TO THE PUBLIC. THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduc ed into general use. It contains no noxious article, nor mineral or metallic substauce and is carefully compounded so as to always be of uniform strength and consistency.

It will keep good for years and grow more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do .--Sailors and travelling persons should always carry it with them.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "Dr. D. JAYNE'S CARMI-NATIVE BALSAM" blown on them, and the written signature of D. Jayne to the bottom of each direction-none others are genuine.

This medicine is not recommended as a flesh is heir to" but as a remedy in Diar. same, properly authenticated, for settlement. rhæa. The beginning and latter stages of Dysentery, Cholera Morbus, the Spasmodic or Malignant Cholera, Cramps, Cholics, Sick and nervous Headache. For the Summer Complaint or CHOLERA of children, it to unrivalled by any other combination of medicine ever used. It has repeatedly effected cures, when every other means had failed aided by the attendance and skill of the ablest physicians, that could be procured.-Obstinate Diarrhœas of years standing, have been removed by the use of a few bottles of it; violent Dysenteries arrested and Cholera Morbus cured. The Spasms attending the Malignant Cholera have always been suppressed in from one to three minutes time, peatedly cured without the aid of any other article of medicine. In fact its power over spasmodic diseases of every kind seem to be absolute as it has never yet been known to fail of giving relief in a single instance.-Griping pains, tormina and tenesmus Chol ics, Cramps &c. are also soon removed by it.

Hundreds of females and sedentary persons can attest to its superior excellence in sick and nervous Headaches as two or three tenspoonfulls generally gives them relief in the course of half an hour.

Children laboring under the Summer Complaint, have been cured in a short time BLANK VENDUE NOTES after all known remedies had failed:-- those too who have been so extremely omaciated

that their bones almost protruded through their skins, and all hope of recovery abandoned, by all who saw them, have by a few weeks use of this medicine been restored to perfect health.

CERTIFICATES.

Certificate from Dr. William Bacon, Pastor of the Baptist Church at Pittsgrove, Saloin Co., N. J. Having been made acquainted with the ingre dients composing Dr. Jayno's Carminative Bilsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children, Cholic, Cramps, Looseness, Dyspeptic Disorders of the Stomach. Coughs, and Affections of the Breast, together with all those diseases attended with Sourness of the Stomach; and believe that the regular physician will often find it a usoful remedy in his hands, and one that is proper for domestic use, and can be put into the hands of persons at large with safety. WM. BACON, M. D. Pittsgrove, Salem Co. N. J. May 4th, 1831.

Certificate from Dr. Wm. Steeling. This may certify that I have used Dr. Jayno's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any proparation that 1 have met with, for the relief of those diseases.

From Dr. M. L. Knapp, late Physician to the Baltimore Dispensary, and Agent for the Mary-

I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and porfect relief as this. Whonever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and uso-fulness. In the Summer Complaint of children, it has frequently appeared to snatch the little victime, us it were, from the grave. "It saved the life of my child, and of such and such a child," I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no tamily should be with-Respectfully, M. L. KNAPP, M. D.

From Dr. L. Lawrence. Cedarville, Oct. 9th, 1832. Dr. D. JAYNE-Doar Sir .- The curative powers of your Carminative Balsam appears to be fairly established in all Bowel Complaints, &c.; and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely handled, and with complete success, without the use of any other medicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who
