

[CONCLUDED FROM THE FIRST PAGE.]

ists, in sending their incendiary publications into States where their circulation is prohibited by law, and much more may post-masters residing in those States refuse to distribute them.

I do not desire to be understood as affirming that the suggestions here thrown out, ought, without the action of higher authority, to be considered as the settled construction of the law, or regarded by postmasters as the rule of their future conduct.

It prevents the certain seizure of all the mails in the aggrieved States, with a view to the interception and destruction of the obnoxious papers—the interruption of commercial and friendly correspondence—the loss of confidence in the safety of the mail conveyances; and the probable overthrow of the authority of the U. States, as far as regards the Post Office establishment, throughout half the territory of the Union.

It prevents a speedy interruption of commerce and trade between the cities of the North and the South; for there are abundant evidences, that the vessels or steamboats which should be known to come freighted with these papers, whether in the mail or out, would not long be suffered to float in safety in the southern ports.

It allays in some degree the excited feelings of the white man against the black, which changes the dominion over the slave from one of mildness to one of severity, and puts the free negro in imminent peril of his life.

You avoid being made yourself the agent and accomplice of blind fanaticism or wicked design, in a course of proceeding, which, if successful, could not fail to repeat on our shores, the horrors of St. Domingo, and desolate with exterminating war, half the territory of our happy country.

You prevent your government from being made the unwilling agent and abettor of crimes against the states which strike at their very existence, and give time for the proper authorities to discuss the principles involved and digest a safe rule for the future guidance of the department.

While persisting in a course which philanthropy recommends and patriotism approves, I doubt not that you and the other Postmasters who have assumed the responsibility of stopping these inflammatory papers in their passage to the South, will perceive the necessity of performing your duty in transmitting and delivering ordinary newspapers, magazines, and pamphlets, with perfect punctuality.

Very respectfully, yours, EDM. F. BROWN, Of the Post Office Department; Washington City, Sept. 2, 1835.

RESPECTFULLY informs the citizens of Adams that it is his intention to attend the regular Terms in this County.

CARMINATIVE BALSAM

AND HEALTH RESTORATIVE, In the Malignant, Spasmodic, or Asiatic, Cholera, Cholera Morbus, Diarrhoea or Looseness, Dysentery, Sickness or Nervous Headache, Cholera Infantum or Summer Complaint, Cholera, Cramps, Sour Stomachs, &c. &c.

TO THE PUBLIC. THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduced into general use. It contains no noxious article, nor mineral or metallic substance and is carefully compounded so as to always be of uniform strength and consistency.

It will keep good for years and grows more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do.—Sailors and travelling persons should always carry it with them.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "DR. D. JAYNE'S CARMINATIVE BALSAM" blown on them, and the written signature of D. Jayne at the bottom of each direction—none others are genuine.

This medicine is not recommended as a "Panacea" to cure all diseases to "which flesh is heir to" but as a remedy in Diarrhoea, Cholera Morbus, the Spasmodic or Malignant Cholera, Cramps, Cholera, Sick and nervous Headache. For the Summer Complaint or Cholera of children it is unrivalled by any other combination of medicine ever used. It has repeatedly effected cures, when every other means had failed aided by the attendance and skill of the ablest physicians, that could be procured.—Obstinate Diarrhoeas of years standing, have been removed by the use of a few bottles of it; violent Dysenteries arrested and Cholera Morbus cured. The Spasms attending the Malignant Cholera have always been suppressed in from one to three minutes time, and that much dreaded and fatal disease repeatedly cured without the aid of any other article of medicine. In fact its power over spasmodic diseases of every kind seem to be absolute as it has never yet been known to fail of giving relief in a single instance.—Gripping pains, tormina and tenesmus Cholera, Cramps &c. are also soon removed by it.

Hundreds of females and sedentary persons can attest to its superior excellence in sick and nervous Headaches as two or three teaspoonfuls generally gives them relief in the course of half an hour.

Children laboring under the Summer Complaint, have been cured in a short time after all known remedies had failed—those too who have been so extremely emaciated that their ribs almost protruded through their skins, and all hope of recovery abandoned, by all who saw them, have by a few weeks use of this medicine been restored to perfect health.

CERTIFICATES. Certificate from Dr. William Bacon, Pastor of the Baptist Church at Pittsboro, Salem Co., N. J. Having been made acquainted with the ingredients composing Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children, Cholera, Cramps, Looseness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness of the Stomach; and believe that the regular physician will often find it useful in his hands, and one that is proper for domestic use, and can be put into the hands of persons at large with safety. WM. BACON, M. D. Pittsboro, Salem Co. N. J. May 4th, 1831.

Certificate from Dr. Wm. Sterling. This may certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases. WILLIAM STERLING, M. D. Bridgeton, July 19th, 1831.

From Dr. M. L. Knapp, late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution. Baltimore, March 27th, 1833.

Dr. Jayne—Dear Sir.—You ask me what proofs I meet with of the efficacy of your medicine. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children, it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, for the relief of such a child," I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully, M. L. KNAPP, M. D.

From Dr. L. Lawrence. Cedarville, Oct. 9th, 1832.

Dr. Jayne—Dear Sir.—The curative powers of your Carminative Balsam appear to be fairly established in all Bowel Complaints, &c.; and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely handled, and with complete success, without the use of any other medicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who are apt to be affected this way; and which every practitioner in medicine has found to be a very troublesome disease. Respectfully, LEONARD LAWRENCE, M. D.

From Dr. Charles Hammond. Locsburg, Va. Oct. 5th, 1834.

From the Rev. Charles J. Hopkins, Pastor of the Baptist Church at Salem N. J.

Dr. Jayne—Dear Sir.—Understanding you were about to publish certificates respecting your valuable Carminative Balsam, I thought it would be of any service to you; I would wish to bear a public testimony in its favor; as we have proved its excellency very frequently in our family, and also administered it to our friends, who have visited us, and always found it gave them speedy relief. Yours Respectfully, CHARLES J. HOPKINS. Salem N. J. Jan. 7th, 1835.

The above valuable medicine is sold at the Apothecary and Drug Store of the subscriber. SAMUEL H. BUEHLER. Gettysburg, May 4, 1835.
