To the Afflicted.

DR. J. CARPENTER, BOTANIC PHYSICIAN, WOULD respectfully inform the inhabitants of Liberty township, and the vicinity, that he resides at the house of Lazar and Elizabeth Carpenter, in said township, two miles north of Emmitsburg, and to a and on half miles south of David Eise's mill, where calls from patients will receive prompt attention.

Having studied with a celebrated INDIAN DOCTOR, who is very noted for his performing remarkable cures, and who has no superior in curing chronic diseases, and having likewise pursued a regular course of Medical Studies, and believing that Botanic Medicines are superior to every other kind, he would therefore invite the attention of those who are afflicted with chronic disease, and can obtain relief from other sources—believing that he can give general satisfaction to those who may see proper to employ him.

The diseases to which he would invite public attention, are, Consumption.—Those who are afflicted with this disease may find relief in a very short time by making use of those Indian remedies. Likewise those who are troubled with Liver Complaint, Dropsy, Asthma or Phthisis, Epistaxis or Hæmorrhage, Female Debility, and Female Complaints in general, Fever and Ague, and Fevers generally, Indigestion or Dyspepsia, Gravel and Stone, Rheumatism, and Piles. These troublesome complaints can be relieved in a short time.

Cancers will be cured without caustic or the knife. Those laboring under this disease may find relief in a very short time, and if the disease is not too far advanced, a permanent cure. Likewise, Inflammation and Ulceration of the bones, Mortification, Lock Jaw, White Swelling and Fever Sore, Scald Head, Felions and Sores generally.

I also keep on hand most kinds of Medicine for family use. Also Thompsonian Medicines prepared for family use. Likewise a general assortment of MEDICINES, prepared upon the true Indian principle for the following diseases, which I will sell at moderate prices as well as other medicine sold at the apothecary's shops for the same diseases—viz. For Coughs, Pain in the breast and side, or stomach, stit'h or pain in the back, palpitation of the heart, spitting of blood, head ache, pain in the head, catarrh snuff, snuff for the nose bleed, Dysentery or bloody flux, Fever and Ague, &c.

J. CARPENTER. November 2, 1835. 3m-31

CONSUMPTION.

Indian Specific,

FOR the prevention and cure of Coughs, Colds, Asthmias, Consumptions, Spitting Blood, and diseases of the Breast and Lungs, prepared by Doct. CLARKSON FREEMAN, of the city of Lancaster.

BILL OF DIRECTION,

Accompanying each bottle of the Specific, pointing out in a conspicuous manner, all the symptoms in the different stages of these distressing diseases; also particular directions respecting diet and regimen, and how patients are to conduct through every stage until health is restored—for vain and useless would be the prescriptions of the ablest physicians, accompanied by the most powerful and useful medicines, if the directions are not faithfully adhered to.

The public are informed that the depositions of 287 persons have been taken, before proper authorities in the city of Lancaster, all completely cured in the most desperate cases of consumption, some of which are detailed in the bills accompanying each bottle.

The price of each bottle of Indian Specific is \$1, and each envelope of the genuine Specific is signed by Dr. Clarkson Freeman, and the initials, C. F. on the seal of each bottle. None can be genuine without his signature, a false composition having been attempted to be imposed on the public by a counterfeit imitation of this extraordinary article.

PROPOSALS

For Publishing a Biographical Memoir of the Hon. Hugh Lawson White.

A FAITHFUL and impartial record of the life of any man, pre-eminently for virtues or ability, is among the richest offerings that can be made to the common treasury of an intelligent people. This is true, whether the subject of the work be found in our own, or a foreign clime.

The influence of virtue has no bounds, and its imitation should feel no restraints. The offering becomes of an increased value, when the character portrayed, and the qualities held up for emulation, belong to a fellow-citizen, whose influence has been long and beneficially felt, in the Councils of the Nation, and the sphere of whose usefulness, a large and patriotic portion of the people, are encouraging to extend.

The position which Judge White now occupies, before the American people, renders it necessary that they should know him, as he is, and as he has been, that they may be better qualified to judge, what he will be, should they elevate him to the highest office within their gift.

In forwarding them this information, I am profoundly confident, that I shall be serving the cause of virtue, and the best interest of my country.

PROSPECTUS OF THE Congressional Globe.

THE success of the experiment we have made to furnish a succinct history of the proceedings of Congress, from day to day, with sketches of the Debates, induces the undersigned to persevere in their plan to extend and perfect it.

They have received that the Congressional Globe shall not only embody the principal events of the country, but shall also form an Appendix, which will contain the final speeches of the prominent speakers on the most important subjects written out by members themselves; from the notes and printed speeches of the reporters.

