PUBLIC NOTICES.

Saddles! Saddles! SADDLES!

Important Improvement in Spring-seated SADDLES!

THE Subscriber respectfully informs the Public generally, that he has purchased the Patent Right for making and vending Spring-seated Saddles of the Zig Zag or W' spring in the Seat.

And also a Spring attached to the Girth or Girths and to the tree. The saddle is made with or without a Pommel, just as persons may fancy.

Saddles made upon this plan are incomparably superior to any heretofore in use, in point of strength, durability and elasticity, to the horse and rider. The application of the spring to the girth is productive of ease and comfort to the horse, and protects him from injuries arising from violent or sudden exertions. The Spring is also applicable to LADIES' SADDLES.

It is deemed unnecessary to state any thing more. The public are invited to call and judge for themselves.

The Subscriber returns his sincere thanks to his Customers and the Public in general, for the very liberal support extended to him, and would respectfully inform them that he has at all times

A LARGE AND GENERAL ASSORTMENT OF Saddles, Bridles, Martingals, AND ALL KINDS OF Carriage, Wagon and Cart HARNESS

At his Old Stand in South Baltimore Street, Gettysburgh.

All kinds of MARKETING taken in exchange for work.

DAVID M'CREARY, December 26, 1836. 61-39

Look Here!

THE subscriber wishes to inform his patrons, and others who may wish to purchase him in future, that he has recently purchased Mr. Callithor's Patent Right for the use of his valuable improvement in making

Spring-seated SADDLES

Notwithstanding the prejudices against these Saddles heretofore, he feels justified in saying, that he hopes to gain the confidence and patronage of the public—as he is enabled, on the present principle, to ensure all his saddles without any extra charge.

That a soft, easy saddle is desirable to all persons who ride much, and particularly to those who may not be favored with a very pleasant horse; I presume all persons will unhesitatingly patronize the spring saddles, when they will be assured as long as the purchaser may deem necessary.

The elasticity of the Saddle acting in harmony with the symmetry of the horse and rider, not only affords ease to the man, but incalculable advantage to the horse. All persons of judgment and experience must know, that a dead, unelastic weight on a horse is oppressive. The Spring in the Girth affords the following advantages: 1st Moving or yielding with the horse's chest in breathing, no cramps or cholics or any disease can arise therefrom. 2d. The girth will outlast two or three of the common kind, because the yielding of the spring on the sudden expansion of the chest prevents the girth from breaking, and saves the rider from falling; many falls have been the fruits of breaking girths.

GENTLEMEN and LADIES are invited to apply, as the little difference in the cost of these and the hard Saddles is so trifling, and incomparable with the difference in comfort and safety.

N. B. Saddlers in the country can be accommodated with Township or Shop Rights at a trifling cost.

The subscriber returns his thanks to the public for the very liberal support extended to him, and would respectfully state that he has at all times

A LARGE AND GENERAL ASSORTMENT OF Saddles, Bridles, Martingals, Saddle-Bags, Portmanteaus and Trunks; Carriage, Wagon and Cart HARNESS,

with every other article in his line of business.

All kinds of MARKETING taken in exchange for work at fair prices.

GARLEGGANT'S BALSAM OF HEALTH.

Prepared only by JOHN S. MILLER, at his Drug and Medicine Store, opposite the Market House, Frederick, Md.

THIS valuable Medicine has already acquired a celebrity to which few others perhaps in so short a time ever arrived, and its extensive use for 4 or 5 years in various parts of our Country, Cities and Towns in Maryland, Virginia, Pennsylvania, Ohio, New York, Kentucky, Missouri, South Carolina, Alabama, Georgia, and New Orleans, which has attended it with unparalleled success.

Hundreds of persons have used it, and nine out of ten cases have been permanently cured of Dyspepsia, Cholera, Nervous Tremors, Losses of Spirits, Palpitation of the heart, and all those train of Diseases resulting from a disordered condition of the stomach and liver, or derangement of the Digestive functions, such as GENERA. DEBILITY or WEAKNESS, FLATULENCE, LOSS OF APPETITE, SORE ERUPTIONS AND ACIDITIES OF THE STOMACH, COSTIVENESS, HEADACHE, JAUNDICE, FLATULENCE AND HURDUS COLIC, &c. &c.

To Adults and Children who are troubled with Worms, it will operate as a safe and thorough vermifuge. It is entirely BALSAMIC in its composition, and may be used by both sexes and of any age, with perfect safety, without any change of habit or diet.

A full and satisfactory Direction accompanies each Bottle, which can be had at one Dollar per Bottle, and by the quantity at a liberal Discount of the proprietor and of all his agents, which are named at the bottom of each direction.

New testimony of its cures are frequently received, a few of which follow this advertisement, and may more can be seen on the directions around each Bottle.

About two years ago I was severely afflicted with the dyspepsia, which I had for the last fifteen years, previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dyspepsia and general weakness and debility to such a degree, that for two years previous to my using the Garlegant Balsam, I never eat a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garlegant's Balsam of Health advertised, I was induced to try a bottle; after taking the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much, that in the course of a few days my stomach began to retain and digest every thing I eat. I continued to use the Balsam until I used seven bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dyspepsia or debility of stomach. Given under my hand this 11th day of January, 1837.

HENRY LOUTHAN, Frederick county, Va.

Certificate of Nicholas Weaver.

This is to certify that I bought of your agent at Gettysburgh, several bottles, of your valuable Balsam of Health, which completely cured me of the Dyspepsia. I had taken much of other patent Medicines, but found no relief, until I made use of your Balsam of Health, which effected a radical cure, and do recommend it to all those who are troubled with that obstinate disorder Dyspepsia. N. WEAVER, Gettysburgh, Pa. Nov. 2, 1836.

Certificate from the Rev. D. F. Scheffer.

Pastor of the Lutheran Church. JOHN S. MILLER—Dear Sir:—I deem it my duty to inform you that I consider Garlegant's Balsam of Health, prepared by you, a superior medicine. My wife has long been in a delicate state of health, and of course no means were left untried of which we could hear; myself opposed to nostrums and patent medicines; but your Balsam consented to purchase a bottle of your Balsam of Health, and I do hereby certify that Mrs. Scheffer derived more benefit from the use of it than of any other medicine. My opinion is that if a cure can be effected, as regards the disease you mention, your Balsam will, if used in the first stage of the disease.

D. F. SCHEFFER, E. D. Frederick, Aug. 23, 1836.

P. S. I used the Balsam in my own family and administered it to some indigent persons, and invariably found it a most efficacious vermifuge.

DR. J. CARPENTER, BOTANIC PHYSICIAN.

RESPECTFULLY invites those who are troubled with Rheumatic pains, either chronic or inflammatory, to give him a call, having had very good success in curing Rheumatism; and having within the short space of time that he has been here had upwards of forty cases of Rheumatism under treatment, and having given relief in every case, and failed in but five or six cases of performing a complete cure—and some of these were through neglect on their part; and others to the long standing of the disease, so that no perfect cure could be expected. He would, therefore, invite those afflicted with Rheumatic pains to give him a call, and satisfy themselves. Not desiring those who are unacquainted with him to rely on his statement, but to come into his neighborhood and enquire of those who know, and satisfy themselves before they employ him.

Dr. Carpenter still continues to reside at his former residence in Liberty township, two miles North of Emmittsburg, and two miles from Rhodes Mill, on Middle-creek. October 3, 1836. 61-27
