DR. W. JUDKINS' Patent Specific Ointment, A NEVER-FAILING remedy for the

following, among other diseases: White Swellings of every description. Sore Legs and Ulcers of long standing. Skhirrus or Glandular Tumours, particuarly those hardened tumours in women's breasts which oftentimes terminate in ulce-

rated cancers. Felons, or what some people know by the name of Catarrhs, of every description.

Rheumatic Pains of the joints. Sprains and Bruises of every description or in whatever part situated. Tetters of all kinds. In this complaint the patient, in applying the Ointment, must

keep the part out of water. Chilblains, or parts affected by frost. It is also one of the best remedies for Burns and Scalds. It eases the pain and draws the fire out in a short time.

For Inflamed Women's Breasts, and Glandular Swellings, it is superior to any medicine yet known to the medical faculty. This Ointment has cured sores of many years standing.

It cures the worst Felons or Whitlows on an application of 48 hours. Rheumatisms which have stood so long as to become a systematic disorder, require

medicine to be taken inwardly to remove them entirely. But in most common cases, by applying this Ointment externally, as directed, it will give relief. And even in old people, whose pains have been of longer standing, it will ease the pain. For sale at the Drug Store of
