A PLEASANT REMEDY FOR CORNS!

It has now been known for years, that the ALBION CORN PLASTER,

AFFORDS immediate relief, and effects a certain cure for Corns. By its application according to accompanying directions, the Corn is softened, attenuated, and drawn out by the roots, without the least pain, or any of the trouble and danger attending the hazardous and ineffectual practice of extracting the Corn by mere cutting.

The following instances, from many others of a similar character, sufficiently attest to the superior efficacy of the Albion Corn Plaster:

Mr. Farrar, of Boston, was a number of years distressed by a very painful Corn, had applied every thing recommended without effect, and was rendered a perfect cripple. On applying this Plaster he was perfectly cured of his Corn, and freed from his lameness.

A Gentleman of Greenfield, was for years afflicted with a very painful Corn, and was cured by one box, after every other plaster had been tried to no purpose.

Mr. Cutler, of Boston, was cured of a troublesome Corn by one box.

CERTIFICATE.—To those afflicted with Corns on their feet, I do certify, that I have used the Albion Corn Plaster with complete success. Before I had used one box, it cured a Corn which had troubled me for many years. I make this public for the benefit of those afflicted with that painful complaint. (Signed,) WM. SHAW. Flushing, Long Island, Feb. 28. Price 50 cents a box, with directions.

DUMFRIES' REMEDY FOR THE PILES!

NEW CASE OF A CURE.

Boston, November 24th.

SIR the Pile Ointment and Electuary I lately had of you, has had an excellent effect. I have been troubled for years with the Piles, and have never found any remedy that would compare with yours. The late attack was a severe one, but the relief was almost immediate. I take great pleasure in communicating this to you, for the benefit of any who may be suffering under so painful a disease.

Mr. KIDDER. The original letter may be seen at the Counting Room of the Proprietor.

The Proprietor of this Medicine recommends it with the fullest confidence as one of the most valuable remedies yet discovered, for the cure of the painful and debilitating complaint of the Piles. He deems it unnecessary to publish any other than the foregoing testimonial in its favor. This remedy has more perfectly answered the purpose for which it is intended, than any other now in common use, and affords immediate and permanent relief, both from the disorder itself, and its accompanying symptoms of pain in the loins, vertigo, headache, loss of appetite, indigestion, and other marks of debility.

The remedy is quite innocent, and may be administered to all ages and both sexes. Plain and ample directions, with a description of the complaint, accompany each package, which consists of two boxes, one containing an Ointment, and the other an Electuary. Price \$1 for both articles, or 50 cts. where but one only is wanted.

The above valuable Medicines are prepared from the original MS. Recipe of the late Dr. W. T. Conway, and the sole proprietor. For sale (with all the other Conway Medicines,) at his Counting Room, No. 39, next door to J. Kinross's Drug Store, corner of Court and Hanover streets, near Concert Hall, Boston, and also by SAMUEL H. BUEHLER, Druggist, Gettysburg, Pa.

Observe that none are genuine unless signed T. KIDDER, on the outside printed wrapper. A large discount made to Country Physicians, Traders, &c. June 3, 1834. 1y5-9

GREAT LITERARY ENTERPRIZE.

PERSPECTIVE OF TWO NEW VOLUMES OF WALDIE'S LIBRARY FOR 1835.

THE "SELECT CIRCULATING LIBRARY" has been for some time fairly classed among the established periodical publications of the country, having obtained a credit and circulation unprecedented when the price is considered; this certainty, by allowing greater freedom to our efforts, is calculated to render them at once strenuous and more effectual. The objects that Waldie's Library had in view, was the dissemination of good new books every where, at the cheapest possible rates, and experience has proved that a year's subscription will pay for one hundred and sixty-six dollars worth of books at the London prices.

New and enlarged type. Volume 5, to be commenced early in January 1835, will be printed with new and enlarged type, rendering the work free from any objection that may have been made by persons of weak eyes, who, in our case, it is less the matter of the eye than of the mind, that his father, subject to our principles, received with such distinguished favor, hope and trust that our future may surpass them, for experience ought always to produce improvement, more especially when, as in our case, it is less the matter of the eye than of the mind, that his father, subject to our principles, received with such
