LEGISLATIVE PROCEEDINGS.

Daily Pennsylvania Reporter.

THE proprietors of the Pennsylvania Reporter, aware of the necessity which exists for the dissemination of earlier and more minute details of the proceedings of the Legislature, than the circulation of a semi-weekly paper will admit of, design commencing, with the approaching session of the Legislature, the publication of a DAILY JOURNAL under the title of the "DAILY PENNSYLVANIA REPORTER," which will be devoted, exclusively, to detailed reports of the proceedings, &c. in both houses of our State Legislature. The experiment is one which can only be justified by a liberal share of public patronage—but, convinced of the necessity which prevails for the establishment of such a medium for the more general diffusion of intelligence in which every citizen of the State feels a deep interest, and determined to secure the assistance of the most able and competent reporters, and spare no pains to render the Daily Reporter worthy of public favor, they rely with confidence on the liberality of an enlightened and patriotic people to sustain them in their undertaking. It is designed to make the Daily Pennsylvania Reporter essentially a LEGISLATIVE PAPER. Its columns will not be open to the admission of any articles of a party character—such subjects will be referred to in the semi-weekly paper alone.

Trusting to the well-known liberality of the citizens of Philadelphia; and other parts of the State, who feel an interest in the progress of our public affairs, the subscribers submit this Prospectus to their consideration, and will feel happy to receive, at their hands, a degree of support which will cheer them in the prosecution of the projected experiment.

TERMS: The Daily Pennsylvania Reporter will be published every morning, on a good sized sheet, with excellent type, at FIVE DOLLARS for the session, payable in all cases in advance. An individual transmitting twenty notices, will be entitled to six copies during the session. The exertions of Postmasters and others are respectfully solicited in aid of this enterprise.

PATTERSON & SMALL. Harrisburg, October 19, 1835.

Semi-Weekly Pennsylvania Reporter.

THE subscribers intend publishing this paper TWICE A WEEK, as usual, during the approaching session of the Legislature, which will be one of more than ordinary interest—and from new engagements which are now in train of preparation, as well as from the fact that the best and most experienced reporters have been engaged to superintend the legislative department, they besitate not to say, that the Reporter will be rendered exceedingly interesting, and in every respect more worthy of the patronage which has been hitherto so liberally bestowed upon it.

Individuals desirous of being put in possession of full, fair and impartial reports of legislative debates and proceedings, will, we doubt not, satisfactorily attain their object, by adding their names to the list of subscribers for the Daily or Semi-weekly Pennsylvania Reporter.

TERMS: The terms will be the same as heretofore: viz: For the session, twice a week, in advance, \$2 00

For the whole year, 3 00

PATTERSON & SMALL. Harrisburg, October 19, 1835.

CONSUMPTION.

Indian Specific,

FOR the prevention and cure of Coughs, Colds, Asthmas, Consumptions, Spitting Blood, and diseases of the Breast and Lungs, prepared by Doct. CLARKSON FREEMAN, of the city of Lancaster.

BILL OF DIRECTION.

Accompanying each bottle of the Specific, pointing out in a conspicuous manner, all the symptoms in the different stages of these distressing diseases; also particular directions respecting diet and regimen, and how patients are to conduct through every stage until health is restored—for vain and useless would be the prescriptions of the ablest physicians, accompanied by the most powerful and useful medicines, if the directions are not faithfully adhered to.

The public are informed that the depositions of 257 persons have been taken, before proper authorities in the city of Lancaster, all completely cured in the most desperate cases of consumption, some of which are detailed in the bills accompanying each bottle.

The price of each bottle of Indian Specific is \$1, and each envelope of the genuine Specific is signed by Dr. Clarkson Freeman, and the initials, C. F. on the seal of each bottle. None can be genuine without his signature, a base composition having been attempted to be imposed on the public by a counterfeit imitation of this extraordinary article.

For sale at the drug store of Dr. J. GILBERT, Gettysburg, Oct. 19, 1835.

GARLEGANT'S BALSAM OF HEALTH,

Prepared only by JOHN S. MILLER, Frederick, Md.

