King's Ministers, and was finally approved by the King.

The People of the U. States are justly attacked to a pacific system in their inter-course with foreign nations. It is proper, that they should know whether their Government has adhered to it. In the other present instance, it has been carried to the tumost extent, that was consistent with a becoming self-respect. The note of the ablance in the Treasury at the close the tumost extent, that was consistent with a becoming self-respect. The note of the ablance in the Treasury at the close of the present year, of about nineteen militage and the magnitude and complexity of the details occupying and dividing the attent of the present year, of about nineteen militage to the present year, of about nineteen militage to the present year, of about nineteen militage to make the payment of a just debt dependence of the present year of make the payment of a just debt dependence of the present year of the present year of make the payment of a just debt dependence of the present year of the present year of a just debt dependence of the present year of the present year of make the payment of a just debt dependence of the present year of the present same spirit. Finding that it was intended to make the payment of a just debt dependent on the performance of a condition which he knew could never be compiled with, he knew could never be compiled with, he thought it a duty to make another attempt to convince the French Government, that white self-respect and regard to the dignity of other nations would always provent us offence, set we could never admit a right in a spirit of self-respect and regard to the dignity of other nations would always provent us offence, set we could never admit a right in a spirit of self-respect and regard to the dignity of other nations would always provent us offence, set we could never admit a right in a spirit of self-respect and regard to the dignity of other nations would always provent us offence, set we could never admit a right in the present case, no such language had a been used, and that this had in a former note been fully and voluntarily stated before it was, contained and the payment of a just debt dependent on the proper departs of the death of the U. Stotes, which congress may designate, or to the thought it aduly to make another attempt to the single state of the popular and careful attention due to their respective importance, and the strong responsibility, nor or regular and economical distribution of labor, with the incident responsibility, and the proposed to the constitution; the mean the communications which one branch of our public conincils gade with another: that in the present case, no such language had been under the proposed and population and that thier might be no misapprehonson, he stated the terms used in that it was intended only the same and the proposed to the constitution; the mean the communications which one branch of our public conincils gade with another: the public services of that class whether for naturation or services of the case, it is naturated to the popular and conversation of the physicis started before at the sis called to not, the ready and careful at the strong the state of the

dition: and that there might be no misapprehension, he stated the terms used in that had been approved by the President: and that, therefore, every explanation which could reasonably be asked, or honorably given, had been already made—that the control of the service to its real dition: and that therefore, had been already made—that the control of the service to its real dition: and that therefore, every explanation which can be dispensed with.

The extinction of the service to its real to the harmonious and steady pursuit of its true of any discretionary authority which can be bergulated by Congress. The biases which may operate to the country, we cannot take an effectual stand against this spirit of monopoly, and practically prove, in respect to the currency as well as other important interests, that there is no longer any use for the offices of Commissioners of Loans and that they be abolished, and that proper mea
The extinction of the persent stand establish a practical wants, by abolishing, from time to time, the offices which can be dispensed with.

The extinction of the Public Debt having taken place, there is no longer any use for the offices of Commissioners of Loans and the solution of the country, we cannot take an effectual stand against this spirit of monopoly, and practically prove, in respect to the currency as well as other important interests.

We are now to see whether, in the present fall to the harmonious and steady pursuit of its true of time to digest and establish a practical wants, by abolishing, from time to time, the wants, by abolishing from time to time, the wants, which can be replaced by Congress.

The bia

is that been approved by the Presidents and Successful Superior of the President and Superior practicable, this unpleasant affair to a closs before the meeting of Congress, that you might have the whole subject before you, I caused our Charge d'Affaires at Paris, to be instructed to ask for the final determination of the French Government; and in the event of their refusal to pay the instalments now due, without further explanations, to return to the United States.

That we have accomplished much towards before a rating executions to doubt the moral which their operations and accounts will be subject to your attention, and also the proposition submitted at the last session of congress, the town renewed, for a re-organization of their trusts, by multiplying the scrutinies to which first the subject to your attention, and also the proposition submitted at the last session of congress. And as a stimulus for exertion it is now provided by law, that, 'in all cases of the appointment of interpreters, or other persons empiriment of interpreters. played for the benefit of the Indiana, a preference | compromises of the constitution upon which the Uni shall be given to persons of Indian descent, if is founded,

shall be given to persons of Indian de-cent, if such can be found who are properly qualified for the discharge of the duties."

Such are the arrangements for the physical comfort, and/or the moral improvement of the In the South, have given so strong and impressive a dians. The necessary measures for their political advancement, & for their separation from our citical sens, have not been neglected. The pledge of the missing th Zans, have not been neglected. The pledge of the U. States has been given by Congress, that the country destined for the residence of this people, shall be 6-rever 'secured and guarantied to them.

A country west of Missouri & Arkansas has been shall not be sufficient to effect so desirable a result, not A country west of Missouri & Arkansas has been assigned to them, into which the white settlements are not to be pushed. No political communities can be firmed in that extensive region, except those which are established by the Indians themselves, or by the U.States for them, and with their concurrence. A barrior has thus been ruised for the concurrence of the surface of the surf

principles of intercommunication, which their juxtaposition will call for; that moral may be substituted for physical force, the authority of a few and
simple laws for the temphawk, and that an end
any be put to those bloody wars, whose prosecution
seems to have made part of their social system.

After the further details of this arrangement
are completed, with a very general supervision over
them, they ought to be left to the progress of ewents. These, I indulge the hope, will secure their
prospective and improvement, and a large portion
of the moral debt we owe them will then he paid.

