DR. W. JUDKINS' Patent Specific Ointment, A NEVER-FAILING remedy for the following, among other diseases:

White Swellings of every description. Sore Legs and Ulcers of long standing. Skirrhus or Glandular Tumours, particularly those hardened tumours in women's breasts which oftentimes terminate in ulcerated cancers.

Felons, or what some people know by the name of Catarrhs, of every description. Rheumatic Pains of the joints. Sprains and Bruises of every description or in whatever part situated.

Totters of all kinds. In this complaint, the patient, in applying the Ointment, must keep the part out of water. Chilblains, or parts affected by frost.

It is also one of the best remedies for Burns and Scalds. It cools the pain and draws the fire out in a short time. For Inflamed Women's Breasts, and Glandular Swellings, it is superior to any medicine yet known to the medical faculty.

This Ointment has cured sores of many years standing. It cures the worst Felons or Whitlows on an application of 48 hours.

Rheumatism which have stood so long as to become a systematic disorder, require medicine to be taken inwardly to remove them entirely. But in most common cases, by applying this Ointment externally, as directed, it will give relief. And even in old people, whose pains have been of longer standing, it will ease the pain.

GARLEGANT'S BALM OF HEALTH.

Prepared only by JOHN S. MILLER, Frederick, Md. RECEIVED a supply of the above valuable BALM, which is now extensively known and used in many places in the States of Virginia, Maryland, Pennsylvania, Ohio, N. York, and Kentucky, with astonishing success, and has performed wonderful cures in dyspepsia, cholera, nervous tremors, lowness of spirits, and palpitation of the heart—it is also a sovereign remedy for all kinds of worms, &c. The proprietor has a great number of certificates in possession, of cures performed by this valuable medicine, which would fill several columns of a newspaper, and therefore gives only a few of the most prominent, which the reader will find below this advertisement. It is neatly put up in square half pint bottles, with the name of the medicine blown on the glass of each bottle, and the proprietor's signature on a label, pasted on the outside wrapper of each bottle to prevent it from being counterfeited. Each bottle is accompanied with extensive directions for its use, which can at all times be had of the subscriber, at one dollar per bottle, and by the quantity at a liberal discount. SAML H. BUEHLER, Agent. Gettysburg, June 22, 1835.

RECOMMENDATORY NOTICES. Dr. John S. Miller, Fredericktown, Md. I do hereby certify that I had this last spring and summer a constant pain in my stomach, and a great weakness in my kidneys, and pain across my eyes, for which I used a good many remedies without giving relief. I was at last recommended to try a bottle of Garlegant's Balm of Health, prepared by John S. Miller. I accordingly made use of one bottle, which I procured of his agent in Hagerstown, which restored me

to my good health again, and am now as well as ever I was, and you are at liberty to make it known for the benefit of those afflicted in the same way. Yours, &c. JACOB BOWER, Court Crier. Hagerstown, Sept. 1834.

About two years ago I was severely afflicted with the dyspepsia, which I had for the last fifteen years, previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dyspepsia and general weakness and debility to such a degree, that for two years previous to my using the Garlegant's Balm I never eat a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garlegant's Balm of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain and digest every thing I eat. I continued to use the Balm until I used seven bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dyspepsia or debility of stomach. Given under my hand this 11th day of January, 1834. HENRY LOUTHAN, Frederick county, Va. Leesburg, Virginia.

Dear Sir:—I have used the Balm of Health which I procured from you, with great benefit, if not with entire relief.—When I procured it I was sorely afflicted with dyspepsia, attended by all the distressing symptoms, headaches, giddiness, heartburn, and the thousand nervous affections which accompany it, in its worst stages.—At times such was the debility occasioned, that I was bed ridden. I think I can say that the first relief, if not the entire cure, was produced by the use of the Balm. Jan. 1st. CHAS. W. BINNS.

Indian Specific.

FOR the prevention and cure of Coughs, Colds, Asthmas, Consumptions, Spitting Blood, and diseases of the Breast and Lungs, prepared by Doct. CLARKSON FREEMAN, of the city of Lancaster.

BILL OF DIRECTION. Accompanying each bottle of the Specific, pointing out in a conspicuous manner, all the symptoms in the different stages of these distressing diseases; also particular directions respecting diet and regimen, and how patients are to conduct through every stage until health is restored—for vain and useless would be the prescriptions of the ablest physicians, accompanied by the most powerful and useful medicines, if the directions are not faithfully adhered to.

The public are informed that the depositions of 257 persons have been taken, before proper authorities in the city of Lancaster, all completely cured in the most desperate cases of consumption, some of which are detailed in the bills accompanying each bottle.

The price of each bottle of Indian Specific is \$1, and each envelope of the genuine Specific is signed by Dr. Clarkson Freeman, and the initials, C. F. on the seal of each bottle. None can be genuine without his signature, a base composition having been attempted to be imposed on the public by a counterfeit imitation of this extraordinary article.

BEWARE OF IMPOSITION.

AFTER the Original and Genuine Compound Chlorine Tooth Wash had received the recommendation of some of the most respectable physicians and chemists in the U. States, AFTER it had acquired a high celebrity in our principal cities, the name was purloined to deceive the Public and assist the sale of spurious mixtures resembling the genuine in name only.

There are also many preparations which partially assume the name of the genuine, such as Chlorine Dentifrice, Chlorine Tooth Paste, Florentine Tooth Wash, Orris Tooth Wash, Imperial Compound Chlorine Tooth Wash, &c. none of which have any connection with the genuine article.
