LOCAL INTELLIGENCE

No HANGING, AFTER ALL.—We understand, says Friday's New York Herald, that Governor Wise has decided not to hang Old Brown and his companions...

Tanglefoot.—A citizen of this borough who has been indulging in that fell destroyer, was finally overtaken last week by a sight of all the demons, hobgoblins &c., used by those who indulge to excess, in arychine whisky.

THE NEW-YORK TRIBUNE.

The Tribune—now more than eighteen years old, and having over Two Hundred Thousand subscribers or constant purchasers, diffused through every State and Territory of our Union...

Mr. Editor.—We saw a notice in your paper last week cautioning the boys of Morris township to remain at home, and let honest people alone. As there was a small accident happened them on the night of Halloween...

On last Saturday, R. Milton Spyer James H. O. Corbin, and James D. Campbell passed a very creditable examination, and are now admitted to practice in the several courts of Pennsylvania.

A sad accident occurred to Ex-Sheriff Greenland on last Friday. The Sheriff had been at this town, and on his way home in company with his Daughter, Mrs. Black, in a buggy, and when about three miles from this place...

Arrival and reception of Lieut. Gen. Scott.—The excitement and display which has prevailed throughout San Francisco and vicinity on the arrival of Gen. Scott has never been equaled.

The "irrepressible conflict" between Dark ness and Light, Inertness and Progress, Slavery and Freedom, moves steadily onward. Isolated acts of folly and madness may for the moment give a seeming advantage to Wrong...

The Great Republic.—The November number of this work is now published. This periodical is one of the very best that is published in New York. It is devoted to the best interests of American literature wholly original.

CONVULSION AT NEW ORLEANS.—Seven squares of Buildings Destroyed.—The Fire still raging.—New Orleans, Nov. 8.—Seven squares of buildings, from Washington to Ninth streets, in the Fourth District, were destroyed by fire this evening.

THE GEORGIA LEGISLATURE.—Milledgeville, Ga, Nov. 3.—The legislature met here yesterday, and both branches were organized by the election of Legrand Guer ry as President of the Senate, and Isaiah Irvn as Speaker of the House.

Paper in Japan.—The number of uses to which paper is put among the Japanese is perfectly wonderful. With the aid of varnish and skill ful painting they make of it excellent trunks, tobacco bags, cigar cases, saddles, telescopic cases, frames for microscopes and water proof coats, the latter easily keeping out the rain and are as supple as best mackintosh.

Having made arrangements for fuller and more graphic reports of the doings of Congress and of whatever else transpiring at the Federal Metropolis shall seem worthy of public regard, and having extended both our Foreign and Domestic Correspondence and strengthened our Editorial staff, we believe THE TRIBUNE may safely challenge a comparison with any rival, whether as an exponent of principles or as a reliable mirror of the passing world.

DR. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills. We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

THE VERMIFUGE, For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS, For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of FEVER AND AGUE, preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivalled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS, PITTSBURGH, PA.

to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'LANE'S Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner.