The Congressional Globe, with an Index, will be published weekly, upon double royal paper, in octavo form as heretofore, at One Dollar to the Session. It may be subscribed for separately. The Appendix of finished speeches will, also, be published for One Dollar.

It is probable that next session of Congress will continue nearly seven months; it is, therefore, will be published in four or five hundred pages, and will be the cheapest publication perhaps in the world.

The next session of Congress will probably be the most eventful one which has occurred for many years, and will certainly be replete with interest, and its course will have great influence in fixing the destiny of the Republic for years to come. Immediately preceding, as it does, the next Presidential election, and containing the leading minds of all the contending parties in the country, deep and abiding interest will attend the debates. The whole drama will be faithfully exhibited in the Congressional Globe and the Appendix.

We have already provided for our reporting corps, eminent ability and skill in one branch of Congress, and we expect to obtain an adequate reinforcement of capable persons in the other by the time it meets, to fulfil our own wishes and the expectations of the members. No pains or costs on our part will be spared to accomplish it. As the work will be continued regularly, and be made permanent, authentic, and therefore highly useful, all who take an interest in the political affairs of the country will do well to begin their subscription with the next session.

TERMS. CONGRESSIONAL GLOBE—1 copy during the Session, \$1 Do. do. 11 copies do. \$10

Payment may be made by mail, post paid, at our risk. The notes of any specie paying Bank will be received.

No attention will be paid to any order, unless the money accompany it, or unless some responsible person known to us to be so, shall agree to pay it before the Session expires.

BLAIR & RIVES. Washington, D. C. Nov. 23.

Estate of Christina Overholtzer, deceased.

ALL persons indebted to the Estate of CHRISTINA OVERHOLTZER, late of Liberty township, Adams county, Pa. deceased, are requested to come forward and make settlement to the subscriber, on or before the 25th of December next—on those having claims against said Estate, are also requested to present the same, properly authenticated, for settlement.

CARMINATIVE BALSAM AND HEALTH RESTORATIVE,

In the Malignant, Spasmodic or Asiatic Cholera, Cholera Morbus, Diarrhoea or Looseness, Dysentery, Sick or Nervous Head-Ache, Cholera Infantum or Summer Complaint, Cholera, Cramps, Sour Stomach, &c. &c.

TO THE PUBLIC.

THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduced into general use.

It will keep good for years and grows more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do.

Sailors and travelling persons should always carry it with them.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "DR. D. JAYNE'S CARMINATIVE BALSAM" blown on them, and the written signature of D. Jayne to the bottom of each direction—none others are genuine.

This medicine is not recommended as a "Panacea" to cure all diseases to "which flesh is heir to" but as a remedy in Diarrhoea. The beginning and latter stages of Dysentery, Cholera Morbus, the Spasmodic or Malignant CHOLERA, Cramps, Cholera, Sick and Nervous Headache. For the Summer Complaint or CHOLERA of children it is unrivalled by any other combination of medicine ever used.

It has repeatedly effected cures, when every other means had failed aided by the attendance and skill of the ablest physicians, that could be procured.—Obstinate Diarrhoeas of years standing, have been removed by the use of a few bottles of it; violent Dysenteries arrested and Cholera Morbus cured. The Spasms attending the Malignant Cholera have always been suppressed in from one to three minutes time, and that much dreaded and fatal disease repeatedly cured without the aid of any other article of medicine.

In fact its power over spasmodic diseases of every kind seem to be absolute as it has never yet been known to fail of giving relief in a single instance.—Griping pains, tormina and tenesmus Cholera, Cramps &c. are also soon removed by it.

Hundreds of females and sedentary persons can attest to its superior excellence in sick and nervous Headaches as two or three teaspoonfuls generally gives them relief in the course of half an hour.

Children laboring under the Summer Complaint, have been cured in a short time after all known remedies had failed—those too who have been so extremely emaciated that their bones almost protruded through their skins, and all hope of recovery abandoned, by all who saw them, have by a few weeks use of this medicine been restored to perfect health.

CERTIFICATES.

Certificate from Dr. William Bacon, Pastor of the Baptist Church at Pitsgrove, Salem Co., N. J. Having been made acquainted with the ingredients composing Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children, Cholera, Cramps, Looseness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness of the Stomach; and believe that the regular physician will often find it a useful remedy in his hands, and one that is proper for domestic use, and can be put into the hands of persons at large with safety.

W. M. BACON, M. D. Pitsgrove, Salem Co. N. J. May 4th, 1831.

Certificate from Dr. Wm. Steeling. This medicine which I have used in Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases.

