DR. J. CARPENTER, BOTANIC PHYSICIAN.

REPECTFULLY invites those who are troubled with Rheumatic pains, either chronic or inflammatory, to give him a call, having had very good success in curing Rheumatism; and having within the short space of time that he has been here had upwards of forty cases of Rheumatism under treatment, and having given relief in every case, and failed in but five or six cases of performing a complete cure—and some of these were through neglect on their part; and others to the long standing of the disease, so that no perfect cure could be expected. He would, therefore, invite those afflicted with Rheumatic pains to give him a call, and satisfy themselves. Not desiring those who are unacquainted with him to rely on his statement, but to come into his neighborhood and enquire of those who know, and satisfy themselves before they employ him.

Dr. Carpenter still continues to reside at his former residence in Liberty township, two miles North of Emmitsburgh, and two miles from Rhodes Mill, on Middle-creek, October 3, 1836. (t-27)
