### THE HUNTINGDON JOURNAL. THE CELEBRATED COPPER TOE !

#### Huntingdon Journal. Wednesday Morning, November 2, 1859 LOCAL INTELLIGENCE.

Wednesday Morning, November 2, 1859 LOCAL INTELLIGENCE. Austrocaacy. - Nothing is so disguing in our opinion, than the aristocratic, unasciable and contemptible baring exercised by a car seas a finer and more comprehensive organ than that of any of the present age. She is gifted, too, with a full soprano voce. -All who have heard her espress them and to the probability of and the second once: two agriven on Tureday we may cast our eyes, we behold distinctions of all kinds. On every side we behold brain thes fops and empty-beadd women, whose of these fops and empty-beadd women, whose of these to the state of the there is of the church, the to the other of the there is of the church, the to the other of the there is of the other of the state of the state of the state of the the to all of a state, for example-the to all of an bousest labore a mark for the and the sight of an bousest labore a mark for the sight of an bousest labore a mark for the sight of an bousest labore a mark for the sight of an bousest labore a mark for the state of the shore of the state of the state of the shore materia the sight of an bousest labore a mark for the sight of an bousest labore a mark for the state of the shore is the other of the state of the shore materia the sight of an bousest labore a mark for the state of the shore is the state. And yet would the the other of a bore ant is contaministic, and yet would the state a shore distance in their generation the sight of an bousest labore a mark for the sign of the chanester of their sins. The statement state we would er if the ague is 'stathing' the to and of a borest labore, presenting the string is last vecturi. The statement state we would er if the signer is call hing of the shore the chanester of their sins. the state a state is state is the state is the state of the sinse of each of the sinse, resenting the string state of the sinse. The state is a state of the wises, present did the state a state of the wises, present did the state

Both and the construction of the second state of the seco

Mannear. Northez.--In accordance with the ofticn expressed wish of a number of physician- of this county, to have the late "Huntingdon County Medical Society," "wived or re-organized, the undersigned begs leave to call a meeting of the Profes-ation, to be held at the Masonic Hall, of the Borough of Huntingdon, on Thready, the Stirl day of November next, at 2 o'clock Borough of Huntingdon, on Thesday, the 16th day of November next, at 2 o'clock, p. m., and would friendly and cordially in-vite all regular physicians of the county— those 'who are graduates of some respec-table medical school, recognized by the Siate Society, and those who have been practitioners for at least fifteen years, and who, moreover, are in good, moral and pro-fessional standing in the plac, where they rende, and are regular practitioners'—to attend the proposed meeting and join there-in for the above purpose. side, and are the setting and processing and provide the propose. for the above purpose. J. B LUDEN, M. D., Censor, Hant. Dist. Penna. State Med. Soct'y.

ESENWEIN'S TAR AND WOOD NAPTHA PECTORAL,

ESENWEIN'S TAR AND WOOD NAPTHA PECTORAL. Is the best medicine in the world, for the Cure of Coughs and Colds, Croup Bronchits, Astuma, Difficulty in Fraching, Papitation of the Heart, and for the relief of patients in the advanced starges of Consumption, orgether with all Diseases of the Throat and Chest, and which predisposed to Consumption. It attacks the root of the disease, and makes the field des-troyer succumb to its influence. It also pro-duces free expectration, and induces healthy action in the disease, and consequently action in the disease, and consequently action in the disease, and consequently action. It is very leasant to the taste and prompt in its effects. Try if, and be con-vinced, that it is invaluable in the cure of Bronchial affections. Thirds Ocathe per Bottle. Prepared only by A. Easeweirs, Druggist, N. W. Corner of NINTH & POPLAR Stress. Philadelphin. M. B.-For safe by John Read, S. S. Smith, Huntingdon, R. McBurneys, Elius Musser, McAlweys Port, John D. BOOTS AND SHOES. IMPROVEMENT has been applied to Boots I Shoes, by which a saving of expense to customer, of two-thirds is realized, by actual

the customer, of two-thirds is realized, by actuat exp riment. The Tip consists of a piece of copper or oth-er indestructible material, neatly fastened to the toe of the boot or shoe, forming a complete protection. This invention is now presented to the public, with the fullest knowledge of its practical utility, having been tested over two years, and is destined entirely to supersede the old style, for cuttanex's, act's AD YOUTH's noors AND SUICES. The importance of this invention will be readily apprecisited, as it is well known that children invariably wear out their boots and shoes

FIRST AT THE TOE, and, with this protection, thet will up and, with this protection, thet will upon an av-erage wear at least two to three times as long as the old style, while the expense is but a triffe more

as the out saying much uncertainty applicable to This invention is also especially applicable to Miners' Boots, and all occupations subjecting the toe of the boot or shoe to be cut or worn. Merchants, and the public generally, will see the importance of obta ning these goods imme-diately, as they are destined for general use, to supersede all other kinds. The Goods may be obtained of nearly all the wholesale dealers in the principal cities, or of the Subscribers.

the wholesale dealers in the principal cities, o of the Subscribers, CHASE. McKINNEY & CO., (Owners of the Patert,) Boston August 31st, 1859.-6m.
