Anti-Masons, in the open air, after encountering every species of obstacle, assembled known, (except by dandies, agrarians and Liverpool packet, on the 26th ult. toring every species of obstacle, assembled more than Two THOUSAND SOULS, including two hundred ladies, to do what? "to eat, and drink, and be merry," no, by no means—They had no feasting—they had nothing to eat—nothing to drink but pure wholesome the country of the species and the species and the species and the species of the species and the species and the species and the species of the spe water—they came together from all parts of the county—not the turnpits and toad eaters -not the cocknies and dandies of the town was treated lightly by those who made the city, left their farms, their workshops,

Mr. Ritner in his boyhood was employed and their stores upon a market day, the busiest day of a busy people, and met together, at Pittsburg, to celebrate the Anniversary

But if that were his first, Mr. Horn's next move was more indicative of the cunning politician and prudent leader. He immediately sat himself down to address a letter to General Jackson, with a faint hope of draw. ing something from him, explanatory of his partiality for their candidate. Mr. Horn him partiality for their candidate. Mr. Horn him partiality for their candidate. Mr. Horn's next in the subject, in the subject, unless 1 shound by some one, who has authority or merly of Porcupine's Gazette, died on his didignation raised so suddenly to so high a pict.

Consert, Editor of the Register, and formerly of Porcupine's Gazette, died on his farm in Surrey, (England,) on the 18th June, as before observed to the re-election of our merly of Porcupine's Gazette, died on his authority or merly of Porcupine's Gazette, died on his as before observed to the re-election of our merly of Porcupine's Gazette, died on his as before observed to the falled on by some one, who has authority or called on by some one, who has authori at least not all that he wished and he straightway addressed another lugubrious note to his great Patron. To this also there seems to ave been an answer sent by return mail. And we are left to infer that Mr. Horn considered his diplomacy in some measure successful, from the fact that he immediately published the second letter which he receive

contains the Hero's opinions of "Governor Wolf and General Muhlenberg," they have raised all oud shout for the production of the letter. Thus far, however, Mr. Horn has turned a deaf car to these calls, and makes the most of a bad case, by keeping the first the most of a bad case, by keeping the first county of the production of the p

instruction the least reference to any thing touching the present Pennsylvana election. It was a just fribute to the Democracy of the State, and na'urally associated with the sentiment in honor of the resistance it made of the public agent through whom it was made effectual. The toast had reference to the past, and not to to the past, and not to the present; and was grave. It must startle editors so fixedly design on my part to accomplish any future paper.
