Corner 3d & Vine streets, Philadelphia. March 10, 1835. A VALUABLE MEDICINE! THE Proprietor confidently offers to the public the most efficacious compounds in the Malaria Medica, for the cure of that class of distressing, dangerous and inveterate Diseases produced by an impure state of the blood, acrimony of the humors and vitiated habit of body, and usually exhibiting themselves in the various forms of Scrofula, Salt Rheum, Leprosy, St. Anthony's Fire, Fever Sores, White Swelling, Pock and obstinate Ulcers, Sore Legs and Eyes, Scald Head, and Venereal Taint, where Mercury has failed.

DR. RELIEF'S BOTANICAL DROPS have, in a multitude of cases, cured these inveterate and deep-rooted complaints in their worst and most hopeless stages. The Drops are also given with success for violent eruptions after the measles; red blotches, festering eruptions and pimples on the face; and in connection with Dr. Jinn's Liniment, they remove white swellings of the joints. The Scrofula, in its early stages of mere tumors behind the ears and under the chin, and swelling of the upper lip and nose, will not cure quickly yield to this preparation, but scrofulous ulcers, which have spread to such an extent and depth, as to corrode the cartilages and affect the bones with caries, have been gradually and permanently healed, by the persevering administration of this powerful medicine; the sunken equal id countenance restored to its florid hue, the vitality re-established, and the whole system purified and invigorated. They are also the best Spring and Autumnal Physic.

From many other proofs of the superior virtues of Dr. Relief's Drops, the Proprietor selects the following INTERESTING CASES.

Mr. A. Lady, to whom reference can be made, was for years afflicted with humors on her neck, accompanied with frequent itching eruptions, and running sores. She had tried various remedies and had taken the best medical advice, but could get no permanent relief, and her case daily becoming worse, fears were entertained of a fatal termination of her complaint, when a friend providentially recommended the Botanical Drops, four bottles of which effected a complete cure, to the surprise and joy of herself and friends.

Mr. C. Child of 8 years, had lost the use of his arms, one leg was almost crippled, hip dropped out of place, thigh and arms swollen and broke out in several places, and many of the sores had penetrated down to the bone. On taking these Drops he recovered the use of his limbs, the sores healed up, and he was restored to health, although the incurable.

Mr. Young Man, near Boston, was reduced so low by eruptions on various parts of his body, especially his neck and hands; weakness of the stomach, loss of appetite, general debility, and gradual decline of the whole system, so as to threaten an approaching Consumption. He was entirely cured, and restored to a fine state of health, by five or six bottles of these Drops.

A married Lady was for years afflicted with eruptions on the face, head, ears and various parts of the body, attended with violent itching, burning, &c. had tried many prescriptions without effect; was confined to her room, and declined all company. She was cured by taking four bottles of these Drops.

A Lad belonging to Saugus, whose head was covered all over with sores and blotches, was wholly cured by a few bottles, after every other remedy had failed.

A Child five years old, had her face covered with a scab, various eruptions about the body, and was blind of both eyes. She was cured by taking five bottles.

A Correspondent writes thus: "I have had Ulcers on my legs so bad that I expected to lose the use of them, and could only walk on crutches; two pieces of bone came away from my right leg; when hearing of your Relief's Botanical Drops, I tried every thing else that I thought would try my sufferings, and after taking three bottles, I found myself nearly well; the ulcers began to heal up and cease running."

A Gentleman writes, he had been sorely afflicted for ten years with Biles all over his body, and having tried all kinds of remedies without success, by the use of these Drops he was perfectly cured.

Another Gentleman writes: "I have been seriously afflicted with the Salt Rheum on my head, &c. and resorted to the use of many medicines without affecting a cure, or doing any essential good, until I obtained some of your Botanical Drops, which, on using a short time, entirely cured me. I therefore recommend it to every person afflicted with this complaint."

"I was afflicted," writes a person, "for six years with intolerable burnings all over my body, a dreadful ulcer on my left leg, and every other day a return of headache. After taking one bottle I began to mend, and after a third, was perfectly cured; sixty-two pieces of bone came from my leg, mostly very small, the largest was two inches long."

