THE subscriber has just received a supply of the above valuable BALSAM, which is not extensively known and used in many places in the States of Virginia, Maryland, Pennsylvania, Ohio, N. York, and Kentucky, with astonishing success, and has performed wonderful cures in dyspepsia, cholera, nervous tremors, loss of spirits, and palpitation of the heart—it is also a sovereign remedy for all kinds of worms, &c. The proprietor has a great number of certificates in possession, of cures performed by this valuable medicine, which would fill several columns of a newspaper, and therefore gives only a few of the most prominent, which the reader will find below this advertisement. It is neatly put up in square half pint bottles, with the name of the medicine blown on the glass of each bottle, and the proprietor's signature on a label, pasted on the outside wrapper of each bottle to prevent it from being counterfeited. Each bottle is accompanied with extensive directions for its use, which can at all times be had of the subscriber, at one dollar per bottle, and by the quantity at a liberal discount.

RECOMMENDATORY NOTICES.

Dr. John S. Miller, Fredericktown, Md. I do hereby certify that I had this last spring and summer a constant pain in my stomach, and a great weakness in my kidneys, and pain across my eyes, for which I used a good many remedies without giving relief. I was at last recommended to try a bottle of Garleagan's Balsam of Health, prepared by John S. Miller. I accordingly made use of one bottle, which I procured of his agent in Hagerstown, which restored me

to my good health again, and am now as well as ever I was, and you are at liberty to make it known for the benefit of those afflicted in the same way.

Yours, &c.
JACOB BOWER, Court Crier.
Hagerstown, Sept. 1834.

About two years ago I was severely afflicted with the dyspepsia, which I had for the last fifteen years, previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dyspepsia and general weakness and debility to such a degree, that for two years previous to my using the Garleagan Balsam I never eat a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garleagan's Balsam of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain and digest every thing I eat. I continued to use the Balsam until I used seven bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dyspepsia or debility of stomach. Given under my hand this 11th day of January, 1834.

HENRY LOUTHAN,
Frederick county, Va
Leesburg, Virginia.

Dear Sir—I have used the Balsam of Health which I procured from you, with great benefit, if not with entire relief—When I procured it I was sorely afflicted with dyspepsia, attended by all the distressing symptoms, headaches, giddiness, heartburn, and the thousand nervous affections which accompany it, in its worst stages.—At times such was the debility occasioned, that I was bed ridden. I think I can say, that the first relief, if not the entire cure, was produced by the use of the Balsam.

CARMINATIVE BALSAM

AND HEALTH RESTORATIVES In the Malignant, Spasmodic, or Asiatic, Cholera, Cholera Morbus, Diarrhoea or Looseness, Dysentery, Sick or Nervous Head-Ache, Cholera Infantum or Summer Complaint, Cholera, Cramps, Sour Stomach, &c. &c.

TO THE PUBLIC.

THIS medicine has been before the public for three or four years past and has acquired probably a greater degree of popularity, than any article ever before introduced into general use. It contains no noxious article, nor mineral or metallic substance and is carefully compounded so as to always be of uniform strength and consistency.

It will keep good for years and grows more pleasant by use. Children generally very fond of it, and none will refuse to take it. It is so well adapted to the various complaints of children, that every family should always keep it in their houses, as most families who have used it, now do. Sailors and travelling persons should always carry it with them.

This medicine is put up in round brass mullied vials of two and four ounces each, with the words "DR. JAYNE'S CARMINATIVE BALSAM" blown on them, and the written signature of Dr. Jayne to the bottom of each direction—none others are genuine.

This medicine is not recommended as a "Panacea" to cure all diseases to which flesh is heir to; but as a remedy in Diarrhoea. The beginning and latter stages of Dysentery, Cholera Morbus, the Spasmodic or Malignant Cholera, Cramps, Cholera, Sick and nervous Head-aches, For the Summer Complaint or Cholera of children it is unrivalled by any other combination of medicine ever used. It has repeatedly effected cures, when every other means known to man failed to afford relief in a single instance. Gripping pains, tormina and tenesmus Cholera, Cramps, &c. are also removed by it.

Hundreds of females and sedentary persons can attest to its superior excellence in sick and nervous Headaches as two or three teaspoonfulls generally gives them relief in the course of half an hour.

Children laboring under the Summer Complaint, have been cured in a short time after all known remedies had failed—these too who have been so extremely emaciated that their bones almost protruded through their skin, and all hope of recovery abandoned, by all who saw them, have by a few weeks use of this medicine been restored to perfect health.

CERTIFICATES.
Certificate from Dr. William Bacon, Pastor of the Baptist Church at Pittsgrove, Salem Co., New Jersey.

Having been made acquainted with the ingredients composing Dr. Jayne's Carmivative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints, which almost constantly occur in our country, such as Bowel Affections of children, Cholera, Cramps, Looseness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with Sourness or the Stomach; and believe that the regular physician will often find it a useful remedy in his hands, and one that is proper for domestic use, and put into the hands of persons at large with safety.

Wm. BACON, M. D.
Pittsgrove, Salem Co. N. J. May 4th, 1831.

Certificate from Dr. Wm. Steeling.
This may certify that I have used Dr. Jayne's Carmivative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with for the relief of those diseases.

WILDIAM STEELING, M. D.
Bridgeton, July 19, 1831.

From Dr. M. L. Knapp, late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution.
Baltimore, March 27th, 1833.

Dr. JAYNE—Dear Sir—I would ask me what proofs I met with of the efficacy of your medicine. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedily and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children, it has frequently appeared to snatch the little victims, as it were, from the grave. I have saved the life of my child, and of such and such a child, I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours. I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it.

Respectfully,
M. L. KNAPP, M. D.
From Dr. L. Lawrence.
Cecilville, Oct. 9th, 1832.

Dr. D. JAYNE—Dear Sir—The curative powers of your Carmivative Balsam appears to be fairly established in all Bowel Complaints, &c. and from the experience I have had with the medicine, I am disposed to think very favorably of it. I have lately tried it on one of my children, who was severely afflicted, and with complete success, without the use of any other medicine. So far as my practice has extended, I think it a desideratum in medicine, especially among children, who are apt to be affected in this way, and which very frequently in medicine has found to be a very troublesome disease.

LEONARD LAWRENCE, M. D.
From Dr. Charles Hammond.
Dr. JAYNE—Dear Sir—I have made use of the Carmivative Balsam prepared by you for Complaints of the Bowels, with complete success in every case and I do not hesitate to recommend it to the patronage of the public as a medicine, worthy of their particular notice.

CHARLES HAMMOND.
Leesburg, Va. Oct. 5th, 1834.

From the Rev. Charles J. Hopkins, Pastor of the Baptist Church at Salem, N. J.
Dr. JAYNE—Dear Sir—Understanding you were about to publish certificates respecting your valuable Carmivative Balsam, I thought it would be of any service to you, I would wish to
