C

Just time to tell you (what I will more particularly detail to-morrow,) that Senator GEORGE POINDEXTER has just been I will give you a synopsis of the evidence accompanying the Report of the Commit-

of the Fortification Bill. The two Houses of Congress adjourned,

The House are yet in discussion. They have been talking on the French matters all

day. Edward Everett made a capital speech. this paragraph. Yet such is the fact; not I will tell you if any thing more occurs of a dollar is appropriated to fortifications, and

being and public tranquility, necessary to sustain it, especially as it can effect nothing only one who can boast of being the most

but the bill for the usual annual appropria-

dependence of some distant bength. Table actions, and no

interest before the mail closes. If not, by to morrow's mail you shall receive further at the earliest day possible. Certainlymost certainly—such is the duty, it he has any reasonable apprehension whatever of hostilities with a foreign nation. We will state shortly the history of this bill. It came from the House to the Sen-TNANIMOUSLY, relieved of the gross charge ate, and all its provisions were agreed to by

or . The Minney and one to Change to be some amounts

the Senate's Committee. Various additions were also made to it by the Committee, in pursuance of communications from the War Department, and reports from the Military Committees of the two Houses. Large sums were added for the better defence of Baltimore, Philadelphia, Boston, &c. and an additional amount for arming all the fortifications. When it appeared that the Department had no further measures to recommend, the Committee reported the bill, the