Prepared from the original MS. Recipe of the late Dr. W. T. Conway, by T. KIDDER, his immediate successor and the sole proprietor, who has the other "Convey Medicines," is for sale at his Dispensing Room, No. 62, next door to J. Knicker's Drug Store, corner of Court and Hanover streets, near Concert Hall, Boston, for sale also by his special appointment, by SAMUEL H. BUEHLER, Druggist, Gettysburg, Pa.

CARPENTER'S SOLUTION OF KREOSOT.

FOR the cure of cancerous ulcers, old sores, tetters, ring worms, and will immediately stop bleeding from fresh wounds bleeding at the nose &c.

It is also an excellent water to arrest the decay of teeth. It is recommended also very highly in Europe for relieving tooth-ache. This new and valuable article, which has acquired so much celebrity in Europe, has lately been imported from Germany, and introduced to the attention of the faculty of the United States, and it has already received their approbation—and is used to considerable extent in the cities, with the most flattering and encouraging success.—It was introduced in all the hospitals of Germany as a remedy. First for all fresh wounds—stopping bleeding instantly. Second for all sores, even gangrenous; likewise cancers, for which there was hitherto no remedy known. Third for hemorrhages, spitting of blood, &c. Fourth for preventing and curing scurvy, &c.

Just received from the ware-house of G. W. Carpenter and for sale at the Drug Store of Dr. J. GILBERT, Gettysburg, May 11, 1835.

CARMINATIVE BALSAM AND HEALTH RESTORATIVE.

In the Malignant, Spasmodic, or Asiatic, Cholera, Cholera Morbus, Diarrhoea or Looseness, Dysentery, Sick or Nervous Head-Ache, Cholera Infantum or Summer Complaint, Cholera, Cramps, Sour Stomachs, &c. &c.

THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity; than any article ever before introduced into general use. It contains no noxious article, nor mineral or metallic substance and is carefully compounded so as to always be of uniform strength and consistency.

It will keep good for years and grows more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do.—Sailors and travelling persons should always carry it with them.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "DR. D. JAYNE'S CARMINATIVE BALSAM" blown on them, and the written signature of D. Jayne to the bottom of each direction—none other are genuine.

This medicine is not recommended as a "Panacea" to cure all diseases to "which flesh is heir to" but as a remedy in Diarrhoea. The beginning and latter stages of Dysentery, Cholera Morbus, the Spasmodic or Malignant Cholera, Cramps, Cholera, Sick and nervous Headache. For the Summer Complaint or Cholera of children it is unrivalled by any other combination of medicine ever used. It has repeatedly effected cures, when every other means had failed aided by the attendance and skill of the ablest physicians, that could be procured.—Obstinate Diarrhoeas of years standing, have been removed by the use of a few bottles of it; violent Dysenteries arrested and Cholera Morbus cured. The Spasms attending the Malignant Cholera have always been suppressed in from one to three minutes time, and that much dreaded and fatal disease repeatedly cured without the aid of any other article of medicine. In fact its power over spasmodic diseases of every kind seem to be absolute as it has never yet been known to fail of giving relief in a single instance.—Gripping pains, tormina and tenesmus Cholera, Cramps &c. are also soon removed by it. Hundreds of females and sedentary persons can attest to its superior excellence in sick and nervous Headaches as two or three teaspoonfuls generally gives them relief in the course of half an hour.

Children laboring under the Summer Complaint, have been cured in a short time after all known remedies had failed;—those too who have been so extremely emaciated that their bones almost protruded through their skins, and all hope of recovery abandoned, by all who saw them, have by a few

weeks use of this medicine been restored to perfect health.

CERTIFICATES.

Certificate from Dr. William Bacon, Pastor of the Baptist Church at Pittsgrove, Salem Co., N. J. Having been made acquainted with the ingredients composing Dr. Jayne's Carmivative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children, Cholera, Cramps, Looseness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness of the Stomach; and believe that the regular physician will often find it a useful remedy in his hands, and one that is proper for domestic use, and can be put into the hands of persons at large with safety. Pittsgrove, Salem Co. N. J. May 4th, 1831.

