I think it will pass. ter the expiration of the time for which he lar case to my own, which was cured by arms and accoutrements in complete order. thy Obadiah B. Brown, was particularly favorable to the claims of his own relatives upon his dili-gent care and attention. Among these, one Til-would have been some propriety in the gent care and attention. Among these, one Til-would have been some propriety in the gent care and attention. Among these, one Til-gent care and attention. Among these are tare attention to the views of the Legislature relative to Extra-Judicial gent care attention to the views of the Legislature relative to Extra-Judicial gent care attention to the views of the Legislature relative to Extra-Judicial gent care attention to the views of the Legislature relative to Extra-Judicial gent care attention to the views of the Legislature relative to Extra-Judicial gent care attention to the views of the Legislature relative to Extra-Judicial gent care attention to the views of the Legislature relative to Extra-Judicial gent care attention to the views of the Legislature relative to the tare attention to the views of the Legi your Catholicon, as the last resort I applied and each member supplied with the usual JAMES BELL, Jr Capt. JOHN HEALY.

thus it will be seen by these cases, and numerous similar instances which are set forth in the Report of the Committee, and in which the great leading Con-tractors are made to figure quite couspicuously, that an alarming system of favoritism has long eristed, producing the nost enormous waste of the public treas-treased the present insolvency of an important depart. The private percuniary arrangements between the ment of the Government!!! The private personal matter between the post office Department and certain Contractors, are such as to inculpate at once, and most deeply, both the one and the other of the parties. It is clearly made to the was a mere personal matter between Mr. McElwee and the Editor of the Telegraph. It was a such as to inculpate at once, and most deeply, both the one and the other of the parties. It is clearly made to the was a mere personal matter between Mr. McElwee and the Editor of the Telegraph. It was a such as to inculpate at once, and most deeply, both the one and the other of the parties. It is clearly made to the York Turnpike Road. There are 15 Anti-Mason, and passed by a vote of 16 to such as to include at once and most deeply both the one and the other of the parties. It is clearly made to appear, that the opticass of the parties. It is clearly made to appear, that the opticass of the parties. It is clearly made to appear, that the opticass of the parties. It is clearly made to appear, that the opticass of the parties. It is clearly made to appear, that the opticass of the parties. It is clearly made to appear, that the opticass of the parties. It is clearly made to ately followed by "loans" and great sudden accessions to the property of certain interested individuals of the performent. I will give one instance, in an abstract from the Report, by way of illustration. James Reesite is credited in the Western Bank of philadelphia, under date of April 30, 1834, \$20,000.

Philadelphia, under date of April 30, 1834, \$20,000. The Committee examined the books of that Bank, and obtained a statement of certain affairs thereof with the post Office Department. They discovered that this sum war stated by Recside, on a draft draw by him-Brown, dated April 20, 1834. The other case was a severe Tetter, which of course, Recside was entitled to no credit on that transaction, and yet, when R that et al. this exert, and soil Department to this credit. O. B. Brown was easiled to the Committee to account for this transaction, and seid Committee to account for this transaction, and said -leaving it to Mr. McElwee to pursue eith-to mascel to account for this crasse all of a by the committee to account for this transaction, and said (unce a data need mining of the suppression of Unholy) the Bank since it took place. The rest of this matter and conscience per-int. But this is not all.
