

Huntingdon Journal.

WM. BREWSTER, Editor and Proprietor.

Wednesday Morning, January 19, 1859

Ever since the dirty sheet now owned by the Nashes was first called "American," it has been a most vile and abusive concern, except for a few months immediately before it came under its present ownership.

The readers of the Journal will bear me witness that I have seldom noticed their scurrility. To this general forbearance and silence I was prompted by my own feelings of respect no less than by the advice of friends.

MEETING OF THE LEGISLATURE.

The following was prepared for our last issue but owing to the great length of the Governor's message, it was crowded out.

From Crosswell, Democrat, of Blair county, was chosen Speaker, receiving 17 votes to 16 cast for Glen W. Scofield, Opposition.

Mr. John M. Guthrie returned from Salt Lake City a few days since, and gave the Weekly Plate Argus the following account of the horrible sufferings which he and his companions endured from the cold weather on the plains and in the mountains:

Mr. Guthrie left Salt Lake City on the 27th of November, with the mail on packed animals, in company with G. A. Beard, of New York. It had been snowing for seven or eight days before Mr. Guthrie left the valley.

Thursday, Jan. 13.—In the Senate Mr. Schell, of Somerset, from the Committee on Banks, reported a bill to prohibit the circulation of bank notes of a less denomination than twenty dollars.

The public will take notice that Sam'l. Smith has removed his Drug and Grocery Store to the house formerly occupied by Peter Swoope, one door East of Mr. Graffius' Tin shop.

Messrs Wigton & Schell have our thanks for early copies of the Governor's Message and other documents. The above acknowledgement should have appeared in our last, but was forgot by the compositor.

We have for some time past been using the Razor Powder manufactured and sold by Mr. David McConahy, who will have a quantity for sale at the Court House during every term of Court.

Peterson's Magazine.—This ever welcome visitor has made its appearance for February. It is one of the best two dollars Magazine that we receive, and by clubbing with the Huntingdon Journal, you can get it for less.—See our clubbing list.

Lady's Book.—Godey's Lady's Book for the month of February is now on our table. It is replete with every thing to please—even the most fastidious.

SUPPRESSING LOTTERIES.—The House of Representatives of Georgia have unanimously passed a bill repealing all laws which authorized lotteries in that State, and prescribing certain penalties for all schemes and sale of tickets after the 1st of June, 1860.

The House of Representatives of Georgia have unanimously passed a bill repealing all laws which authorized lotteries in that State, and prescribing certain penalties for all schemes and sale of tickets after the 1st of June, 1860.

SLIGHTLY SALT.—The State Sentinel, recently established in Harrisburg as the organ of the State Administration, alludes in the following "salt and pepper" style to Buchanan and his adherents:—"Indications warrant the belief that Mr. Buchanan and his Lemcopton policy will speedily be buried together, with none to mourn for him save a few traitorous fellows who would sell their party, and with it their country, for some petty dollar-a-day office."

Wm. E. Frazer, the American Republican Canal Commissioner elected last Fall, was sworn into office during the forepart of last week. Mr. Plumer is the retiring member. We look for the abolition of the Board at an early day.

SOMETHING FOR THE CURIOUS.—A short time ago, Mr. Isaac Clark, of Napier's Town, were found over 160 nails and tacks of different sizes and kinds—the points of some as sharp as needles—also a piece of iron hoop, about 3 inches in length.

Uniform Bank Notes. The Germantown Telegraph urges upon the Legislature and banking institutions, the necessity of a law requiring uniform bank notes for all the banks of the commonwealth, and adds that the different notes under such a system, will be so few and so well executed, and their general appearance become so familiar to the masses of the people, that it would be next to impossible they could successfully counterfeit.

Wild Cat Killed by a Boy. A son of Mr. John Shoup, aged 14 years, residing in Bullskin township, was out in the woods near his father's house one day last week, when hearing his dog making a noise as though he had "treed" something, betook himself to the spot, and succeeded in bringing the animal down by throwing stones, which he had no sooner done, than the dog attacked it with a severe struggle ensued, but the boy coming to the dog's assistance with club in hand, succeeded in despatching the animal. The boy did not know what it was, and throwing it on his shoulder he took it home when he found that it was a Wild Cat nearly full grown.—Connellsville Enterprise.

XXXVTH CONGRESS. In Congress yesterday the SENATE voted down the amendments of Mr. Bigler and Mr. Wilson to the Pacific Railroad bill. Numerous other amendments were offered. One by Mr. Doolittle, which provides for the submission to Congress of any contract made by the President for the construction of the road, was adopted.

Horrible Suffering Up in the Plains.—Ten of Majors and Russell's Men Frozen to Death at One Time.—Nine Mules Frozen in One Night.

Mr. John M. Guthrie returned from Salt Lake City a few days since, and gave the Weekly Plate Argus the following account of the horrible sufferings which he and his companions endured from the cold weather on the plains and in the mountains:

Mr. Guthrie left Salt Lake City on the 27th of November, with the mail on packed animals, in company with G. A. Beard, of New York. It had been snowing for seven or eight days before Mr. Guthrie left the valley.

The Pennsylvania Legislature was not in session on Saturday; both houses having adjourned over until Monday, to allow time for the Speakers to appoint the standing committees. In the House, it is said, Chase will be chairman of the Committee of Ways and Means, McClure chairman of the Committee on the Judiciary, Church chairman of the Committee on Corporations, and Walboro chairman on the Committee on Railroads.