Certificate from Dr. Wm. Steeling. This may certify that I have used Dr. Jayne's Carmivative Balsam extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases. WILLIAM STEELING, M. D. Bridgeton, July 19th, 1831.

From Dr. M. L. Knapp, late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccino Institution. Baltimore, March 27th, 1833. DR. JAYNE—Dear Sir,—You ask me what proofs I meet with of the efficacy of your medicine. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children, it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such such a child," I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it effect a cure, and give permanent relief in a few hours. I may say in a few minutes. In fact, it is a valuable medicine, and no family should be without it. Respectfully, M. L. KNAPP, M. D.

From Dr. L. Lawrence. Cedarville, Oct 9th, 1832. DR. JAYNE—Dear Sir.—The curative powers of your Carmivative Balsam appears to be fairly established in all Bowel Complaints, &c.; and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely handled, and with complete success, without the use of any other medicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who are apt to be affected in this way; and which every practitioner in medicine has found to be a very troublesome disease. Respectfully, LEONARD LAWRENCE, M. D.

From Dr. Charles Hammond. Dr. JAYNE—Dear Sir.—I have made use of the Carmivative Balsam prepared by you for Complaints of the Bowels, with complete success in every case and I do not hesitate to recommend it to the patronage of the public as a medicine, worthy of their particular notice. CHARLES HAMMOND. Leesburg, Va. Oct. 5th, 1831.

From the Rev. Charles J. Hopkins, Pastor of the Baptist Church at Salem N. J. DR. JAYNE—Dear Sir.—Understanding you were about to publish certificates respecting your valuable Carmivative Balsam, I thought it would be of any service to you, I would wish to bear a public testimony in its favor; as we have proved its efficacy very frequently in our family, and also administered it to our friends, who have visited us, and always found it gave them speedy relief. Yours Respectfully, CHARLES J. HOPKINS. Salem N. J. Jan. 7th, 1835.

A PLEASANT REMEDY FOR COLIC!

It has now been known for years, that the ALBION CORN PLASTER, AFFORDS immediate relief, and effects a certain cure for Colic. By its application according to accompanying directions, the Corn is softened, attenuated, and drawn out by the roots, without the least pain, or any of the trouble and danger attending the hazardous and ineffectual practice of extracting the Corn by mere cutting.

The following instances, from many others of a similar character, sufficiently attest to the superior efficacy of the Albion Corn Plaster: Mr. Farrar, of Boston, was a number of years distressed by a very painful Corn, had applied every thing recommended without effect, and was rendered a perfect cripple. On applying this Plaster he was perfectly cured of his Corn, and freed from his lameness.

A Gentleman of Greenfield, was for years afflicted with a very painful Corn, and was cured by one box, after every other plaster had been tried to no purpose.

Mr. Cutler, of Boston, was cured of a troublesome Corn by one box.

CERTIFICATE.—To those afflicted with Corns on their feet, I do certify, that I have used the Albion Corn Plaster with complete success. Before I had used one box, it cured a Corn which had troubled me for many years. I make this public for the benefit of those afflicted with that painful complaint. (Signed,) WM. SHAW. Flushing, Long Island, Feb. 29. Price 50 cents a box, with directions.

DUMFRIES' REMEDY FOR THE PILES!

NEW CASE OF A CURE. BOSTON, November 24th. SIR the Pile Ointment and Electuary I lately had of you, has had an excellent effect. I have never found any remedy that would compare with yours. The late attack was a severe one, but the relief was almost immediate. I take great pleasure in communicating this to you, for the benefit of any who may be suffering under so painful a disease.

Mr. KIDDER. T. II. The original letter may be seen at the Counting Room of the Proprietor.

*The Proprietor of this Medicine recommends it with the fullest confidence as one of the most valuable remedies yet discovered, for the cure of the painful and debilitating complaint of the Piles. He deems it unnecessary to publish any other than the foregoing testimonial in its favor. The remedy is quite innocent, and may be administered to all ages and both sexes. Plain and ample directions, with a description of the complaint, accompany each package, which consists of two boxes, one containing an Ointment, and the other an Electuary.
