To the Afflicted.

DR. J. CARPENTER,

BOTANIC PHYSICIAN.

WOULD respectfully inform the inhabitants of Liberty township, and the Public generally, that he resides at the house of Esther and Elizabeth Carpenter, in said township, two miles north of Emmitsburg, and two and a half miles south of David Eiker's mill, where calls from patients will receive prompt attention.

Having studied with a celebrated INDIAN DOCTOR, who is very noted for his penetrating remarks on the nature of the disease, and in curing chronic diseases, and having likewise pursued a regular course of Medical Studies, and believing that Botanic Medicines are superior to every other kind, he would therefore invite the attention of those who are afflicted with chronic disease, and can obtain no relief from other sources—believing that he can give general satisfaction to those who may see proper to employ him.

The diseases to which he would invite public attention are, Consumption—Those who are afflicted with this disease may find relief in a very short time by making use of those Indian remedies.

Likewise those who are troubled with the Liver Complaint, Dropsy, Asthma or Phthisis, Epilepsy or Falling Fits, Female Debility, and Female Complaints in general, Fever and Ague, and Fevers generally; Indigestion or Dyspepsia, Gravel and Stone, Rheumatism, and Piles. These troublesome complaints can be relieved in a short time.

Consumption will be cured without caustic or the knife. Those laboring under this disease may find relief in a very short time, and if the disease is not too far advanced, a permanent cure.

Likewise, Inflammation and Ulceration of the bones, Mortification, Lock Jaw, White Swelling and Fever Sores, Scald Head, Felons and Sores generally.

I also keep on hand most kinds of Medicine for family use. Also Thompsonian Medicines prepared for family use. Likewise a general assortment of MEDICINES, (prepared upon the true Indian principle) for the following diseases, which I will sell at moderate prices as any other medicine sold at the apothecary's shops for the same diseases—viz: For Coughs, Pain in the breast and side, or stomach, stitch or pain in the back, palpitation of the heart, spitting of blood, head ache, pain in the head, catarrh of the nose, bleed, Dysentery or bloody flux, Fever and Ague, &c.

J. CARPENTER. November 2, 1835.

The Washington Mirror.

SECOND VOLUME.

THE subscriber having purchased the WASHINGTON MIRROR from its former proprietor, will in future be its conductor.

The general plan of the Mirror is, we believe, satisfactory to all our subscribers—affording a comprehensive view of city affairs in a manner unattempted by any other paper. This plan will be strictly adhered to. Our leading object being "to lay hold of those local subjects and occurrences which have not been noticed in the daily papers," including Police Reports, and all such matter as is of general interest, we have engaged the valuable services of MR. WILLIAM THOMPSON as assistant editor, whose spirited and untiring exertions to facilitate this paper have been so eminently successful.

We propose to furnish brief abstracts of all judicial decisions which shall more particularly interest the citizens of this District. Also, a brief but comprehensive summary of Congressional proceedings.

We propose further, during the Session of Congress, to publish an EXERCISE ENCYCLOPEDIA, by which arrangement our distant subscribers will receive the latest Congressional Intelligence one day and a half sooner than through any other Washington paper.

We intend, if possible, to furnish a weekly list of all New Patents; a Bank-note Table, and Prices Current of Washington, Alexandria, and Georgetown, corrected with the greatest accuracy; also, Stage, Steamboat, and Rail Road Registers.

We shall exert our best endeavors to elevate the literary character of the Mirror. This can only be done by the co-operation of those minds which are able and willing to aid in the advancement of letters. We cannot, however, be so unjust to our subscribers as to make the Mirror an arena for the unskillful, since far more desirable, it must be allowed, would be judicious selections than mediocre originality.

We believe that the prospects of Washington demand such a paper as we intend to publish. She is already closely allied, by her rail road, to a great and flourishing city, and is destined to be her competitor, rather than rival, in exchanging the products of the country; by means of her stupendous canal, she is about to be thrown, as it were, into the centre of an immense territory, where the resources of industry defy the reach of imagination, and where an amount of capital must soon be created, which will astonish the most sanguine economist.

Washington and Baltimore, as one mighty heart, must receive and return the current which will give vitality to the commerce of twenty millions of men. Such, in fact, are our advantages, that prosperity must come in spite of causes which conspire to oppress us; but a sense of duty, carried out into action, will relieve our embarrassments, and produce results of incalculable magnitude.

We propose, then, to supply a paper in some degree adapted to the wants of an important community; a literary and miscellaneous family paper—a journal of current literature—a repository of commercial intelligence. And we appeal to an enlightened and liberal community to sustain us in our undertaking.

Terms of the paper—two dollars, payable in all cases semi-annually in advance.

RUFUS DAWES.

Washington, D. C., Nov. 2, 1835.

PROSPECTUS OF THE

Harrisburg Chronicle

Published by Hugh Hamilton & Son, twice a week.

