LOCAL INTELLIGENCE.

WHAT WE SEE AND HEAR.—The soldier that was wounded at Camp Juniata, has since died. On Monday, death relieved him of his sufferings but leaves a wife and two children to mourn the loss of a kind husband and a much beloved father.

WE LEARN from some of our exchanges, that there was a grand time at Camp Logan, last week. The encampments held in our neighboring counties has stirred up a military spirit in the breasts of some of our townsmen, and we hear some talk of an effort being made to form a company at this place.

WE see no cause why we cannot have as good a company here as persons elsewhere; and advise those engaged to "give the stone another roll."

THE String Band have again been out visiting their neighbors—daughters. We are sorry that they are still minus a bass fiddler, although they have a splendid instrument.

KINNEY Buys will please accept our thanks for some fine rambo apples which we received.

THE work at the new house of Mr. Wm. McMurtrie goes bravely on. Bacchus still reigns triumphant in our streets on nights. A new bridge is being erected across the race near the hotel of P. McAteer.

THIS is Fair week, but owing to the earliness at which we go to press that we may meet the mails we are unable to say anything concerning the proceedings.

SOME FOX—to walk two miles to see a lady and find her—not at home! A new store has been opened opposite our office.

SEE the advertisements of Fisher & McMurtrie, and of James A. Brown. A slight rumour among the "wimmen folks," down street, ensued a few nights ago. Shame! A man peddling medicines tried to imitate Prof. Gardner, in our streets on Saturday night last. Whether he took in the quarters in like manner we are unable to say.

ORDINATION.—The exercises connected with the ordination and installation of Rev. W. Kidder as pastor of the Baptist congregation in this place, will, by Divine permission, take place, in the Baptist Church on Friday, 7th prox., commencing at 10 o'clock, A. M.

The exercises will be delivered by Rev. G. W. Young, Pastor of the Logan Valley, Blair Co., Baptist Church, and the pastoral charge by Rev. Ira R. Stewart, of the Baptist Mariners Church, New York; who it is expected will preach in the Baptist Church, on Thursday evening previous to the Services above named. The public generally are invited to attend. By order and in behalf of the Church, R. McDevitt, Ch. Clerk.

THE HARRISBURG TELEGRAPH.—The editor of the Telegraph, has improved the appearance of his paper, by bringing it out in a full suit or new dress. We congratulate the editor on this evidence of prosperity. The Telegraph, is among the most high-toned, moral and conservative journals in the State.

WE invite particular attention to the Advertisement of sale of Hotel Furniture of W. P. Schell, at Coalmont, on next Friday. The advertisement will be found in another column.

PICTURES.—Our fellow townsman J. G. Camp is in town. Those wishing a good picture would do well, to give him a call.

LIFE-LIKE PICTURES.—Any person wanting a good likeness will please call at the Sky-light gallery of W. E. Thomas, at the Fair ground.

After looking around a little while we were forced to conclude that locals were "scarcer nor hen teeth." We hope to be able to give our local columns more attention in future.

OUR BOOK TABLE.—The Atlantic Monthly is on our table; filled as usual with the richest productions. This splendid work can be had by sending \$3 to Phillips, Sampson & Co., Boston Mass.

KENNEDY'S BANK NOTE REVIEW.—This is "one of the most reliable Detectors of the age, being corrected by the celebrated Bankers, Drexel & Co., Philadelphia; and by Gillmore & Brotherton, of Cincinnati. Send \$1 to J. W. Kennedy, Pittsburg, Pa., and have it sent to you one year.

MARRIED.—On Tuesday, September 27th, at his office in the Borough of Huntingdon, by David Snares, Esq., Mr. Levi Metzgar to Miss Terrisa Winters, both of Williamsburg, Blair Co.

Local Correspondence. SPRUCE CREEK, Oct. 1, 1859. MR. EDITOR.—Some one whom we presume has been investigating his own resources, and who feels fully competent for the task, has for several weeks been illuminating the malicious columns of the Union by spitting out his spleen against the candidates of the People's county ticket.

Pope wrote: "An honest man is the noblest work of God." The standard of honesty, here raised by the Poet would be by any means answer for this promising author, "Seth." He included pu pose, word and action, in all things, and under all circumstances, and at all times, the honesty of this honest man must raise him above the power of every temptation, and enable him to obey strictly, to the letter, the laws of integrity, that come from the hands of the great Jehovah—a man whose every motive and action will pass the scrutiny of Omnipotence, unscattered and approved.

Such a man would not convert the newspaper, or umbrella of another, to his own use, such a man would not borrow twenty-five cents to pay a whiskey bill—then, when asked for it, refuse to pay it. Such a man would not buy a bushel of oats to feed a borrowed horse, then after the oats are fed, refuse to pay because he cannot see how he realized any benefit therefrom.

If there is anything veiled in mystery let me direct you to "Seth," he is more than willing to elucidate. But the cause which has prompted "Seth" to action is both selfish and dishonest. Let us take a retrospective view of his political actions, since the beginning of Know Nothingism. We will find him ever active in the support of Sam, and his ticket an American all over; but let us look again and you will see that he has always had some personal interest at stake—some friend, or some near relative a candidate on the ticket, but unfortunately for "Seth" they have always been defeated.

Full of hopes of future success, he has stuck to the ticket until the present campaign, when his hopes were ever thrown. He now discards his American principles and seeks a panacea for his wounded spirit in the Democratic ranks.

"Seth," don't you perceive that your course looks selfish? If the pedagogue, alias "Seth" don't draw in his horns I will be forced to tell what would thing befell him up the railroad, no. long since, which making love to his Dulcinea under Esculapius Verandah! STUDENT.

Medical Possibilities. For a long time a certain class of diseases have baffled the skill and practice of the most eminent members of the regular medical faculty. Foremost among those we might instance epilepsy or falling fits. Happily now by the skill and inventive genius of an eminent chemist of Baltimore, this disease has been brought within the means of a cure.

We allude to the preparation called the Vegetable Extract Epileptic Pills, invented and prepared by Dr. Seth S. Hance, of 108 Baltimore street, Baltimore, Md. Since their discovery who had given up all hope of ever being cured, have been restored to the full enjoyment of health. Prominent among these we might mention the Hon. Harrison Lightfoot of Huntville, Ala.—Mr. L. has suffered so much from Epilepsy, as any other person in the world; never knowing what it was to pass a week without having an attack, and often in the streets of Huntville. He is now fully restored and has not had an attack for more than a year.

Dr. Hance's Pills have been the cure cause of the cure. These pills also cure all indications of Fits, Spasms, Cramps, &c., and are very serviceable for persons of weak nerves. Dr. Hance, sends them to any part of the country on the receipt of a remittance. Price one box, \$3; two, \$5; twelve \$24. Address Seth S. Hance, 108 Baltimore street, Baltimore, Md.

Any of our readers afflicted with Scrofula or Scrofulous complaints, will do well to read the remarks in our advertising columns respecting it. But little of the nature of this disorder has been known by the people, and the clear exposition of it, there given, will prove acceptable and useful. We have long admired the searching and able manner in which Dr. Ayer treats every subject he touches; what ever has his attention at all, has a great deal of it, he masters what he undertakes, and no one who has a particle of feeling for his afflicted fellow man, can look with indifference upon his labors for the sick. Read what he says of Scrofula, and see in how clear a manner he so clearly he tells us more than we have all known of this insidious and fatal malady.—Sun.

DR. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS. WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz: THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms. THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.
