-on the Morris canal are 250 boats. The number of vessels laden with coal at Philadelphia and Bristol in 1834 was 469. The dates for Governor, since the adoption of river Schuylkill in 1834, was 72 brigs, 1122 schooners, 420 sloops. The value of the Votes. property of the Anthracite coal mines in 27725 colleries, cars, lands, boats, warehouses, &c. 2802 is over 19 million of dollars. The Anthra-19590 cite mines cover 975 square miles; the 10700 bituminous, which are more valuable and 30020 not much worked as yet, 21,000 square 1011 miles. The consumption of Anthracite m 37244 1842, it is thought, will be 10 millions and 32643 a half of tons, or over 52 millions of dollars! \_\_\_\_\_

From the Mobile Register of May 23. The fate of Mrs. Alston, the accomplish-38485 ed lady of Gov. Alston, of South Carolina, 67975 and daughter of Aaron Burr, has been 39573 shrouded in mystery for more than twenty 4006 years. Occasionally, indeed, some gleams 52319 of light have been thrown around her mel-3609 ancholy end, and the belief is that she fell a 51099 victum to piratical atroctty. Some three 29566 years ago it was currently reported that a 66331 man residing in one of the interior countres 59372 of this State, made some disclosure on his 67905 death bed, which went to confirm the con-66300 fession previously made by a culprit on the 89928 gallows, that the vessel in which Mrs Al-64211 ston sailed, was scuttled for the sake of her 64211 plate and effects. The following article, 1174 which we copy from the Alabama Journal. 78219 goes to the some additional light on the 51776 subject. The facts mentioned in it are new 91236 to us, and will be probably, to most of our 88186 | readers : -
