it in any remarkable degree, as if by magic,

THE LIVER INVIGORATOR!

PREPARED BY DR. SANFORD.
Compounded entirely of Gums.

It is one of the best purgative and liver medi-
cines now before the public, that acts as a Cathar-
tic, emetic, milder, and more effectual than any
other of most Cathartics. It strengthens the system, and
restores the liver to its normal state, and when taken
the Liver to eject its morbid, then on the stomach
and bowels to carry off that matter, thus accom-
plishing two purposes effectually, without any of
the painful feelings experienced in the operation
of most Cathartics. It strengthens the system, and
