CARMINATIVE BALSAM AND HEALTH RESTORATIVE.

In the Malignant, Spasmodic, or Asiatic, Cholera, Cholera Morbus, Diarrhoea, or Looseness, Dysentery, Sick or Nervous Head-Ache, Cholera Infantum, or Stomach Complaint, Cholera, Cramps, Spasmodic Cholera, &c. &c. TO THE PUBLIC. THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduced into general use. It contains no noxious article, nor mineral or metallic substance, and is carefully compounded so as to always be of uniform strength and consistency. It will keep good for years and grows more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do—Sailors and travelling persons should always carry it with them.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "DR. JAYNE'S CARMINATIVE BALSAM" blown on them, and the written signature of Dr. Jayne to the bottom of each direction—none others are genuine. This medicine is not recommended as a "Panacea" to cure all diseases to "which flesh is heir to" but as a remedy in Diarrhoea. The beginning and latter stages of Dysentery, Cholera Morbus, the Spasmodic or Malignant Cholera, Cramps, Cholera, Sick and nervous Headache. For the Summer Complaint or Cholera of children it is unrivalled by any other combination of medicine ever used. It has repeatedly effected cures, when every other means had failed aided by the attendance and skill of the ablest physicians, that could be procured. Obsolete Diarrhoeas of years standing, have been removed by the use of a few bottles of it; violent Dysenteries arrested and Cholera Morbus cured. The Spasms attending the Malignant Cholera have always been suppressed in from one to three minutes time, and that much dreaded and fatal disease repeatedly cured without the aid of any other article of medicine. In fact its power over spasmodic diseases of every kind seem to be absolute as it has never yet been known to fail of giving relief in a single instance. GRIPEING pains, tormina and tenesmus Cholera, Cramps &c. are also soon removed by it.

Hundreds of females and sedentary persons can attest to its superior excellence in sick and nervous Headaches as two or three teaspoonfuls generally gives them relief in the course of half an hour. Children laboring under the Summer Complaint, have been cured in a short time after all known remedies had failed—those who have been so extremely emaciated that their bones almost protruded through their skins, and all hope of recovery abandoned, by all who saw them, have by a few weeks use of this medicine been restored to perfect health.

CERTIFICATES. Certificate from Dr. William Bacon, Pastor of the Baptist Church at Pittsboro, Salem Co., N. J. Having been made acquainted with the ingredients composing Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children, Cholera, Cramps, Looseness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness of the Stomach; and believe that the regular physician will often find it a useful remedy in his hands, and one that is proper for domestic use, and can be put into the hands of persons at large with safety. WM. BACON, M. D. Pittsboro, Salem Co., N. J. May 4th, 1831.

Certificate from Dr. Wm. Steeling. This medicine I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with for the relief of such diseases. WILLIAM STEELING, M. D. Bridgeton, July 19th, 1831.

From Dr. M. L. Knapp, late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution. Baltimore, March 27th, 1832.

Dr. JAYNE—Dear Sir—You ask me what profits I meet with of the efficacy of your medicine. I can assure you that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children, it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such a child," I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours. I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully, M. L. KNAPP, M. D.

From Dr. L. Lawrence. Cedarville, Oct. 9th, 1832.

Dr. D. JAYNE—Dear Sir—The curative powers of your Carminative Balsam appears to be fairly established in all Bowel Complaints, &c; and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely afflicted, and with complete success, without the use of any other medicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who are apt to be affected this way; and which every practitioner in medicine has found to be a very troublesome disease. Respectfully, LEONARD LAWRENCE, M. D.

From Dr. Charles Hammond. Dr. JAYNE—Dear Sir—I have made use of the Carminative Balsam prepared by you for Complaints of the Bowels, with complete success in every case and I do not hesitate to recommend it to the patronage of the public as a medicine, worthy of their particular notice.

CHARLES HAMMOND. Locustburg, Va. Oct. 5th, 1831.

From the Rev. Charles J. Hopkins, Pastor of the Baptist Church at Salem N. J. Dr. JAYNE—Dear Sir—Understanding you were about to publish certificates respecting your valuable Carminative Balsam, I thought if it would be of any service to you, I would wish to bear a public testimony in its favor; as we have proved its excellency very frequently in our family, and

also administered it to our friends, who have visited us, and always found it gave them speedy relief. Yours Respectfully, CHARLES J. HOPKINS. Salem N. J. Jan. 7th, 1835.

The above valuable medicine is sold at the Apothecary and Drug Store of the subscriber. SAMUEL H. BUEHLER. Gettysburg, May 4, 1835.

DR. HULL'S RECENTLY IMPROVED TRUSS.—The distinguished surgeons and medical faculty of the cities generally, and elsewhere, have come to the conclusion that this Truss, in its present improved state, is the only instrument—urgently adapted to the disease of Rupture, and the only one that patients can rely upon for the safe retention of the bowels and the final cure of the disease.

In confirmation of which the following names of distinguished medical gentlemen of New York city, with many others, have expressed a decided preference for this instrument, are respectively added: Valentine Mott, M. D. George Bushley, M. D. A. Stevens, M. D. David Hosack, M. D. John B. Beck, M. D. Samuel Ackerly, M. D. Cyrus Perkins, M. D. David M. Rice, M. D. John Stearns, M. D. Wm. Anderson, M. D. Also, the following extract of a late certificate of Dr. Mott, of New York: "For the last twelve months, the curative powers of Dr. Hull's Truss have been tested under my own observation with the most gratifying success in cases of great difficulty, in which the mutilated imitation Trusses so common in our market, had only aggravated the disease. Dr. Hull is an experienced surgeon, who has displayed not a little surgical skill and mechanical ingenuity in bringing this unrivalled instrument to its present state of perfection, rendering it, I know, the best I ever saw for securing, comforting and curing the ruptured patient, and is in my opinion, the only instrument of the kind that is entitled to patronage of the profession, and the confidence of the people. VALENTINE MOTT, M. D. Park Place, Feb. 20, 1834.

Letters Patent of the United States have been granted to Dr. Hull for 14 years from the 1st improvement, dated July 5th, 1833. For sale at the Drug Store of Dr. J. GILBERT, Gettysburg. May 11, 1835.

A VALUABLE remedy in colds, coughs, dyspepsia, dysentery, diarrhea, catarrh and affections of the breast and lungs. The Iceland Moss has long been well known as a valuable medicine in affections of the breast—the Carrageen or Irish Moss has long been in use in Ireland for the same affections. Slippery Elm Bark and Horehound are also well known and appreciated for their beneficial effects in the same diseases. Prepared only by G. W. Carpenter, Philadelphia. And for sale by Dr. J.