THE approaching Session of the Legislature must be one of unusual interest to the people of Pennsylvania. The accusations brought against the present administration with respect to taxes, extravagance, internal improvement, and the school law, would seem to indicate that the new rulers, just elected, are opposed, totally and without reserve, to the policy of Gov. Wolf; and it is of great interest to the people to know what policy shall be substituted for that which has been so loudly condemned.

Alas! in all the departments of government have been charged against the present administration, and reform has been promised, and it is of great interest to the people to know exactly the extent of the abuse, and the measure of the reform.

There are points that will make a paper at the seat of government more than usually interesting at the approaching session of the Legislature, and as the editors of the CHRONICLE have both the leisure, and inclination, and, they trust, the ability, to furnish ample and accurate Reports of the proceedings of the Representatives of the people, they solicit public patronage to their sheet.

THE HARRISBURG CHRONICLE will, as heretofore, be scrupulously impartial, suffering no party bias to color the Report of Proceedings of the Legislature. But at the same time, the editors promise that public measures shall be discussed, fully, freely and fearlessly, in the columns of the Chronicle, such a discussion being imperiously required by the position of our Public Improvements, and of our State and National Politics.

TERMS. For the Session alone, twice a week, \$2 00 In advance, 3 00 For the whole year, in advance, 30 00 Persons desirous of furnishing six subscribers, and enclosing TEN DOLLARS, shall have a seventh copy forwarded regularly for their trouble.

Harrisburg, Oct. 26, 1835.

LEGISLATIVE PROCEEDINGS.

Daily Pennsylvania Reporter.

THE proprietors of the Pennsylvania Reporter, aware of the necessity which exists for the dissemination of earlier and more minute details of the proceedings of the Legislature, than the circulation of a semi-weekly paper will admit of commencing, with the approaching session of the Legislature, the publication of a DAILY JOURNAL under the title of the "DAILY PENNSYLVANIA REPORTER," which will be devoted, EXCLUSIVELY, to detailed reports of the proceedings, &c. in both houses of our State Legislature. The experiment is one which can only be justified by a liberal share of public patronage—but, considering the necessity which exists for the establishment of such a medium for the more general diffusion of intelligence in which every citizen of the State feels a deep interest, and determined to secure the assistance of the most able and competent reporters, and spare no pains to render the Daily Reporter worthy of public favor, they rely with confidence on the liberality of an enlightened and patriotic people to sustain them in their undertaking.

It may be well to state, expressly and distinctly, that it is designed to make the Daily Pennsylvania Reporter ESSENTIALLY A LEGISLATIVE PAPER. Its columns will not be open to the admission of any articles of a party character—such subjects will be referred to in the semi-weekly paper alone.

Trusting to the well-known liberality of the citizens of Philadelphia; and other parts of the State, who feel an interest in the progress of our public affairs, the subscribers submit this Prospectus to their hands, and will feel happy to receive, in their hands, a degree of support which will cheer them in the prosecution of the projected experiment.

TERMS: The Daily Pennsylvania Reporter will be published every morning, on a good sized sheet, with excellent type, at FOUR DOLLARS for the session, payable in all cases in advance.— Any individual transmitting TWENTY DOLLARS, will be entitled to six copies during the session.

The exertions of Postmasters and others are respectfully solicited in aid of this enterprise. PATTERSON & SMALL. Harrisburg, October 19, 1835.

Semi-Weekly Pennsylvania Reporter.

THE subscribers intend publishing this paper twice a week, as usual, during the approaching session of the legislature, and will be one of more than ordinary interest—and from new arrangements which are now in train of preparation, as well as from the fact that the best and most experienced reporters have been engaged to superintend the legislative department, they hesitate not to say, that the Reporter will be rendered exceedingly interesting, and in every respect more worthy of the patronage which has been hitherto so liberally bestowed upon it.

Individuals desirous of being put in possession of full, fair and impartial reports of legislative debates and proceedings, will, we doubt not, satisfactorily attain their object, by adding their names to the list of subscribers for the Daily or Semi-weekly Pennsylvania Reporter.

For the session, twice a week, in advance, \$2 00 For the whole year, 3 00 PATTERSON & SMALL. Harrisburg, October 19, 1835.

Democratic State Journal.

THE Editors of the STATE JOURNAL have made arrangements for publishing at length, the proceedings & debates of the next Legislature. From the peculiar relations of parties, and the principles and professions of the majority in the lower house, the coming session is beheld with great curiosity, and expected to be one of uncommon interest. Much has been said of the unworthiness of Free-Masonry, and the greatest number of members owe their elections to this subject. It may therefore be presumed that the debates of the Legislature will be thoroughly scanned, by those profiting the distinctive principle of Anti-Masonry, who have the power of proving to the world the truth or falsity of the allegations upon which the Anti-Masonic excitement is based.

The same party have also spoken "loud and long" of manifold abuses and corruptions, tolerated and encouraged by the present administration, and have accompanied their censures with promises of reform and patriotic professions, which would do credit to the most renowned sages and benefactors of mankind that ever adorned our own, or any other age of the world. The movements of men who have voluntarily assumed such grave obligations, will afford a spectacle replete with interest and instruction.