STATE TREASURER.—Hon. ELI SIFER, Republican, of Union County, was yesterday elected State Treasurer by the joint vote of the two houses of the Legislature. Mr. SIFER occupied the same position two years ago, and made a faithful and creditable officer. His election is alike honorable to himself and to the majority which selected him.

Thursday, Jan. 13.—In the Senate Mr. Schell, of Somerset, from the Committee on Banks, reported a bill to prohibit the circulation of bank notes of a less denomination than twenty dollars. One or two other bills of little consequence were also introduced.—In the House, a number of unimportant bills were reported, and a select committee appointed to try the contested election case of T. H. Porter of Cambria county.

They then turned and went back 28 miles to Big Sandy. The next day the wind ceased, and they started in company with Mr. Ashton, the mail agent. They reached the South Pass at dark.

Here the wind raised again; the snow being drifted from five to ten feet deep, and they again became lost—for three or four hours they wandered round in hopes to find the road, and their only hopes was to face the wind in order to reach the Sweet Water, which they did. They then attempted to travel down this stream, but the drifted snow was so deep as to be impassable. They camped, and Mr. Ashton froze one of his feet while in bed.

In the morning they left mules, mail and all, and took it afoot down Sweet Water on the ice. Mr. Ashton begged to be left in the bed, as they had to cut the boots off of his feet. Mr. G pulled off his buffalo moccasins and put them on Mr. Ashton—leaving his feet with only a deer skin moccasin on. The whole company concluded their time was growing short, but like heroes, made a desperate effort—part of the time carrying Mr. Ashton. They reached a station about ten miles distant. They then had some hopes of making the trip, although the thermometer stood twenty-seven degrees below zero.

Mr. Sanders, the surveyor on the new road south of Laramie, had Mr. Miller stationed at this place with a barometer and thermometer, in order to take notes of the weather. The oldest mountaineers, one in particular who lives close by the station, states that it was the coldest weather they had experienced for thirty years.

They left Mr. Ashton after lying over three or four days. While here the St. Joseph mail arrived.—Mr. Gravis, the Indian agent for the Snakes, coming through with it. There had nine mules frozen a round their camp fire, some within two feet of the fire. The men had all their hands and feet frozen, and lay four days within eight miles of the station, unable to get in. Here Majors and Russell had ten men frozen to death. They attempted to follow the train, and became lost and froze. While here the Salt Lake Mail, of December 4th, overtook Mr. G., and having no men to send with the mail, Mr. G. took charge of it and brought it to Laramie, where he met an agent having men. Mr. G. took the coach with four other passengers; below Laramie they had but little snow, and the roads were good the most of the time. They found men at almost every station on the road frozen. They met Mr. Hoekaday at Cotton Wood Springs on his way up with mules to supply the mail station. From here the roads became muddy and crooked, and in some places the company refused Mr. Guthrie his passage money at St. Joseph, on account of his attention to Mr. Ashton, the agent, the hands, and for taking charge of the mail, and bringing it through from South Pass to Laramie himself.

The Germantown Telegraph urges upon the Legislature and banking institutions, the necessity of a law requiring uniform bank notes for all the banks of the commonwealth, and adds that the different notes under such a system, will be so few and so well executed, and their general appearance become so familiar to the masses of the people, that it would be next to impossible they could successfully counterfeit.

Proceedings of the Teachers' Institute. Held at Huntingdon, Dec. 27, 28 and 29th, 1858.

The meeting organized at 2 o'clock, P. M. by selecting J. M. Stone-braker, President, pro tem., and G. E. Ewing, Secretary. The County Superintendent addressed the meeting, stated the efforts he had made to engage the co-operation of teachers, and hoped the members would approve his efforts, which had no other object than the success of the Institute.

The President, J. M. Stone-braker, approved the holding of institutes, but advised that this should not claim to be the Huntingdon County Institute.

Mr. Owen said he was indifferent to the name—his only wish was for the success of it, without discord. He wished the teachers to decide the matter for themselves, but would suggest that there be no further discussion until a full meeting be had—which was expected to-morrow.

Mr. Pletcher thought all that was necessary now, was a proper feeling on the subject—he came to be benefited, and hoped for a profitable time during the session.

Messrs. Clabaugh, Koogh, Flenner and others agreed with the last speaker, and desired the success of our Institute.

Mr. Lytle thought it necessary to have a permanent organization, with a definite understanding, and would therefore offer the following resolution.

Resolved, That this is a meeting of the Huntingdon County Teachers' Association. The resolution passed unanimously.

On motion, it was resolved that an Executive Committee be appointed to prepare the business of the Institute for its future sessions.

The chair appointed Albert Owen, John Lytle, Milton Sangaree, Mrs. Peck, and Miss E. Glazier.

Prof. E. J. Osborne addressed the Institute while the Committee were in conference. Looking backward he could see a marked progress. Things now look much better—still there were obstacles in the way. He would cheer the teachers on to efforts for improvement.

The Chairman of the Executive Committee reported the following subject for a general, free and voluntary discussion, viz: "The Means for establishing system in school, and interesting scholars in a successful course of study."

The subject was freely discussed by the members. On motion, the Institute adjourned to 6 1/2 o'clock.

EDUCATIONAL.

HUNTINGDON, Jan 14th, 1859

Editor of the Journal:—I enclose I send you the proceedings of the Teachers' Institute recently held in this place. A part of the proceedings were lost and could not be found in time for furnishing you with a copy last week, and no neglect was intended for not furnishing you with a copy as early as the Globe office.

Yours, respectfully, ALBERT OWEN.
