

POPULAR SONG.

I HAVE NO MOTHER NOW.

I hear the soft wind sighing, Through every bush and tree, Where my dear mother's lying, Away from love and me. Tears from my eyes are starting, And sorrow shades my brow, Oh I weary was our parting, I have no mother now.

The Pope Coming. It has been surmised, both in Europe and the United States, that the Pope might be so embarrassed, if not endangered among his friends in Italy, that he might be constrained to make our country his place of refuge.

MILWAUKEE, May 7, 1859. To Pius Esquire, in Rome.—With deep emotion I have read in the papers that you are about to move, for the reason that the times are becoming daily worse and worse in the States of the Church, and the Italians no longer have any affection for you.

SUFFERING HUMANITY READ THIS! The undersigned takes this Method of informing the public generally that there is no medicine more effectual to the relief of suffering humanity, than the GALVANIC OIL in relieving suffering humanity.

I was an observer of its effects in a friend of mine, who suffered almost everything from a neuralgia affection which resisted the best medical treatment in this county. We applied the Galvanic Oil to the painful part, and gave some inwardly, and in 20 minutes the patient was asleep, and when awoke was free from pain, and continued so. This is a positive fact, and I am willing to make good at any time. A case of Tetan was cured in nearly the same length of time. J. H. HAIN, Centre Hill, Aug. 18 1858-ly.

HUNTINGDON WARM SPRINGS. The Warm Springs at the base of Warrier's Ridge, five miles north of Huntingdon, overlooking Sanding Stone Creek, and enclosed by romantic hills and woodlands, have been leased by the former proprietor of the Leamer House. The extensive Hotel buildings, both here and at the Springs, have been purchased by Mr. Wilson, have been completed—and the groves have been beautifully laid out and adorned. The Hotel parlors and chambers airy and comfortably furnished; and the prospect, from the verandas for beauty, cannot be excelled.

For half a century, these Springs have been celebrated for their medicinal qualities, and the great nature of the waters in rheumatic and chronic affections. The temperature of the water being 62 degrees, renders the bathing delightful and invigorating. In the surrounding woods and mountains, game abounds, and the finest fish are caught in Stone Creek. Persons in pursuit of health or leisure, will find this a most delightful and healthful retreat, and its nearness to the Pennsylvania Railroad, and the cheapness of the rates charged guests, give it a decided advantage over any other watering place in the State.

The proprietor has had years of experience in the business and no pains or trouble will be spared to make guests comfortable. Hacks run from Huntingdon to Warm Springs on the arrival of the different Railroad trains—fare 25 cents. Families accommodated at moderate terms. JOHN R. HERD, Proprietor. DAVID McCREARY, Sworn and subscribed, this 31st day of August, A. D. 1858, before me, one of the Justices of the Peace in and for the Borough of Hollidaysburg, Blair County, Pa. Witness—U. J. JONES. JOHN GOBLEY.

NEW EVIDENCE. Being afflicted with a venereal Tetter on the arms and face—after trying many remedies which utterly failed to cure—I was persuaded by W. M. Harris & Co. to try Lindley's Improved Blood Searcher; and now, six-weeks after finishing the second bottle, pronounce myself cured.

The tetter broke out, something over a year ago, on the inside of my arms, extending from the elbows down to the wrists; also on my face, immediately round the mouth and chin, and continued to be a perfect torment to me, until cured by the Blood Searcher. My arms, at times, were almost useless, owing to the cracks and sores on them, liable to bleed at any time on the slightest touch. I could not work, and sometimes so itchy that I could not rest. I had been treated by my physician, but he had cured six weeks and had not cured me. I had now been cured six weeks and had not cured me. I had now been cured six weeks and had not cured me.

THE GREAT PURIFIER.

THE WORLD CHALLENGED TO PRODUCE ITS EQUAL.

THE BLOOD SEARCHER. Sworn statement of David McCreary, of Napier Township, Bedford County. In April, 1856, as near as I can remember a small simple made as appearance on my upper lip, which soon became enlarged and sore. I used poultices of starch, and a wash of blue-vitrol, without effect. Finding the sore extending I called on Dr. Ely, of Schellburg, who pronounced it CANCER, and prescribed a wash of sugar of lead, which I used. Finding these remedies of no avail, I called on Dr. Shaffer, of Lewisville, Somerset county, who also pronounced the disease CANCER and gave me internal and external remedies—the latter consisting principally of caustic but all to no purpose, as the disease continued spreading toward the nose. I next used a preparation of arsenic, in the form of salve. This for a time checked the disease, but the inflammation soon increased. I next called upon Dr. Stiller of St. Clairsville, Bedford county, who also pronounced the disease to be CANCER, and applied a Salve said to be a never-failing remedy, but it had no effect whatever in checking the spread of the sore. In December, of the same year, the disease had eaten its way to the bridge of my upper lip, and had attacked the nose, when I went to Cincinnati where I consulted Dr. R. S. Newton of the Electric Medical College. He pronounced the disease "a cutaneous Cancer, superinduced by an impure blood, and a cure was proposed by the use of a certain remedy, which he gave me. I checked the disease, but when I went home there were still three discharging ulcers upon my face. I continued using Newton's preparations, and also medicine that I got from Dr. Ely, but the Cancer continued growing until it had eaten off the left side of my nose. I used a fourth bottle and I have been healthier since than I have been for the last seven years. Although my face is sadly disfigured, I am still grateful to a kind Providence, which has spared my life, and which has been done through the instrumentality of LINDLEY'S IMPROVED BLOOD SEARCHER. DAVID McCREARY.