THE subscriber has just received a supply of the above valuable BALSAM, which is now extensively known and used in many places in the States of Virginia, Maryland, Pennsylvania, Ohio, N. York, and Kentucky, with astonishing success, and has performed wonderful cures in dyspepsia, cholera, nervous tremors, lowness of spirits, and palpitation of the heart—it is also a sovereign remedy for all kinds of worms, &c. The proprietor has a great number of certificates in possession, of cures performed by this valuable medicine, which would fill several columns of a newspaper, and therefore gives only a few of the most prominent, which the reader will find below this advertisement. It is neatly put up in square half pint bottles, with the name of the medicine blown on the glass of each bottle, and the proprietor's signature on a label, pasted on the outside wrapper of each bottle to prevent it from being counterfeited. Each bottle is accompanied with extensive directions for its use, which can at all times be had of the subscriber, at one dollar per bottle, and by the quantity at a liberal discount.

SAM'L H. BUEHLER, Agent. Gettysburg, June 22, 1835.

RECOMMENDATORY NOTICES.

Dr. John S. Miller, Fredericktown, Md. I do hereby certify that I had this last spring and summer a constant pain in my stomach, and a great weakness in my kidneys, and pain across my eyes, for which I used a good many remedies without giving relief. I was at last recommended to try a bottle of Garlegant's Balsam of Health, prepared by John S. Miller. I accordingly made use of one bottle, which I procured of his agent in Hagerstown, which restored me to my good health again, and am now as well as ever I was, and you are at liberty to make it known for the benefit of those afflicted in the same way.

Yours, &c. JACOB BOWER, Court Crier. Hagerstown, Sept. 1834.

About two years ago I was severely afflicted with the dyspepsia, which I had for the last fifteen years, previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dyspepsia and general weakness and debility to such a degree, that for two years previous to my using the Garlegant Balsam I never eat a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garlegant's Balsam of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain and digest every thing I eat. I continued to use the Balsam until I used seven bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dyspepsia or debility of stomach. Given under my hand this 11th day of January, 1834.

HENRY LOUTHAN, Frederick county, Va. Leesburg, Virginia.

Dear Sir—I have used the Balsam of Health which I procured from you, with great benefit; if not with entire relief. When I procured it I was sorely afflicted with dyspepsia, attended by all the distressing symptoms, headaches, giddiness, heat, and the thousand nervous affections which accompany it, in its worst stages. At times such was the debility occasioned, that I was bed ridden. I think I can say, that the first relief, if not the entire cure, was produced by the use of the Balsam.

Jan. 1st: CHAS. W. BINNS. Joseph Dukehart & Co's Basket, Wooden-ware, and Fishing-tackle WARE-HOUSE: No. 101 1/2, Baltimore, between Calvert and South streets, Baltimore, 20th Month 19th, 1835.

CARMINATIVE BALSAM

AND HEALTH RESTORATIVE,

In the Malignant, Spasmodic, or Asiatic Cholera, Cholera Morbus, Diarrhoea, Looseness, Dysentery, Sicker Nervous Head-Ache, Cholera Infantum, Summer Complaint, Cholera, Cramps, Sour Stomach, &c. &c.

TO THE PUBLIC.

THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduced into general use. It contains no noxious articles, nor mineral or metallic substance, and is carefully compounded so as to always be of uniform strength and consistency.

It will keep good for years and grows more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as well as Sailors and travelling persons should always carry it with them.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "DR. D. JAYNE'S CARMINATIVE BALSAM" blown on them, and the written signature of D. Jayne to the bottom of each direction—none others are genuine.

This medicine is not recommended as a "Panacea" to cure all diseases to "which flesh is heir to" but as a remedy in Diarrhoea. The beginning and latter stages of Dysentery, Cholera Morbus, the Spasmodic or Malignant Cholera, Cramps, Cholitis, Sick and Irrisious Headache. For the Summer Complaint or Cholera of children it is unrivalled by any other combination of medicine ever used. It has repeatedly effected cures, when every other means had failed, aided by the attendance and skill of the ablest physicians, that could be procured.

