A REMARKABLE CURE OF RHEUMATISM!

CHARLESTOWN, (Mass.) June 23, 1827. To the Proprietor of Dr. JEBB'S Liniment. DEAR SIR—I deem it a duty I owe to suffering humanity, to acquaint you and through you the public, (should you think best) of the unexpected and surprising cure performed on myself by the use of the above most excellent Medicine I have been for more than thirty years, and sometimes most severely, afflicted with the Rheumatism, have been frequently rendered perfectly helpless; and in consequence confined to my bed, when it has required two persons to move me, being in such extreme pain; I have several times been under the care of the most eminent physicians, but procured only temporary relief. I one day noticed the advertisement of Dr. JEBB'S Liniment, with the testimonials accompanying it, and was induced to try a bottle, which I used without much sensible benefit. I concluded, however, to persevere, and bought another bottle, and was greatly relieved, and by the use of half the third bottle, was wholly cured, and have never since had a return of the pain, which I had not been free from a month at a time for thirty years, and it is now more than three years since I was cured. I would most earnestly advise every person suffering under this painful complaint, not to despair of a cure so long as they can obtain Dr. JEBB'S Liniment. You are at liberty to make any use of this you may think advisable. Most respectfully yours, CALEB SYMMES. To the foregoing testimony, many other unquestionable proofs might be added, in favor of the superior Liniment of Dr. JEBB. Nothing but a fair trial, which the proprietor confidently solicits, can give an adequate idea of its unrivaled efficacy, in mitigating, and thoroughly mastering, the excruciating disease, to which it has been successfully applied in a multitude of cases. The operation of the Liniment is often immediate; and it has frequently cured rheumatic affections of years standing, in four and twenty hours. It is also recommended with confidence, as one of the best applications known for stiffness of the joints, numbness, sprains, and dislocations. Price 50 cents, with directions.

DYSPEPSIA, OR INDIGESTION.

THIS prevalent disorder, as it exhibits itself in its customary symptoms of sour appetite, distressing flatulencies, heart burn, pain in the stomach, sick headache, nausea, vomiting and costiveness, is now found to yield to the tried efficacy of DR. RELFE'S VEGETABLE SPECIFIC, AND ANTI-BILLIOUS PILLS. These two preparations combined, constitute an efficacious remedy for the Dyspepsia, even after it has acquired the most chronic disorder, and as a tonic and stimulant, they restore the healthy action and energy of the stomach, and strengthen the debilitated system. The proprietor can also confidently recommend the Vegetable Specific, as one of the best remedies known for the Sick Headache. Price 50 cents each article, with directions.

BRITISH ANTICIEPTIC DENTIFRICE.

For cleansing, whitening, and preserving the Teeth and Gums. THE BRITISH ANTICIEPTIC DENTIFRICE, which the present proprietor wishes most particularly to recommend to the attention of the public, is perfectly exempt from all those acids which in general form the basis of tooth powders in common use, and which although they may whiten the teeth for a short time, most inevitably destroy the Enamel by their deleterious action on this beautiful covering of the teeth. The consequence is that the Enamel which is the shield provided by nature to protect the spongy and nervous internal structure, is rapidly corroded by these acid ingredients, become more discoloured than ever, and exposes the inner portion of the tooth to caries and a rapid and certain decay. By the use of the British Anticieptic Dentifrice, in the morning, an occasion may require, with a brush moderately hard, and cold water, the accumulation of Tartar will not only be prevented, but the teeth rendered beautifully and permanently white, and the gums restored to that freedom from soreness, that hardness and efflorescence which are the sure tests of their healthy state, and the best guarantee of that natural fragrance of the breath which can never be expected in connection with foul teeth, and scorbutic unhealthy gums. Price 50 cents a box, with directions. *The above valuable Medicines are prepared from the original Recipe in MS. of the late Dr. W. T. COXWAY, by his immediate successor and the sole proprietor, T. KIDDER, and for sale at his Counting Room, No. 39, next door to J. Kidder's Drug Store, corner of Court and Hanover Streets, near Concert Hall, Boston, and also by his special appointment, (together with all the valuable Medicines as prepared by the late Dr. COXWAY,) by SAMUEL H. BUEHLER, Druggist, Gettysburg, Pa. *Observe that none are genuine without the written signature of T. KIDDER, on the outside printed wrapper. A large discount made to those who buy by the retail. June 3, 1834. 1y 9

POTTER'S CATHOLICON.

THE unrivaled and extensive reputation acquired by this Medicine for the last five years, both in Hospital and private practice, demands from the proprietor his grateful acknowledgments to a discerning public. Potter's Vegetable Catholicon is offered for the cure of Diseases of the Liver, Ulcerated Sore Throat, Debility resulting from Intemperance and Dissipation, Scrofula or King's Evil, Old and Inveterate Ulcers, Pains in the Bones, Rheumatism, Dyspepsia or Indigestion, Diseases of the Lungs, Syphilis, Blotches on the Face and Skin, White Swelling of the Joints, Tetter, Mercurial diseases, Piles, &c. &c. The Catholicon consists exclusively of vegetable matter, and with a slight determination to the bowels, which it preserves in a soluble state, acts insensibly, is pleasant to the taste, and requires no particular regimen or confinement. SALEM, Mass. Oct. 15, 1829. This may certify, that I, the subscriber, for the last ten years have been very much afflicted with Scrofula, and after repeatedly trying various medicines, and receiving advice from the most eminent physicians, without effect, I was induced to purchase a few bottles of Potter's Vegetable Catholicon—have taken the same, and have been completely cured. After receiving such great benefit from this valuable medicine, I conceive myself in duty bound to make the same publicly known, that those suffering under like complaints may be apprised of its great efficacy.

WILMINGTON, (N. C.) May 22d.

RHEUMATISM. P. S. As it doubtless gives you pleasure to hear of the many cures which your medicine is daily performing, I will mention two other cases wherein complete cures resulted from its use, and which induced me to try it. The first is a case of an intimate friend of mine, an old gentleman about sixty years of age, who had the Rheumatism for a number of years past, part of the time confined to his bed; he took it merely through experiment, and was surprised to find himself entirely freed from his painful disorder by using only one bottle. TETTER. The other case was a severe Tetter, which covered both the patient's hands; he was an elderly man, and had the affliction for a long time; he was totally deprived of the use of them, his attendants being obliged to cut his food and help him to it. Two bottles effectually cured him. This case, as well as my own, are extensively known throughout the country, and will add much to the fame of your ready popular medicine. Your well wisher, JEREMIAH NICHOLS. The above article is received from the Warehouse of W. W. Potter and for sale at the Drug store of Dr. J. GILBERT. Gettysburg, Feb. 10, 1835.
