THE unrivalled and extensive reputation acquired by this Medicine for the last five years, both in Hospital and private practice, demands from the proprietor his grateful acknowledgments to a discerning public. Potter's Vegetable Catholicon is offered for the cure of Diseases of the Liver, Ulcerated Sore Throat, Debility resulting from Intemperance and Dissipation, Scrofula or King's Evil, Old and Inveterate Ulcers, Pains in the Bones, Rheumatism, Dyspepsia, Indigestion, Diseases of the Lungs, Syphilis, Blisters on the Face and Skin, White Swelling of the Joints, Tetter, Mercurial Diseases, Piles, &c. &c.

The CATHOLICON consists exclusively of vegetable matter, and with a slight determination to the bowels, which it preserves in a soluble state, acts insensibly, is pleasant to the taste, and requires no particular regimen or confinement.

SALEM, Mass. Oct. 15, 1820. This may certify, that I, the subscriber, in the last ten years have been very much afflicted with Scrofula, and after repeatedly trying various medicines, and receiving advice from the most eminent physicians, without effect, I was induced to purchase a few bottles of Potter's Vegetable Catholicon—have taken the same, and have been completely cured. After receiving such great benefit from this valuable medicine, I conceive myself in duty bound to make the same publicly known, that those suffering under the same complaint may be apprised of its great efficacy. THOMAS MELZERD. Signed in the presence of JONATHAN WESS and JOHN S. HARRISON.

Mr. W. W. POTTER. Sir—Here give you a statement of my cure. About four years ago I became afflicted with a complicated case of Scrofula and White Swelling; during that period I placed myself under the care of upwards of eighteen respectable physicians in Boston, Pittsburgh, Albany, and this place, but their prescriptions were in vain. My arm became useless, the elbow joint being very much enlarged, and so covered with ulcers, that my physician, fearing a mortification would take place, advised me to submit to amputation, but this very fortunately I rejected. On my back there was an ulcer as large as the palm of my hand, which became so painful that I despaired of ever being restored to health, or even getting relief. Having seen a similar case to my own, which was cured by your Catholicon, as the last resort I applied for it, and the happy result is, from its use for about three months, I am perfectly cured. JOHN HEALY. WILMINGTON, (N. C.) May 22d. RHEUMATISM. P. S. As it doubtless gives you pleasure to hear of the many cures which your medicine is daily performing, I will mention two other cases wherein complete cures resulted from its use, and which induced me to try it. The first is a case of an intimate friend of mine, an old gentleman about sixty years of age, who had the Rheumatism for a number of years past, part of the time confined to his bed; he took it more through experiment, and was surprised to find himself entirely freed from his painful disorder by using only one bottle. TETTER. The other case was a severe Tetter, which covered both the patient's hands; he was an elderly man, and had the affection for a long time; he was totally deprived of the use of them, his attendants being obliged to cut his food and help him to it. Two bottles effectually cured him. This case, as well as my own, are extensively known throughout the country, and will add much to the fame of your already popular medicine. Your well wisher, JEREMIAH NICHOLS. The above article is received from the Warehouse of W. W. Potter and for sale at the Drug store of Dr. J. GILBERT, Gettysburg. Gettysburg, Feb. 10, 1835. 6t-45

DR. HULL'S RECENTLY IMPROVED TRUSS.—The distinguished surgeons and medical faculty of the cities generally, and elsewhere, have come to the conclusion that this Truss, in its present improved state, is the only instrument surgically adapted to the disease of Rupture, and the only one that patients can rely upon for the safe retention of the bowels and the final cure of the disease.

In confirmation of which the following names of distinguished medical gentlemen of New York city, with many others, have expressed a decided preference for this instrument, are respectfully added: Valentine Mott, M. D., George Bushe, M. D., Alex. A. Stevens, M. D., David Hosack, M. D., John B. Beck, M. D., Samuel Ackerly, M. D., Cyrus Perkins, M. D., David M. Reese, M. D., John Stearns, M. D., Wm. Anderson, M. D.

Also, the following extract of a late certificate of Dr. Mott, of N. York: "For the last twelve months, the wonderful powers of Dr. Hull's Truss have been tested under my own observation with the most gratifying success in cases of great difficulty, in which the mutilated imitation Trusses so common in our market, had only aggravated the disease. Dr. Hull is an experienced surgeon, who has displayed not a little surgical skill and mechanical ingenuity in bringing this unrivalled instrument to its present state of perfection, rendering it, I know, the best I ever saw for securing, comforting and curing the ruptured patient, and is in my opinion, the only instrument of the kind that is entitled to patronage of the profession, and the confidence of the public. VALENTINE MOTT, M. D. Park Place, Feb. 20, 1834.

