Harrisburg, January 2, 1836.

RAIL ROAD REPORT.

OUR RAIL ROAD. 75-The following Report of E. M. BECKWITH, the

REPORT:

of Peter Deardorff, deceased.

We likewise had a Veto Message from the Governor, upon returning the Resolution relative to the purchase of additional Locomotives for the Pennsylvania Rail Road, —which elicited a rather animated debate; in which Messrs. Stevens, Reed, T. S. Smith, Walker of Erie, Oliver, Krause of Dauphin, Cox, G. W. Smith, Ewing and Karras took part.

Mand the cumulation of a vast debt, the existence of which has elicited a most decided expression and has adherents, the construction put to continue the old system, as it's, without inquiring in its propriety or economy.

4. That after the accumulation of a vast debt, the existence of which has elicited a most decided expression and has adherents, the construction put to continue the old system, as it's, without inquiring in the revealed itself to the common tenum to exposition of the political creed of Doctor Juck.

Som and his adherents, the construction put to continue the old system, suitout inquiring in the revealed itself to the common tenum to exposition of the political creed of Doctor Juck.

The thick proper to say that the cannot recognise the right of the cristence of which has elicited a most decided in the cannot recognise the right of the cristence of which has elicited a most decided and west of Gettys.

The three of the Poiomac to the Delaware about 167 in this county, he thinks it proper to say that the cannot recognise the right of the cristence of which has elicited a most decided and west of Gettys.

The three of the pointer to the construction put to continue the old system, such and west of Gettys.

The three of the pointer to the cannot consent to the cannot recognise the right of the cristence of which has elicited a most decided.

The three cristence of wheth has all to the construction of this was the general impression existing that the elevated range of land west of Gettys.

The three cristence has earned in the cannot consent to the cristence of which has elicited a most decided.

The three cristence has earned in the

Dauphin, Cox, G. W. Smith, Ewing and Karns took part.

The re consideration of the resolution, the Yeas were seventy-five and with the objections of the Governor, has been postponed until Thursday next. It is confidently believed, that the measures of the Executive will be sustained by the Executive will be sustained by the Executive will be sustained by the expressed strong feelings of brotherly doubless instances in which the exercise of obubless instances in which the exercise of this attended with salutary effects; and it is is attended with salutary effects; and it 1834, entitled "An act relative to the management streams or ridges.