TERMS.—THE STATE JOURNAL will be published at Harrisburg, Pa. once a week during the Summer and Fall, and semi-weekly during the Sessions of the Legislature, at THREE DOLLARS per annum—or TWO DOLLARS during the Session, payable in advance.

CHABD & BARRETT. Harrisburg, Nov. 2, 1835.

CARMINATIVE BALSAM

AND HEALTH RESTORATIVE,

In the Malignant, Spasmodic Cholera, Cholera Morbus, Diarrhoea or Loosness, Dysentery, Sick or Nervous Head-Ache, Cholera Infantum or Summer Complaint, Cholera, Cramps, Sour Stomachs, &c. &c.

TO THE PUBLIC.

THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduced into general use. It contains no noxious article, nor mineral or metallic substance and is carefully compounded so as to always be of uniform strength and consistency.

It will keep good for years and grows more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do.— Sailors and travelling persons should always carry it with them.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "DR. D. JAYNE'S CARMINATIVE BALSAM" blown on them, and the written signature of D. Jayne to the bottom of each direction—none others are genuine.

This medicine is not recommended as a "Panacea" to cure all diseases to which "flesh is heir to" but as a remedy in Diarrhoea. The beginning and latter stages of Dysentery, Cholera Morbus, the Spasmodic or Malignant Cholera, Cramps, Cholera, Sick and nervous Headache. For the Summer Complaint or Cholera of children it is unrivalled by any other combination of medicine ever used. It has repeatedly effected cures, when every other means had failed aided by the attendance and skill of the able physicians, that could be procured.— Obsolete Diarrhoeas of years standing, have been removed by the use of a few bottles of it; violent Dysenteries arrested and Cholera Morbus cured. The Spasms attending the Malignant Cholera have always been suppressed in from one to three minutes time, and that much dreaded and fatal disease repeatedly cured without the aid of any other article of medicine. In fact its power over spasmodic diseases of every kind seem to be absolute as it has never yet been known to fail of giving relief in a single instance.— Gripping pains, tormina and tenesmus Cholera, Cramps &c. are also soon removed by it.

Hundreds of females and sedentary persons can attest to its superior excellence in sick and nervous Headaches as two or three teaspoonfuls generally gives them relief in the course of half an hour.

Children laboring under the Summer Complaint, have been cured in a short time after all known remedies had failed—those too who have been so extremely emaciated that their bones almost protruded through their skins, and all hope of recovery abandoned, by all who saw them, have by a few weeks use of this medicine been restored to perfect health.

CERTIFICATES. Certificate from Dr. William Bacon, Pastor of the Baptist Church at Pittsgrove, Salem Co., N. J. Having been made acquainted with the ingredients composing Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children, Cholera, Cramps, Loosness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness of the Stomach; and believe that the physician will often find a useful remedy in his hands, and one that is proper for domestic use, and can be put into the hands of persons at large with safety. WM. BACON, M. D. Pittsgrove, Salem Co. N. J. May 4th, 1831.

Certificate from Dr. Wm. Steeling. This may certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases. WILLIAM STEELING, M. D. Bridgeton, July 19th, 1831.

From Dr. M. L. Knapp, late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution. Baltimore, March 27th, 1833. Dr. JAYNE—Dear Sir.—You ask me what proofs I meet with of the efficacy of your medicine. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children, it has frequently appeared to snatch the little victims, as it were, from the grave. "I saved the life of my child, and of such a child," I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully, M. L. KNAPP, M. D.

From Dr. L. Lawrence. Codrville, Oct. 9th, 1833. Dr. D. JAYNE—Dear Sir.—The curative powers of your Carminative Balsam appears to be fairly established in all Bowel Complaints, &c.; and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely afflicted, and with complete success, without the use of any other medicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who are apt to be affected this way; and which every practitioner in medicine has found to be a very troublesome disease. Respectfully, LEONARD LAWRENCE, M. D.

From Dr. Charles Hammond. Dr. JAYNE—Dear Sir.—I have made use of the Carminative Balsam prepared by you for Complaints of the Bowels, with complete success in every case and I do not hesitate to recommend it to the patronage of the public as a medicine, worthy of their particular notice. CHARLES HAMMOND. Leesburg, Va. Oct. 5th, 1834.

From the Rev. Charles J. Hopkins, Pastor of the Baptist Church at Salem N. J. Dr. JAYNE—Dear Sir.—Understanding you were about to publish certificates respecting your valuable Carminative Balsam, I thought it would be of any service to you, if I would wish to bear a public testimony in its favor; as we have proved its excellency very frequently in our family, and

also administered it to our friends, who have visited us, and always found it gave them speedy relief.

Yours Respectfully, CHARLES J. HOPKINS. Salem N. J. Jan. 7th, 1835.

The above valuable medicine is sold at the Apothecary and Drug Store of the subscriber. SAMUEL H. BUEHLER. Gettysburg, May 4, 1835. 1y-5
