THE BUSINESS will in future be conducted by the subscriber, who Patriot to obey the will and wishes of were wet. I throw out a great weight of bellust to gaip a more elevated and drier region in the atmosphere, and he asknowledgements are situation, though drier, much more unpleasant. The silk had become as hard as wood, icicles hung from the valve rope; I stood in wet clothes und blankels and sheets, that were stiff with ice, and if ever I felt cold in my life, it was at this time. I felt delitrous to know the heighth of the thermometer, and he with profile is very interesting.

I strom the Education bill, he has truly shown the virtue of the Hero, their families, would not let a certain paper come in the head of a Philosopher and the heart of their families, would not let a certain paper come in the third the ready and the public generally, for the irves men very rious victory. Such solicitations have prevailed so far, that if my friends will subscribe ISAAC BAUGHER. sufficient to defray the expense of the paper. 4t-16 I can get THE COMET printed and die tributed gratuitously. For that purpose, it would require but a small amount from each township. Send me word (postage paid) as THINE subscriber, intending to remove to soon as possible. The "GUMBILER" is at the City, informs all those indebted to old pamphlet tricks again, and its little Herthe late Firm of BAUGHER & Co. to call on maphrodite Cousin is blunting its teeth to him without delay and discharge, or make that the lies out of its belly will not be cut satisfactory arrangements for the speedy li- in their passage from their corrupt fountains quidation of the claims he may hold against There is no other way of "killing off those them.