Obstinate Diarrhoeas of years standing, have been relieved by the use of a few bottles of it; violent Dysenteries arrested and Cholera Morbus cured. The Spasms attending the Malignant Cholera have always been suppressed in from one to three minutes time, and that much dreaded and fatal disease repeatedly cured without the aid of any other article of medicine. In fact its power over spasmodic diseases of every kind seem to be absolute as it has never yet been known to fail of giving relief in a single instance.

Gripping pains, tormina and tenesmus Cholitis, Cramps &c. are also soon removed by it. Hundreds of females and sedentary persons can attest to its superior excellence in sick and nervous Headaches as two or three teaspoonfuls generally gives them relief in the course of half an hour.

Children laboring under the Summer Complaint, have been cured in a short time after all known remedies had failed—those who have been so extremely emaciated that their bones almost protruded through their skins, and all hope of recovery abandoned, by all who saw them, have by a few weeks use of this medicine been restored to perfect health.

CERTIFICATES.

Certificate from Dr. William Bacon, Pastor of the Baptist Church at Pittsgrove, Salem Co., N. J. Having been made acquainted with the ingredients composing Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination of medicinal ingredients in one of our country, such as Bowel Affections of children, Cholera, Cramps, Looseness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness of the Stomach, and believe that the regular physician will often find it a useful and safe remedy in all cases that is proper for domestic use, and can be put into the hands of persons at large with safety.

WM. BACON, M. D. Pittsgrove, Salem Co. N. J. May 4th, 1831.

Certificate from Dr. Wm. Steeling. This may certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases.

WILLIAM STEELING, M. D. Bridgeton, July 12th, 1831.

From Dr. M. L. Knapp, late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution. Baltimore, March 27th, 1833.

Dr. JAYNE—Dear Sir—You ask me what proofs I meet with of the efficacy of your medicine. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children, it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such a child," I have repeatedly heard said. In dysenteric affections of adults, it gave time and again soon it acted like a charm, and gave permanent relief in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it.

Respectfully, M. L. KNAPP, M. D.

From Dr. L. Lawrence. Cedarville, Oct. 9th, 1832.

Dr. D. JAYNE—Dear Sir—The curative powers of your Carminative Balsam appears to be fairly established in all Bowel Complaints, &c.; and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely afflicted, and with complete success, without the use of any other medicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who are apt to be affected this way; and which every practitioner in medicine has found to be a very troublesome disease. Respectfully,

LEONARD LAWRENCE, M. D.

From Dr. Charles Hammond. Leesburg, Va. Oct. 5th, 1834.

Dr. JAYNE—Dear Sir—I have made use of the Carminative Balsam prepared by you for Complaints of the Bowels, with complete success in every case and I do not hesitate to recommend it to the patronage of the public as a medicine, worthy of their particular notice.

CHARLES HAMMOND. Leesburg, Va. Oct. 5th, 1834.

From the Rev. Charles J. Hopkins, Pastor of the Baptist Church at Salem N. J.

Dr. JAYNE—Dear Sir—Understanding you were about to publish certificates respecting your valuable Carminative Balsam, I thought it would be of my service to you, I wish with to bear a public testimony in its favor; as we have proved its efficacy very frequently in our family, and

also administered it to our friends, who have visited us, and always found it gave them speedy relief. Yours respectfully,

CHARLES J. HOPKINS. Salem N. J. Jan. 7th, 1835.

The above valuable medicine is sold at the Apothecary and Drug Store of the subscriber.

Fourth Year of Waldie's Library.

Books by Mail! Prospectus of Two New Volumes for 1836.

THREE years have now elapsed since the proprietor of Waldie's Select Circulating Library laid before the public his original prospectus for a valuable library, the great features of which were cheapness, and the facility of a rapid transportation by mail. The most ample success has attended the enterprise, and the effects upon the reading community, it is believed, have been immense.

The fourth year will commence on the first Tuesday of January, 1836, at which period it will be necessary to determine the additional amount of copies to be printed, subscriptions being taken only from January of each year. The entire success of the Library is the best guarantee that can be given of its continuance. It was the first to supply books by mail at a mere per centage of their former cost; it has outlived more than thirty similar attempts at imitation, and
