About two years ago I was severely afflicted with the dyspepsis, which I had for the last fifteen years, previous to the above named time, which was very much increased by my having a blood essel ruptured upon my lungs, occasioned by lift. ing—which increased my complaint, dyspopsia and general weakness and debility to such a degree, that for two years previous to my using the Garlegant Balsam, I never eat a meal but my stomach became so painful that I had immediate ly to throw it up. Scoing Garlegant's Balsam of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strongthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain and di-gest every thing I cat. I continued to use the Balsam until I used seven bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen year . I cheerfully recommend it to all persons who are afflicted with dyspepsia or deday of January, 1834.
