In confirmation of which the following names of distinguished medical gentlemen of New York city, with many others, have expressed a decided preference for this instrument, are res-

pectfully added: Valentine Mott, M D. George Bushe, M D. David Hosack, M. D. A. A. Stevens, M. D. John B. Beck, M. D. Samuel Ackerly, M. D. David M. Reese, M. D. Wm Anderson, M. D.

"For the last twelve months, the curative powers of Dr. Hull's Truss have been tested under my own observation with the most gratifying success in cases of great difficulty, in which the mutilated imitation Trusses so common in our market, had only aggravated the disease. Dr. Hull is an experienced surgeon, who has displayed not a little surgical skill and mechanical ingenuity in bringing this unrivalled instrument to its present state of perfection, rehdering it, I know, the best I ever saw for securing, comforting and curing the ruptured patient and is in my opinion, the only instrument of the kind that is entitled to patronage of the profes-
