E Bevoted to Politics, Foreign and Domestic Intelligence, Literature, Science, Agriculture, the Mechanic Arts, Internal Improvement, and General Miscellany.

We also publish a letter from a friend at Harrisburg, by which it appears that Geo Wolf had been brought before the Committee. and had refused to testify. This brings the question, as to the supremacy of the laws, plainly and fairly before the country, and connels the Legislature to decide whether the law or Masonry shall prevail.

We are somewhat surprised at George Wolf's course; we did expect that he would have consented to be sworn, that he would not have hesitated to state all he knew as to the truth of the revelations of Masonry, and all those things which are now well known. REPUBLICAN BANNER We expected that he would have gone through all this, and when he came to be examined as to his own knowledge of the improper influence of Masoury, as to his know edge of appeals being made to him, as Governor, by Masons, that he would then have hesitated, and remained mute-We were satisfied that he would never answer questions tending to prove that John Wallace was not the only applicant to him who dared to use such language as the fol-
