CARMINATIVE BALSAM IF HEALTH RESTORATIVE

In the Malignant, Spasmodic, or Asiatic, Cholera, Cholera Morbus, Diarrhoea or Looseness, Dysentery, Sick or Nervous Head-Ache, Cholera Infantum or Summer Complaint, Cholics, Cramps, Sour Stomachs, &c. &c.

TO THE PUBLIC. THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of populari-ty, than any article ever before introduced into general use. It contains no noxious article, nor mineral or metallic substance and is carefully compounded so as to always be of uniform strength and consistency.

It will keep good for years and grows more pleasant by age: Children are generally very fund of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do. Sailors and travelling per sons should always carry it with them.

This medicine is put up in round brass moulded vials of two and four ounces each, with the words "DB. D. JAYNE'S CARMINATIVE BALsam" blown on them, and the written signature of D. Jayne to the bottom of each directionnone others are genuine.

This medicine is not recommended as a "Panacea" to cure all diseases to "which flesh is heir to" but as a temedy in Diarrhwa. The beginning and latter stages of Dysentery, Cholera Morbus, the Spasmodic or Malignat Cun-LERA, Cramps, Cholics, Sick and nervous Head For the Summer Complaint or CHOLERA of children it is unrivalled by any other combination of medicine ever used. It has repeatedly effected cures, when every other means had failed aided by the attendance and skill of the ablest physicians, that could be procured. Obstinate Diarihosas of years standing, have been removed by the use of a few buttles of it; violent Dysenteries arrested and Cholera Morbus cured. The spasms attending the Ma lignent Cholera have always been suppressed in from one to three minutes time, and that much dreaded and fatal disease repeatedly cured without the aid of any other article of medicine. in fact its power over spash odic diseases of ev ery kind seem to be absolute as it has never yet need known to full of giving relief in a single instance. Griping pains, tormina and tenesmus Cholics, Cramps, &c. sre also removed by it. Hundreds of temales and sedentary person-

can attest to its superior excellence in sick and nervous Headuches as two or three teaspounfull-Children laboring under the Summer Com- cess in every case and I do not heat-to to re-

> CERTIFICATES. Certificate from Dr. William Bacon, Pastor of

the Baptist Church at Pittsgrove, Salem Co., New Jersey. Having been made acquainted with the in-

gredients composing Dr Jayne's Carminative Balsam, I believe it to be a a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children. Cholic, Cramps, Looseness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness or the Stomach; and believe that the regular physician will often find it a useful remedy in his hands, and one that is proper for domestic use, and can be put into the hands of persons at large with safety.

WM. BACON, M. D.

Pittsgrove, Salem Co. N. J. May 4th, 1931

Certificate from Dr Wm. Steeling.
This may certify that I have used Dr. Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any perparation that I have met with; for the relief of those diseases. WILDIAM STEELING, M. D.

Bridgeton, July 19, 1831. From Dr. M. L. Knopp, late Physician to the Baltimore Dispens ry, and Agent for the

Maryland Vaccine Institution. Bultimore, March 27th, 1833. Dr. JAYNE-Dear Sir.-You ask me what proofs I meet with of the efficacy of your medicine. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients to speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for a gain and again; which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children, it has frequent ly appeared to snatch the little victims, as it vere, from the grave. "It sived the life of my child, and of such and such a child," I have repeatedly heard said. In dysenteric affections of sdults, I have time and again seen it set ike a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it.

R spectfully, M. L. KNAPP, M. D. From Dr. L. Louvrence.

Cedarville, Oct. 9th, 1832. Dr. D. JAYNE .- Dear Sir. - The curative pow ers of your Carminative Balsam appears to be fairly established in all Bowel Complaints, &c. and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely handled, and with com-plete success, without the use of any other nedicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who are ant to be affected this way; and which every practitioner in medicine is found to be a very trouble some disease. LEONARD LAWRENCE, M. D.

From Dr. Charles Hammond. Dr. JAYNE-Dear Sir - I have made use of the Carminative Balsam prepared by you for Complaints of the Bowels, with complete suc. commend it to the patronage of the public as a CHARLES HAMMOND. Leesburg, Va. Oct. 5th, 1834.
