Having studied with a celebrated INDIAN DOCTOR, who is very noted for his performing remarkable cures, and who has no superior in curing chronic diseases, and having likewise pursued a regular course of Medical Studies, and believing that Botanic Medicines are superior to every other kind, he would therefore invite the attention of those who are afflicted with chronic disease, and can obtain no relief from other sources—believing that he can give general satisfaction to those who may seek proper to employ him.

CERTIFICATES.
Certificate from Dr. Wm. Bacon, Pastor of the Baptist Church at Pittsgrove, Salem Co., N. J.
Having been made acquainted with the ingredients composing Dr. Jayne's Carmine Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children, Cholera, Cramps, Loosness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness of the Stomach, and believe that the regular physician will often find it a useful remedy in his hands, and one that is proper for domestic use, and can be put into the hands of persons at large with safety.

Certificate from Dr. Wm. Steeling.
This I certify that I have used Dr. Jayne's Carmine Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases.

CARMINATIVE BALSAM

HEALTH RESTORATIVE,
In the Malignant, Spasmodic, or Asiatic, Cholera, Cholera Morbus, Diarrhoea or Looseness, Dysentery, Sick or Nervous Head-Ache, Cholera Infantum or Summer Complaint, Cholera, Cramps, Sour Stomach, &c. &c.

TO THE PUBLIC.
THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduced into general use. It contains no noxious articles, nor mineral or metallic substance and is carefully compounded so as to always be of uniform strength and consistency. It will keep good for years and grows more pleasant by age. Children are generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do.— Sailors and travelling persons should always carry it with them.

Children laboring under the Summer Complaint, have been cured in a short time after all known remedies had failed—those too who have been so extremely emaciated that their bones almost protruded through their skins, and all hope of recovery abandoned, by all who saw them, have by a few weeks use of this medicine been restored to perfect health.

RECOMMENDATORY NOTICES.
Dr. John S. Miller, Fredericktown, Md.
I do hereby certify that I had this last spring and summer a constant pain in my stomach, and a great weakness in my kidneys, and pain across my eyes, for which I used a good many remedies without giving relief. I was at last recommended to try a bottle of Garleant's Balsam of Health, prepared by John S. Miller. I accordingly made use of one bottle, which I procured of his agent in Hagerstown, which restored me to my good health again, and am now as well as ever I was, and you are at liberty to make it known for the benefit of those afflicted in the same way.

RECOMMENDATORY NOTICES.
About two years ago I was severely afflicted with the dyspepsia, which I had for the last fifteen years, previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dyspepsia and general weakness and debility to such a degree, that for two years previous to my using the Garleant's Balsam I never eat a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garleant's Balsam of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain and digest every thing I eat. I continued to use the Balsam until I used seven bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dyspepsia or debility of stomach. Given under my hand this 11th day of January, 1834.

GARLEANT'S BALSAM OF HEALTH.

Prepared only by JOHN S. MILLER, Frederick, Md.
THE subscriber has just received a supply of the above valuable BALSAM, which is now extensively known and used in many places in the States of Virginia, Maryland, Pennsylvania, Ohio, N. York, and Kentucky, with astonishing success, and has performed wonderful cures in dyspepsia, cholera, nervous tremors, looseness of spirits, and palpitation of the heart—it is also a sovereign remedy for all kinds of worms, &c. The proprietor has a great number of certificates in possession, of cures performed by this valuable medicine, which would fill several columns of a newspaper, and therefore gives only a few of the most prominent, which the reader will find below this advertisement. It is neatly put up in square half pint bottles, with the name of the medicine blown on the glass of each bottle, and the proprietor's signature on a label, pasted on the outside wrapper of each bottle to prevent it from being counterfeited. Each bottle is accompanied with extensive directions for its use, which can at all times be had of the subscriber, at one dollar per bottle, and by the quantity at a liberal discount.

LEESBURG, Virginia.
Dear Sir—I have used the Balsam of Health which I procured from you, with great benefit, if not with entire relief.—When I procured it I was sorely afflicted with dyspepsia, attended by all the distressing symptoms, headaches, giddiness, heartburn, and the thousand nervous affections which accompany it, in its worst stages.—At times such was the debility occasioned, that I was bed ridden. I think I can say, that the first relief, if not the entire cure, was produced by the use of the Balsam.
