CELEBRATED

VERMIFUGE

LIVER PILLS.

WE beg leave to call the atten-tion of the Trade, and mor-especially the Physicians of the country, to two of the most popu-lar remedies now before the public. We refer to Dr Chas M'Lano's Celebrated

Vermifuge and Liver Pills.

We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.: THE VERMIFUGE,

THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satis-factory results to various Animals subject to Worms. THE LIVER PILLS, For the sure of LIVER COMPLEXED

THE DIVER PILLS, For the cure of Liver COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of FEVER AND AGUE,

rever AND AGUE, preparatory to or after taking Qui-nine, they almost invariably make a speedy and permanent cure. As specifics for the above men-tioned diseases, they are Unrivaled, and never known to fail when ad-ministered in accordance with the directione

directions. Their unprecedented popularity has induced the proprietors,

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS, PITTSBURGH, PA. to dispose of their Drug business, in which they have been success-fully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being de-termined that Dr. M'Lane's Cele-brated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and com-pound them in the most thorough-manner. Address all orders to FLENING BROS. Pittsburgh, Pa.

the customer, of two thirds is realized, by actual exp riment. The Tip consists of a piece of copper or oth the rindestructule material, nearly fastened to the toe of the boot or shee, forming a complet protection. This invention is now presenter to the public, with the follest knowledge of it practical utility, having been tested over tw years, and is destined entirely to supersede th old attle, for

ld style, for nilback's, Boys' AND YOUTHS' BOOTS AND SHOES. The importance of this invention will be eadily appreciated, as it is well known that hildren invariably wear out their boots and

hees FIRST AT THE TOE, and, with this protection, they will upon an av rrage wear at least two to three times as lon; is the old style, while the expense is but a triff pare.
