PROSPECTUS OF THE Harrisburg Chronicle, Published by Hugh Hamilton & Son.

The approaching Session of the Legislature must be one of unusual interest to the people of Pennsylvania. The accusations brought against the present administration with respect to favors, extravagance, internal improvement, and the school law, would seem to indicate that the new rulers, just elected, are opposed, totally and without reserve, to the policy of Gov. Wolf; and it is of great interest to the people to know what policy shall be substituted for that which has been so loudly condemned.

TO THE PUBLIC. THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduced into general use. It contains no noxious article, nor mineral or metallic substance and is carefully compounded so as to always be of uniform strength and consistency.

It will keep good for years and grows more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "DR. D. JAYNE'S CARMINATIVE BALSAM" blown on them, and the written signature of Dr. Jayne to the bottom of each direction—none others are genuine.