WILLIAM STEELING, M. D. Bridgeton, July 19th, 1831.

From Dr. M. L. Knapp, late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution. Baltimore, March 27th, 1833.

DR. JAYNE—Dear Sir.—You ask me what proof I need with of the efficacy of your medicine. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and usefulness.

In the Summer Complaint of children, it has frequently appeared to snatch the little victims, as it were, from the grave. "I saved the life of my child, and of such such a child," I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully,

M. L. KNAPP, M. D. From Dr. L. Lawrence. Cedarville, Oct. 9th, 1832.

DR. D. JAYNE—Dear Sir.—The curative powers of your Carminative Balsam appears to be fairly established in all Bowel Complaints, &c.; and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely afflicted, and with complete success, without the use of any other medicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who are apt to be affected this way; and which every practitioner in medicine has found to be a very troublesome disease. Respectfully,

LEONARD LAWRENCE, M. D. From Dr. Charles Hammond. Dr. Jayne—Dear Sir.—I have made use of the Carminative Balsam prepared by you for Complaints of the Bowels, with complete success in every case and I do not hesitate to recommend it to the patronage of the public as a medicine, worthy of their particular notice.

CHARLES HAMMOND. Leesburg, Va. Oct. 5th, 1834.

From the Rev. Charles J. Hopkins, Pastor of the Baptist Church at Salem N. J. DR. JAYNE—Dear Sir.—Understanding you were about to publish certificates respecting your valuable Carminative Balsam, I thought if it would be of any service to you, I would wish to bear a public testimony in its favor; as we have proved its excellence very frequently in our family, and

also administered it to our friends, who have visited us, and always found it gave them speedy relief. Yours Respectfully, CHARLES J. HOPKINS. Salem N. J. Jan. 7th, 1835.

The above valuable medicine is sold at the Apothecary and Drug Store of the subscriber.

SAVUEL H. BUEHLER. Gettysburg, May 4, 1835.

GARLEGANT'S BALSAM OF HEALTH.

Prepared only by JOHN S. MILLER, Frederick, Md. THE subscriber has just received a supply of the above valuable BALSAM, which is now extensively known and used in many places in the States of Virginia, Maryland, Pennsylvania, Ohio, N. York, and Kentucky, with astonishing success, and has performed

wonderful cures in dyspepsia, cholera, nervous tremors, lowness of spirits, and palpitation of the heart—it is also a sovereign remedy for all kinds of worms, &c. The proprietor has a great number of certificates in possession, of cures performed by this valuable medicine, which would fill several columns of a newspaper, and therefore gives only a few of the most prominent, which the reader will find below this advertisement. It is neatly put up in square half pint bottles, with the name of the medicine blown on the glass of each bottle, and the proprietor's signature on a label, pasted on the outside wrapper of each bottle to prevent it from being counterfeited. Each bottle is accompanied with extensive directions for its use, which can at all times be had of the subscriber, at one dollar per bottle, and by the quantity at a liberal discount.

RECOMMENDATORY NOTES.

Dr. John S. Miller, Fredericktown, Md. I do hereby certify that I had this last spring and summer a constant pain in my stomach, and a great weakness in my kidneys, and pain across my eyes, for which I used a good many remedies without giving relief. I was at last recommended to try a bottle of Garlegant's Balsam of Health, prepared by John S. Miller. I accordingly made use of one bottle, which I procured of my agent in Hagerstown, which restored me to my good health again, and am now as well as ever I was, and you are at liberty to make it known for the benefit of those afflicted in the same way.

Yours, &c. JACOB BOWER, Court Crier. Hagerstown, Sept. 1834.

About two years ago I was severely afflicted with the dyspepsia, which I had for the last fifteen years, previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dyspepsia and general weakness and debility to such a degree, that for two years previous to my using the Garlegant Balsam I never eat a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garlegant's Balsam of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain and digest everything I eat. I continued to use the Balsam until I used seven bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dyspepsia or debility of stomach. Given under my hand this 11th day of January, 1834.

HENRY LOUTHAN, Frederick county, Va. Leesburg, Virginia.

Dear Sir—I have used the Balsam of Health which I procured from you, with great benefit, if not with entire relief. When I procured it I was sorely afflicted with dyspepsia, attended by all the distressing symptoms, headaches, giddiness, heartburn, and the thousand nervous affections which accompany it, in its worst stages. At times such was the debility occasioned, that I was bed ridden. I think I can say, that the first relief, if not the entire cure, was produced by the use of the Balsam. Jan. 1st. CHAS. W. BINNS.