The Roport from the Secretury of the five Newsy, from a sincer conviction that the best interests of the country would be
service, is recommended to your special attention.

The Roport from the Secretury of the five Newsy, from a sincer conviction that the best interests of the country would be
remarded by their adoption. If the subject were an orfive negative to be left to the progress of eservice, is recommended to your special attention.

The Roport from the Secretury of the Navy,
showing the condition of that branch of the public
service, is recommended to your special attention.

The Roport from the Secretury of the first:

The Roport from the Secretury of the notice of the measures which

we have the control of the remaining the recommendation I have and the more general one which regards this arm of the national defence as our best security ugainst foreign aggressions, strongly urge the continuance of the measures which promote its gradual enlargement, and a speedy increase of the force that cach is held responsible to the great source of authority which is acknowledg.

Can be but little doubt in the minds of those who are really friendly to the republican features of our system, that one of its most important securities consists in the separation of the Legislative and Executive powers, at the same time that each is held responsible to the great source of authority which is acknowledg.

Col. Bishop, and acting under the order of the great source of authority which is acknowledg. which has been heretofore employed abroad and at home. You will perceive, from the estimates which appear in the expenditures necessary to this increase of its force, though of considerable amount, and fixed principle in the structure of the Government, and a speedy increase of the force of the force, though of considerable amount, and its great source of attentity which appear in the relation and experience satisfy me, that the framers of the Constitution, athough they were anxious to mark this feature as a settled him, and seized all the public documents and fixed principle in the structure of the Government, did not adopt all the precautions that were neorease of its force, though of considerable amount, are small compared with the benefits which they will secure to the country.

As a means of strengthening this national arm,

As a means of strengthening this national arm, As a means of strengthening this national arm, organic effects are remedied.

I also recommend to your particular attention the Considering the great extent of our Confederacy, the for publication, and whose name is John I also recommend to your particular attention the propriety of the suggestion which attracted the considering the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion which attracted the considering the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion which attracted the considering the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion which attracted the considering the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion which attracted the considering the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion which attracted the considering the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion which attracted the considering the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion which attracted the considering the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion which such the great extent of our Confederacy, the rapid increase of its population, and the diversity of the surgestion of the Presidency, though he says, all "will showledge the receipt of your letter of the schools the interests and pursually and the diversity of the surgestion of the Constitution in extense cases, and the diversity of the surgestion of the surgestion

proposed. As an auxiliary to the advantages derived from the distinct and separate character of derived from our extensive commercial marine, the Legislative and Executive functions, and while it it would furnish us with a resource ample enough for all the exigencies which can be anticipated.

cy as organs of the Constitution and laws, its tendency will be to unite both in resisting the will of the Peofor all the exigencies which can be anticipated. Considering the state of our resources, icannal be doubted that whatever provision the liberality and wisdom at Congress may now adopt, with a view to the perfect organization of this branch of our service, will meet the approbation of all classical curves of the Postansator General, it appears that the revenue of that Department, during the versue of the Postansator General, it appears that the revenue of that Department, during the versue of the Postansator General, it appears that the revenue of that Department, during the versue of the Postansator General, it appears that the revenue of that Department during the versue of the Postansator General, it appears that the revenue of that Department during the versue of the Postansator General, it appears that the revenue of the Department on the first day of July last, including the amount due to contractors for the question of the present fiscal stay of July last, including the amount due to contractors for the question of the present fiscal stay of July last, including the amount due to contractors for the question and addition to the first day of July last, including the amount due to contractors for the question and setting out of pastages and that to the selection and setting out of pastages and that the present fiscal stay of July last, including the amount due to contractors for the question and setting out of the present fiscal stay of July last, including the amount due to contractors for the question and setting out of pastages and that on the 1st instant about \$97,077 of this dependence of the present fiscal stay of July last, including the amount due to contractors for the question and setting out of pastages and that to the present fiscal stay of July last, including the amount due to contractors for the question and setting out of pastages and that to the present fiscal stay of July last, including the amount due to contractors for the question and setting out of pastages and that the present fiscal will be to unite both in resisting the will of the resisting the r dobt had been paid: \$4,99,991 out or postages according before July, and \$187,086 out of postages according before July, and \$187,086 out of postages according since. In these payments are included a litis my duty to call the particular attention of Considerable and the litis of the litit of the litis o

screing since. In these payments are included 867,000 of the old dobt due to Banks. After making these payments, the Department had 873, 000 in Bank on the Ist instant. The pleasing assurance is given, that the Department is entirely free from embarrassment, and that by collection of outstanding balances, and using the current surplus, the remaining portion of the Bank debt, and most of the other dobt, will probably be paid in April next, leaving thereafter, a heavy amount to be applied in extending the mail facilities of the country. Reserving a considerable aumorement of existing mail routes, it is stated,

The pleasing astice to the present condition of the istrict of Contents to devote the hope that it may lead others to devote the hope that it may lead others to devote some attention to it. It is, no doubt, descont the botter of the worm have come fares the great depression to the collection of the bank affect. To all and every matter which affects are consistent with the powers of Contents of the other of Louisiana, and that by collection of outstanding balances, and using the current surplus, the remaining portion of the Bank debt, and most of the other dobt, will probably be paid in April next, leaving the real fact that the provisions of the Constitution. It is benefit to the applied in extending the mail facilities of the country. Reserving a considerable aum for the intervollage that the provisions of the Constitutions. The New York Courier and that much the provisions of the Constitutions. It is benefit to the opposition to the applied in extending the mail facilities of the country.