Letters Patent of the United States have been granted to Dr. Hull for 14 years from the last improvement, dated July 5th, 1833. For sale at the Drug Store of Dr. J. GILBERT, Gettysburg. December 23, 1834. t-38

A VALUABLE MEDICINE!

THE Proprietor confidently offers to the public what experience has proved to be one of the most efficacious compounds in the Materia Medica, for the cure of that class of distressing, dangerous and inveterate Diseases produced by an impure state of the blood, acrimony of the humors and vitiated habit of body, and usually exhibiting themselves in the various forms of Scrofula, Salt Rheum, Leprosy, St. Anthony's Fire, Fevers, Sores, White Swelling, Pustule and Ulcers, Sore Legs and Eyes, Scald Head, and Venereal Taint, where Mercury has failed.

BOTANICAL DROPS

have, in a multitude of cases, cured those inveterate and deep-rooted complaints in their worst and most hopeless stages. The Drops are also given with success for violent eruptions after the measles; red blotches, febrile eruptions and pimples on the face, and in connection with Dr. Jean's Liniment, they remove white swellings of the joints. The Scrofula, in its early stages of mere tumours behind the ears and under the chin, and swelling of the upper lip and nose, will not only quickly yield to this preparation, but scrofulous ulcers, which have spread to such an extent and depth, as to corrode the cartilages and affect the bones with caries, have been gradually and painlessly healed, by the persevering administration of this powerful medicine; the sunken skull and countenance restored to its florid hue, the vitæ-energy re-established, and the whole system purified and invigorated. They are also the best Spring and Autumnal Physic.

INTERESTING CASES.

A Lady, to whom reference can be made, was for years afflicted with humors on her neck, accompanied with frequent itching eruptions, and running sores. She had tried various remedies and had taken the best medical advice, but could get no permanent relief, and her case daily becoming worse, fears were entertained of a fatal termination of her complaint, when a friend very fortunately recommended the Botanical Drops, four bottles of which effected a complete cure, to the surprise and joy of herself and friends.

A Child of 8 years, had lost the use of his arms, one leg was almost crippled, hip dropped out of place, thigh and arms swollen and broke open in several places, and many of the sores had penetrated down to the bone. On taking these Drops he recovered the use of his limbs, the sores healed up, and he was restored to health, although they were incurable.

A young man, near Boston, was reduced so low by eruptions and sores in various parts of his body, especially his neck and hands; weakness at the stomach, loss of appetite, general debility, and gradual decline of the whole system, so as to threaten an approaching Consumption. He was entirely cured, and restored to a fine state of health, by five or six bottles of these Drops.

A married Lady was for years afflicted with eruptions on the face, head, ears and various parts of the body, attended with violent itching, burning, &c. had tried many prescriptions without effect; was confined to her room, and declined all company. She was cured by taking four bottles of these Drops.

A Lad belonging to Saugus, whose head was covered all over with sores and blotches, was wholly cured by a few bottles, after every other remedy had failed.

A Child five years old, had her face covered with a scab, various eruptions about the body, and was blind of both eyes. She was cured by taking five bottles.

A Correspondent writes thus: "I have had Ulcers on my legs so bad that I expected to lose the use of them, and could only walk on crutches; two pieces of bone came away from my right leg; when hearing of your Botanical Drops, after trying every thing else that I thought would ally my sufferings, on using three bottles, I found myself nearly well; the ulcers began to heal up and cease running."

A Gentleman writes, he had been sorely afflicted for ten years with Biles all over his body, and having tried all kinds of remedies without success, by the use of these Drops he was perfectly cured. Another Gentleman writes: "I have been seriously afflicted with the Salt Rheum on my head, &c. and resorted to the use of many medicines without affecting a cure, or doing any essential good, until I obtained notice of your Botanical Drops, which, on using a short time, entirely cured me. I therefore recommend it to every person afflicted with this complaint."

"I was afflicted," writes a person, "for six years with intolerable burnings all over my body, a dreadful ulcer on my left leg, and every other day a return of headache. After taking one bottle I began to mend, and after a third, was perfectly cured; sixty-two pieces of bone came from my leg, mostly very small, the largest was two inches long."

Price \$1, or 5 bottles for \$5, with directions. Prepared from the original MSS. Recipe of the late Dr. W. T. CONWAY, by T. KIDDER, his immediate successor and the sole proprietor, which with the other "Conway Medicines," is for sale at his Counting Room, No. 93, next door to J. Kinne's Drug Store, corner of Court and Hancock streets, near Concert Hall, Boston, for sale also by his special appointment, by SAMUEL H. BUEHLER, Druggist, Gettysburg, Pa.
